Distribution Dates

Ex dividend date(s)	Income payment date(s)
03 March	30 April

Aims

The Fund's investment objective is to achieve income and long-term capital growth from a portfolio consisting primarily of the shares of companies from around the world. The ACD will choose investments which it believes offer attractive dividend yields in addition to price appreciation. The Fund may also invest in other transferable securities, units in collective investment schemes, money market instruments, cash and deposits.

Important Information

- Source of portfolio data: Broadridge. Source of performance data: FE fundinfo. We can't predict the future. Past performance isn't a guide to future performance. The figures shown are intended only to demonstrate performance history of the fund, after allowing for the impact of ongoing charges, but take no account of product charges. Ongoing charges may vary in the future and may be higher than they are now. Fund performance is based upon the movement of the daily price and is shown as total return in GBP with income reinvested. The value of your investment can go down as well as up so you might get back less than you put in.
