

MGTS Future Money Dynamic Growth

Objective

The fund is intended to provide long term capital growth through an actively managed diversified portfolio of investments with the objective of significantly growing the value of the investment above the rate of inflation. The fund will be appropriate for a higher risk investor and consists of holdings exposed to UK & International equities, Fixed Interest and Property based investments.

Risk Warnings and Important Information

This document is produced by Margetts Fund Management on behalf of Future Money, solely for use by authorised and qualified professional financial advisers.

Margetts Fund Management Ltd is authorised and regulated by the Financial Conduct Authority.

Past Performance is no guarantee of future performance. The value of an investment and the income from it can fall as well as rise and investors may get back less than they invested.

Quoted yields are based on the previous 12 months distributions to investors and are not guaranteed. Future distributions may differ and will be subject to market factors.

Risk factors should be taken into account and understood including (but not limited to) currency movements, market risk, liquidity risk, concentration risk, lack of certainty risk, inflation risk, performance risk, local market risk and credit risk.

The information on this factsheet is intended to provide information only and should not be interpreted as advice. Margetts recommend that investors seek professional advice before making any investment to ensure that the product is suitable and can achieve their objectives.

Investors should ensure that they have read and understood the Non-UCITS Retail Scheme Key Investor Information Document (NURS-KII) and Supplementary Information Document (SID), which contain important information. A copy of these documents is available on the website or on request from Margetts Fund Management. Contact details are provided below.
