Important Information

- Source of portfolio data: Broadridge. Source of performance data: FE fundinfo. We can't predict the future. Past performance isn't a guide to future performance. The figures shown are intended only to demonstrate performance history of the fund, after allowing for the impact of ongoing charges, but take no account of product charges. Ongoing charges may vary in the future and may be higher than they are now. Fund performance is based upon the movement of the daily price and is shown as total return in GBP with income reinvested. The value of your client's investment can go down as well as up and the amount your client gets back may be less than they put in.

Important Information

- The Industry Classification Benchmark is a product of FTSE International Limited and has been licensed for use.
- "Prudential" is a trading name of The Prudential Assurance Company Limited, which is registered in England and Wales. Registered office at 10 Fenchurch Avenue, London EC3M 5AG. Registered number 15454. Authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority.

Commentary

The Fund invests in shares of companies that are involved in infrastructure around the world. The infrastructure sector includes utilities (e.g. water and electricity), highways and railways, airports services, marine ports and services, and oil and gas storage and transportation. The Fund does not invest directly in infrastructure assets.
