## EXPLANATORY NOTE

This report combines the quarterly reports on Form 10-Q for the three and six months ended June 30, 2024 of VICI Properties Inc. and VICI Properties L.P. Unless stated otherwise or the context otherwise requires, references to “VICI” mean VICI Properties Inc. and its consolidated subsidiaries, including VICI Properties OP LLC (“VICI OP”), and references to “VICI LP” mean VICI Properties L.P. and its consolidated subsidiaries. Unless stated otherwise or the context otherwise requires, the terms “the Company,” “we,” “our” and “us” mean VICI and VICI LP, including, collectively, their consolidated subsidiaries.

In order to highlight the differences between VICI and VICI LP, the separate sections in this report for VICI and VICI LP described below specifically refer to VICI and VICI LP. In the sections that combine disclosure of VICI and VICI LP, this report refers to actions or holdings of VICI and VICI LP as being “our” actions or holdings. Although VICI LP is the entity that generally, directly or indirectly, enters into contracts and joint ventures, holds assets and incurs debt, we believe that references to “we,” “us” or “our” in this context is appropriate because the business is one enterprise and we operate substantially all of our business and own, either directly or through subsidiaries, substantially all of our assets through VICI LP.

VICI is a real estate investment trust (“REIT”) that is the sole owner of VICI Properties GP LLC, the sole general partner of VICI LP. As of June 30, 2024, VICI owns 100% of the limited liability company interests of VICI Properties HoldCo LLC (“HoldCo”), which in turn owns approximately 98.8% of the limited liability company interest of VICI OP (such interests, “VICI OP Units”), our operating partnership, which in turn owns 100% of the limited partnership interest in VICI LP. The balance of the VICI OP Units not held by HoldCo are held by third-party unit holders.

The following diagram details VICI’s organizational structure as of June 30, 2024.

We believe combining the quarterly reports on Form 10-Q of VICI and VICI LP into this single report:

- enhances investors’ understanding of VICI and VICI LP by enabling investors to view the business as a whole in the same manner as management views and operates the business;
- eliminates duplicative disclosure and provides a more streamlined and readable presentation; and
- creates time and cost efficiencies through the preparation of one combined report instead of two separate reports.

We operate VICI and VICI LP as one business. Because VICI LP is managed by VICI, and VICI conducts substantially all of its operations and owns, either directly or through subsidiaries, substantially all of its assets indirectly through VICI LP, VICI’s executive officers are VICI LP’s executive officers, although, as a partnership, VICI LP does not have a board of directors.

We believe it is important to understand the few differences between VICI and VICI LP in the context of how VICI and VICI LP operate as a consolidated company. VICI is a REIT whose only material assets are its indirect interest in VICI LP, through which it conducts its real property business. VICI also conducts its golf course business through a taxable REIT subsidiary (a “TRS”), VICI Golf LLC, a Delaware limited liability company (“VICI Golf”). As a result, VICI does not conduct business itself other than issuing public equity from time to time and does not directly incur any material indebtedness, rather VICI LP

holds substantially all of our assets, except for those held in VICI Golf. Except for net proceeds from public equity issuances by VICI, VICI LP generates all capital required by the Company's business, which sources include VICI LP's operations and its direct or indirect incurrence of indebtedness.

VICI consolidates VICI LP for financial reporting purposes, and VICI does not have material assets other than its indirect investment in VICI LP. Therefore, while there are some areas of difference between the unaudited consolidated financial statements of VICI and those of VICI LP, the assets and liabilities of VICI and VICI LP are materially the same on their respective financial statements. As of June 30, 2024, the primary areas of difference between the unaudited consolidated financial statements of VICI and those of VICI LP were cash and cash equivalents, stockholders' equity and partners' capital, non-controlling interests and golf operations, which include the assets and liabilities and income and expenses of VICI Golf.

