#### **Aims**

The objective of the BlackRock Corporate Bond Fund is to maximise total return by investing principally in corporate bonds and other interest-bearing securities. Exposure to non sterling denominated assets will typically be hedged back to sterling. Separately, the Fund may also invest in preference shares, convertibles, other transferable securities and collective investment schemes.

## Important Information

- Source of portfolio data: Broadridge. Source of performance data: FE fundinfo. We can't predict the future. Past performance isn't a guide to future performance. The figures shown are intended only to demonstrate performance history of the fund, after allowing for the impact of ongoing charges, but take no account of product charges. Ongoing charges may vary in the future and may be higher than they are now. Fund performance is based upon the movement of the daily price and is shown as total return in GBP with income reinvested. The value of your client's investment can go down as well as up and the amount your client gets back may be less than they put in.
