<b>Yearly Total</b>	<b>1.40%</b>

**Aims**

The investment strategy of the fund is to purchase units in the Artemis Strategic Bond Fund. That fund aims to achieve a combination of income and capital growth by investing predominantly in fixed income markets but may selectively invest in other markets. Equal emphasis is given to the security of capital and income although from time to time one may take prominence over the other in accordance with the strategy being pursued.

**Important Information**

- Source of portfolio data: FundsLibrary. Source of performance data: Financial Express (FE). We can't predict the future. Past performance isn't a guide to future performance. The figures shown are intended only to demonstrate performance history of the fund, after allowing for the impact of fund charges and further costs, but take no account of product charges, or any Annual Management Charge paid for by the deduction of units. Charges and further costs may vary in the future and may be higher than they are now. Fund performance is based upon the movement of the daily price and is shown as total return in GBP with gross income reinvested. The value of your investment can go down as well as up so you might get back less than you put in.
