Important Information

Source of portfolio data: FundsLibrary. Source of performance data: Financial Express Please remember that past performance is not a reliable indicator of future performance. The figures shown are intended only to demonstrate performance history of the fund and take no account of product charges. Fund performance is based upon the movement of the daily price. Performance figures show total return with gross income reinvested in the fund's currency of denomination. The value of your investment may go down as well as up and your fund value may be less than the payments you have made. This factsheet is for investment professionals and is for information purposes only. Should you wish to present any of this content to your client, please refer to similar pages on www.pru.co.uk. Every care has been taken in populating this output, however it must be appreciated that neither Funds Library, Prudential nor their sources guarantee the accuracy, adequacy or completeness of this report or make any warranties regarding results from its usage. You should refer to your client's policy documentation and supporting brochures for fund availability, investment strategy, any product information and charges.
