Aims

The aim of the BlackRock Cash Fund is to achieve a competitive rate of interest for unitholders, consistent with preservation of principal (capital) and liquidity, principally from a portfolio of cash, deposits, and money-market instruments. These types of investments may be issued by both UK and non-UK issuers, but shall be denominated in Sterling. The Fund will be actively managed. The Fund is not recommended for investors seeking long-term capital growth. The BlackRock Cash Fund is a "Short Term Money-Market Fund" in accordance with the COLL Sourcebook and the European Securities and Markets Authority's ("ESMA") "Guidelines on a common definition of European money market funds". The investment objective of the BlackRock Cash Fund is intended to comply with this classification.

Important Information

- Source of portfolio data: Broadridge. Source of performance data: FE fundinfo. We can't predict the future. Past performance isn't a guide to future performance. The figures shown are intended only to demonstrate performance history of the fund, after allowing for the impact of ongoing charges, but take no account of product charges. Ongoing charges may vary in the future and may be higher than they are now. Fund performance is based upon the movement of the daily price and is shown as total return in GBP with income reinvested. The value of your client's investment can go down as well as up and the amount your client gets back may be less than they put in.
