

Close Managed Income Fund

Fund Factsheet as at 31 December 2020

Fund objective

The investment objective of the Fund is to achieve income with some capital growth. The Fund will invest primarily in third party managed collective investment schemes and exchange traded funds in order to gain exposure to a mixture of equities and fixed interest securities.

Typical investor

Typical investors in the Fund are looking for an investment that provides a combination of income and moderate capital growth.

Cumulative performance (%)

The Investment Association sector return shown tracks the performance of funds which have a range of investments, typically shares, bonds and cash. 20% to 60% is invested in shares and at least 30% in bonds and/or cash. It is shown for reference purposes only, as the Fund does not have a formal benchmark, which it is required to be measured against.
