### Aims

Investment Objective The Sub-fund aims to produce a combination of income and capital growth. Investment Policy The Sub-fund will invest at least 80% in sub-investment grade bonds and will be actively managed. To the extent that the Sub-fund is not fully invested in sub-investment grade bonds, the Sub-fund may also invest in other bonds, shares, other transferable securities, money market instruments, deposits and cash. The bonds in which the Sub-fund invests will be denominated in sterling or denominated in other currencies and hedged back to sterling. The Sub-fund may use derivatives and currency forwards for both investment purposes and in the management of risk.

### Important Information

- Source of portfolio data: Broadridge. Source of performance data: FE fundinfo. We can't predict the future. Past performance isn't a guide to future performance. The figures shown are intended only to demonstrate performance history of the fund, after allowing for the impact of ongoing charges, but take no account of product charges. Ongoing charges may vary in the future and may be higher than they are now. Fund performance is based upon the movement of the daily price and is shown as total return in GBP with income reinvested. The value of your client's investment can go down as well as up and the amount your client gets back may be less than they put in.
