Fund objective

The investment objective is to provide a combination of income and capital growth over any seven year period.

Performance

Investors are invited to compare the fund's performance against the performance of other funds within the Investment Association Mixed 20-60% Sector. Comparison of the fund against this sector will give investors an indication of how the fund is performing compared with funds holding similar equity ranges.

The comparison should be performed over at least a seven year period to provide the most useful long-term comparison.

Past performance shown prior to the launch of the share class is simulated back to the launch date of the fund using an existing share class.

Risk factors

Past performance is not a guide to future performance. The value of investments and the income from them may go down as well as up and is not guaranteed. Outcomes, including the payment of income, are not guaranteed.

Past performance shown prior to the launch of the share class on 14 May 2013 is simulated using an existing shareclass. Neither simulated or actual past performance is a guide to future returns.

This fund is intended to be a long-term investment and your capital is at risk. Any investment objective, performance benchmark and yield information should not be considered as an assurance or guarantee of the performance of the fund or any part of it. An initial charge reduces the amount available for investment. Investors should be aware that funds denominated in a currency other than investors' home state currency are subject to currency fluctuations which may decrease returns. Please be aware that each fund presents its own risk profile. Material risks for this fund are: Credit, Interest Rate and Liquidity. Please read the KIID for an explanation and refer to the prospectus for information about all relevant risks.

Please note that performance for fixed income funds is shown net of charges and tax. Performance for equity and multi asset funds is shown net of charges but gross of tax.

This document is accurate at the time of writing and is subject to change without notification.

Fund charges are deducted from income but will be deducted from capital where income is insufficient to cover charges.

Please read the Key Investor Information, Supplementary Information Document and Application Form carefully.
