FUND OVERVIEW

The Fund aims to achieve long-term capital growth on your investment. The Fund invests primarily in the shares of companies incorporated or listed in Europe, but excluding the United Kingdom. Depending on market conditions, the Fund will invest in shares of companies that are, in the Portfolio Manager's opinion, undervalued or have good growth potential.

Share Class performance is calculated on a Net Asset Value (NAV) basis, with income reinvested, in British Pound, net of fees. Benchmark performance displayed in GBP. **The figures shown relate to past performance. Past performance is not a reliable indicator of future results and should not be the sole factor of consideration when selecting a product or strategy.** The return of your investment may increase or decrease as a result of currency fluctuations if your investment is made in a currency other than that used in the past performance calculation.

Key Risks: The fund invests a large portion of assets which are denominated in other currencies; hence changes in the relevant exchange rate will affect the value of the investment. The fund may invest in smaller company shares which can be more unpredictable and less liquid than those of larger company shares.
