Aims

The fund seeks to apply a cautious balance between investment returns and risk of loss using a diversified global portfolio. In managing the fund in accordance with this objective, the Investment Manager believes that an outcome will be growth on a three year rolling basis but returns are not guaranteed and a capital loss may occur.

Important Information

- Source of portfolio data: Broadridge. Source of performance data: FE fundinfo. We can't predict the future. Past performance isn't a guide to future performance. The figures shown are intended only to demonstrate performance history of the fund, after allowing for the impact of ongoing charges, but take no account of product charges. Ongoing charges may vary in the future and may be higher than they are now. Fund performance is based upon the movement of the daily price and is shown as total return in GBP with income reinvested. The value of your investment can go down as well as up so you might get back less than you put in.
