Aims

The aim of the BlackRock UK Special Situations Fund is to achieve long-term capital growth for investors. The Fund invests primarily in the shares of companies incorporated or listed in the UK and will normally have an emphasis on small or medium sized companies. The Fund may also invest in collective investment schemes. Small and medium sized companies are those whose market capitalisation is lower than that of companies in the FTSE 100 Index at the time of the Fund's investment.

Important Information

- Source of portfolio data: Broadridge. Source of performance data: FE fundinfo. We can't predict the future. Past performance isn't a guide to future performance. The figures shown are intended only to demonstrate performance history of the fund, after allowing for the impact of ongoing charges, but take no account of product charges. Ongoing charges may vary in the future and may be higher than they are now. Fund performance is based upon the movement of the daily price and is shown as total return in GBP with income reinvested. The value of your investment can go down as well as up so you might get back less than you put in.
