Fund Background	

Launch date

Aims

The investment strategy of the fund is to purchase units in the Henderson European Selected Opportunities Fund. That fund aims to achieve a long-term return, in excess of the long-term return that is typically achieved from European equity markets, by investing in companies registered in Europe or that carry out the majority of their business activities in these markets.

Important Information

Source of portfolio data: FundsLibrary. Source of performance data: Financial Express. Please remember that past performance is not a reliable indicator of future performance. The figures shown are intended only to demonstrate performance history of the fund and take no account of product charges. Fund performance is based upon the movement of the daily price. Performance figures show total return with net income reinvested in GBP. The value of your investment may go down as well as up and your fund value may be less than the payments you have made. This data is for information purposes only. If there is information or teminology included that you would like to discuss, then please contact an adviser. Investors should refer to their policy documentation and supporting brochures for fund availability, investment strategy, any product information and charges. Every care has been taken in populating this output, however it must be appreciated that neither Funds Library, Prudential nor their sources guarantee the accuracy, adequacy or completeness of this report or make any warranties regarding results from it's usage.
