Aims

To achieve income and capital growth. In seeking to achieve its investment objective the fund will aim to deliver an income, net of fees, greater than the yield of the FTSE All-Share Index and a total return (i.e. a combination of income and capital growth), net of fees, greater than the average return of the IA UK Equity Income sector over rolling 3 year periods. The fund primarily invests (at least 70%) a portfolio of UK equities.

Important Information

- Source of portfolio data: Broadridge. Source of performance data: FE fundinfo. We can't predict the future. Past performance isn't a guide to future performance. The figures shown are intended only to demonstrate performance history of the fund, after allowing for the impact of ongoing charges, but take no account of product charges. Ongoing charges may vary in the future and may be higher than they are now. Fund performance is based upon the movement of the daily price and is shown as total return in GBP with income reinvested. The value of your client's investment can go down as well as up and the amount your client gets back may be less than they put in.
