**Aims**

The investment strategy of the fund is to purchase units in the Artemis European Growth Fund. That fund aims to provide long-term capital growth through investment principally in companies in Europe (excluding the UK). The Manager actively manages the portfolio and will not be restricted in the choice of investments either by company size or industry, or in terms of the geographical split of the portfolio.

**Important Information**

- Exchange rate fluctuations may cause the Sterling values of overseas investments to rise or fall.
- Source of portfolio data: FundsLibrary. Source of performance data: Financial Express (FE). Please remember that past performance is not a reliable indicator of future performance. The figures shown are intended only to demonstrate performance history of the fund and take no account of product charges, or the Annual Management Charge for any available PruFund funds.. The application of charges may impact the overall performance. Please also note that our charges may vary in the future and may be higher than they are now. Fund Performance is based upon the movement of the daily price and is shown as total return in GBP with net income reinvested. The value of your investment can go down as well as up and you may not get back the amount you put in.
