31 December	28 February

Aims

The Sub-fund's investment objective is to achieve capital growth over a rolling seven to ten year period as well as providing income. The Subfund's target is to have a return greater than the FTSE All-Share Total Return index (12pm adjusted), which is used in the calculation of performance fees.

Important Information

- Source of portfolio data: Broadridge. Source of performance data: FE fundinfo. We can't predict the future. Past performance isn't a guide to future performance. The figures shown are intended only to demonstrate performance history of the fund, after allowing for the impact of ongoing charges, but take no account of product charges. Ongoing charges may vary in the future and may be higher than they are now. Fund performance is based upon the movement of the daily price and is shown as total return in GBP with income reinvested. The value of your investment can go down as well as up so you might get back less than you put in.
