Aims

The objective of the Sub-Fund is to generate distributions over an annual period together with long-term capital growth from investing predominantly in global securities. The Sub-Fund may also invest in collective investment schemes (including but not limited to another Sub-Fund or SubFunds of the Company). Derivatives may be used for efficient portfolio management only.

Important Information

- Source of portfolio data: Broadridge. Source of performance data: FE fundinfo. We can't predict the future. Past performance isn't a guide to future performance. The figures shown are intended only to demonstrate performance history of the fund, after allowing for the impact of ongoing charges, but take no account of product charges. Ongoing charges may vary in the future and may be higher than they are now. Fund performance is based upon the movement of the daily price and is shown as total return in GBP with income reinvested. The value of your client's investment can go down as well as up and the amount your client gets back may be less than they put in.
