## Fund objective

The investment objective is to provide a combination of income and capital growth over any seven year period.

## Performance

Investors are invited to compare the fund's performance against the performance of other funds within the Investment Association All UK Companies Sector. Comparison of the fund against this sector will give investors an indication of how the fund is performing compared with funds investing in a similar but not identical investment universe and comprising ethical and non-ethically screened funds, demonstrating the value of the fund's ethical screen against non-ethically screened funds.

The comparison should be performed over at least a seven year period to provide the most useful long-term comparison.

Past performance does not predict future returns.
