

Fund manager

Multi-Manager Team

Fund objective

The Fund aims to achieve an income return, with some capital growth.

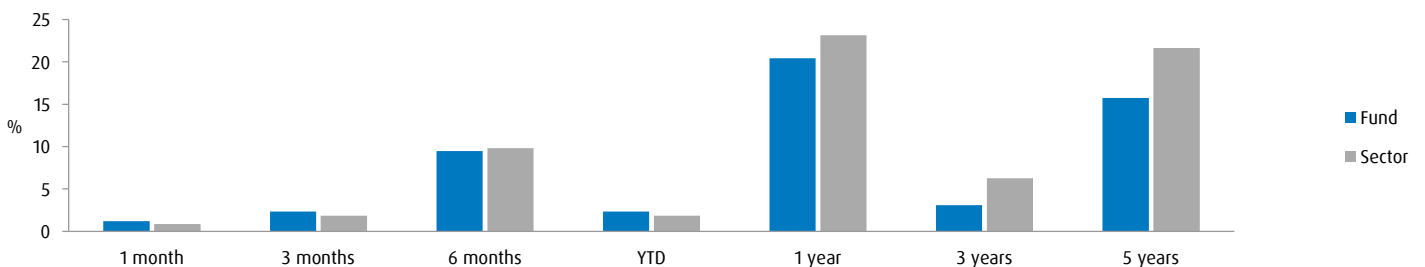

Risk warning

The value of your investments and any income from them can go down as well as up and you may not get back the original amount invested. Charges are taken from the capital of the fund, which will restrict capital growth potential. This fund invests principally in units of collective investment schemes. Screening out sectors or companies may result in less diversification and hence more volatility in investment values.

Launch date:	01-Oct-2007	Fund currency:	GBP	Ann. mgmt. fee:	0.75%	XD dates:	01-Mar, 01-Jul, 01-Sep, 01-Dec
