Aims

The investment strategy of the fund is to purchase units in the Artemis High Income Fund. That fund aims to achieve a higher than average initial yield, combined with the prospect of rising income and some capital growth over the long-term. The emphasis of the fund will be investment in UK fixed-interest investments and preference shares, however, the Manager has the flexibility to invest in all economic sectors worldwide and in equities.

Performance

Fund Managers

Important Information

- Source of portfolio data: FundsLibrary. Source of performance data: Financial Express (FE). Please remember that past performance is not a reliable indicator of future performance. The figures shown are intended only to demonstrate performance history of the fund and take no account of product charges, or the Annual Management Charge for any available PruFund funds.. The application of charges may impact the overall performance. Please also note that our charges may vary in the future and may be higher than they are now. Fund Performance is based upon the movement of the daily price and is shown as total return in GBP with net income reinvested. The value of your investment can go down as well as up and you may not get back the amount you put in.
