Annual security lending return ²	0.0020%

¹ Please see additional information / Glossary.

² Based on annual revenue from securities lending divided by average fund AuM over the past year or since the fund started securities lending (if less than one year ago)

Key Risks

- **The value of your investment may go down as well as up and past performance does not predict future returns. Investor capital may be at risk up to a total loss.**
- The Fund is exposed to less economically developed economies (known as emerging markets) which involve greater risks than well developed economies. Political unrest and economic downturn may be more likely and will affect the value of your investment.
- The value of an investment in shares will depend on a number of factors including, but not limited to, market and economic conditions, sector, geographical region and political events.
- The Fund is exposed to market movements in a single country or region which may be adversely affected by political or economic developments, government action or natural events that do not affect a fund investing in broader markets.

Additional Information

A Glossary of Terms is available at Xtrackers.com.

ETF performance is shown on NAV basis, net of fees and index replication costs. Index performance is calculated on a total return basis. On restructuring event dates, index values are re-based to match the index level of the previous index. Volatility is calculated since launch of the share class.

Disclaimer

This document is intended for information purposes only and does not create any legally binding obligations on the part of DWS Group GmbH & Co. KGaA and/or its affiliates (DWS).

This document has been prepared without consideration of the investment needs, objectives or financial circumstances of any investor. Without limitation, this document does not constitute an offer, an invitation to offer or a recommendation to enter into any transaction.

Before making an investment decision, investors need to consider, with or without the assistance of an investment adviser, whether the investments and strategies described or provided by DWS are appropriate in light of their particular investment needs, objectives and financial circumstances.

Information in this document has been obtained or derived from sources believed to be reliable and current. However, accuracy or completeness of the sources cannot be guaranteed.

This document is not directed to, or intended for distribution to or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, including the United States, where such distribution, publication, availability or use would be contrary to law or regulation or which would subject DWS to any registration or licensing requirement within such jurisdiction not currently met within such jurisdiction. Persons into whose possession this document may come are required to inform themselves of, and to observe, such restrictions.

Xtrackers is an undertaking for collective investment in transferable securities (UCITS) in accordance with the applicable laws and regulations and set up as open-ended investment company with variable capital and segregated liability amongst its respective compartments.

Investors must buy and must usually sell shares in Xtrackers UCITS ETFs on a secondary market with the assistance of an intermediary (e.g. a stockbroker) and may incur fees for doing so. In addition, investors may pay more than the current net asset value when buying shares and may receive less than the current net asset value when selling them. Before making any investment decision, investors should refer to the Risk Factors in the Prospectus and Key Investor Information Document.

Tax treatment of the Xtrackers UCITS ETFs depends on the individual circumstances of each investor.

Xtrackers is incorporated in the Grand Duchy of Luxembourg, is registered with the Luxembourg Trade and Companies' Register under number B-119.899 and has its registered office at 49, avenue J.F. Kennedy, L-1855 Luxembourg. DWS Investment S.A. acts as the management company of Xtrackers. The Investment Company may decide to terminate the arrangements made for the marketing of this fund.

Any investment decision in relation to a fund should be based solely on the latest version of the prospectus, the audited annual and, if more recent, un-audited semi-annual reports and the Key Investor Information Document (KIID), all of which are available in English upon request to DWS Investment S.A., 2, Boulevard Konrad Adenauer, L-1115 Luxembourg or on www.Xtrackers.com. A summary of investor rights is available at www.etf.dws.com under "About Us – How to Complain?".

PAST PERFORMANCE DOES NOT PREDICT FUTURE RETURNS.
