Aims

The Fund has two aims: • to deliver a higher total return (the combination of income and growth of capital), net of the Ongoing Charges Figure, than that of the MSCI All Countries World Index over any five-year period and; • to deliver an income stream that increases every year in Sterling terms.

Important Information

- Source of portfolio data: Broadridge. Source of performance data: FE fundinfo. We can't predict the future. Past performance isn't a guide to future performance. The figures shown are intended only to demonstrate performance history of the fund, after allowing for the impact of ongoing charges, but take no account of product charges. Ongoing charges may vary in the future and may be higher than they are now. Fund performance is based upon the movement of the daily price and is shown as total return in GBP with income reinvested. The value of your client's investment can go down as well as up and the amount your client gets back may be less than they put in.
