

## SF GLOBAL GROWTH

2 Acc - Fund Factsheet - Covering the month of November 2020

Simon Clements & Peter Michaelis & Chris Foster

### The Fund

The Fund aims to deliver capital growth over the long term (5 years or more) using the Sustainable Future investment process to invest in companies globally. This process uses a thematic approach to identify the key structural growth trends that will shape the global economy of the future and the fund managers then seek to invest in well run companies whose products and operations capitalise on these transformative changes.

**Key risks:** Past performance is not a guide to future performance. Investment in the Fund carries the risk of potential total loss of capital. Investment decisions should not be based on short-term performance. Investment in the Fund involves foreign currencies and may be subject to fluctuations in value due to movements in exchange rates.

<sup>\*</sup>Historic yield: reflects distributions declared over the past 12 months as a percentage of the mid-market unit price. It does not include any preliminary charge and investors may be subject to tax on their distributions. <sup>\*\*</sup>The fraction of a fund invested differently to its benchmark. A 100% active share is a fund with no holdings in the benchmark, a 0% active share is a fund identical to the benchmark.

## Charges

|   |       |
|---|-------|
| Initial charge  | 0.00% |
| Ongoing Charges Figure*                                   | 0.89% |
| Included within the OCF is the Annual Management Charge** | 0.75% |

\*The Ongoing Charges Figure (OCF) covers all aspects of operating a fund during the course of its financial year. These include the annual charge for managing the fund, administration and independent oversight functions, such as trustee, depository, custody, legal and audit fees. The OCF **excludes** portfolio transaction costs except for an entry/exit charge paid by the Fund when buying or selling units in another fund. This will have an impact on the realisable value of the investment, particularly in the short term. \*\*These are the annual costs of running and managing the Fund.
