Aims

The Fund aims to provide a total return (the combination of capital growth and income) of 4 to 8% per annum over any five-year period, net of the Ongoing Charges Figure, while applying ESG Criteria and/or Impact Criteria. There is no guarantee that the Fund will achieve a positive return over five years or any other period and investors may not get back the original amount they invested.

Important Information

- Source of portfolio data: Broadridge. Source of performance data: FE fundinfo. We can't predict the future. Past performance isn't a guide to future performance. The figures shown are intended only to demonstrate performance history of the fund, after allowing for the impact of ongoing charges, but take no account of product charges. Ongoing charges may vary in the future and may be higher than they are now. Fund performance is based upon the movement of the daily price and is shown as total return in GBP with income reinvested. The value of your investment can go down as well as up so you might get back less than you put in.
