### **Distribution Dates**

Ex dividend date(s)	Income payment date(s)
31 October	31 December

### Aims

The aim of the Fund is to increase in value, over a minimum of 5 years, by investing in a range of asset classes and global markets. The Fund will do this through a combination of capital growth, which is profit on investments held, and income, which is money paid out of investments such as dividends from shares and interest from bonds.

### Important Information

- Source of portfolio data: Broadridge. Source of performance data: FE fundinfo. We can't predict the future. Past performance isn't a guide to future performance. The figures shown are intended only to demonstrate performance history of the fund, after allowing for the impact of ongoing charges, but take no account of product charges. Ongoing charges may vary in the future and may be higher than they are now. Fund performance is based upon the movement of the daily price and is shown as total return in GBP with income reinvested. The value of your investment can go down as well as up so you might get back less than you put in.