To help investors understand the differences between VICI and VICI LP, this report provides:

- separate consolidated financial statements for VICI and VICI LP;
- a single set of notes to such consolidated financial statements that includes separate discussions of stockholders' equity or partners' equity and per share and per unit data, as applicable;
- a combined Management's Discussion and Analysis of Financial Condition and Results of Operations section that also includes discrete information related to each entity, as applicable;
- separate Part I, Item 4. Controls and Procedures sections;
- separate Part II, Item 2. Issuer Purchases of Equity Securities sections related to each entity; and
- separate Exhibits 31 and 32 certifications for each of VICI and VICI LP in order to establish that the requisite certifications have been made and that VICI and VICI LP are each compliant with Rule 13a-14(a) or Rule 15d-14(a) of the Securities Exchange Act of 1934 and 18 U.S.C. §1350.

The separate discussions of VICI and VICI LP in this report should be read in conjunction with each other to understand our results on a consolidated basis and how management operates our business.

## **Note 1 — Business and Organization**

### ***Business***

We are primarily engaged in the business of owning and acquiring gaming, hospitality and entertainment destinations, subject to long-term triple-net leases. As of June 30, 2024, we own 93 experiential assets across a geographically diverse portfolio consisting of 54 gaming properties and 39 other experiential properties across the United States and Canada, including Caesars Palace Las Vegas, MGM Grand and the Venetian Resort Las Vegas (the “Venetian Resort”), three of the most iconic entertainment facilities on the Las Vegas Strip. Our gaming and entertainment facilities are leased to leading brands that seek to drive consumer loyalty and value with guests through superior services, experiences, products and continuous innovation. VICI also owns four championship golf courses, which are managed by CDN Golf Management Inc., and are located near certain of our properties.

VICI, the parent company, is a Maryland corporation and internally managed REIT for U.S. federal income tax purposes. Our real property business, which represents the substantial majority of our assets, is conducted through VICI OP and indirectly through VICI LP and our golf course business, VICI Golf, is conducted through a direct wholly owned TRS of VICI. As a REIT, we generally will not be subject to U.S. federal income taxes on our taxable income to the extent that we annually distribute all of our net taxable income to stockholders and maintain our qualification as a REIT.

## **Note 2 — Summary of Significant Accounting Policies**

### ***Basis of Presentation***

The accompanying Financial Statements have been prepared in accordance with U.S. generally accepted accounting principles (“GAAP”) for interim financial information set forth in the Accounting Standards Codification (“ASC”), as published by the Financial Accounting Standards Board (“FASB”), and with the applicable rules and regulations of the Securities and Exchange Commission (“SEC”). The Financial Statements, including the notes thereto, are unaudited and condense or exclude some of the disclosures and information normally required in audited financial statements.

We believe the disclosures made are adequate to prevent the information presented from being misleading. However, the accompanying unaudited Financial Statements and related notes should be read in conjunction with our audited financial statements and notes thereto included in our most recent [Annual Report on Form 10-K](#), as updated from time to time in our other filings with the SEC.

All adjustments considered necessary for a fair statement of results for the interim period have been included, and are of a normal and recurring nature. Certain prior period amounts have been reclassified to conform to the current period presentation.

### ***Use of Estimates***

The preparation of financial statements in conformity with GAAP requires us to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ materially from these estimates.

Operating results for the three and six months ended June 30, 2024 are not necessarily indicative of the results that may be expected for the year ending December 31, 2024.

**VICI PROPERTIES INC. AND VICI PROPERTIES L.P.**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**  
**(UNAUDITED)**

***Principles of Consolidation***

The accompanying Financial Statements include our accounts and the accounts of VICI LP, and the subsidiaries in which we or VICI LP has a controlling interest. All intercompany account balances and transactions have been eliminated in consolidation. We consolidate all subsidiaries in which we have a controlling financial interest and variable interest entities for which we or one of our consolidated subsidiaries is the primary beneficiary.

***Non-controlling Interests***

We present non-controlling interests and classify such interests as a component of consolidated stockholders' equity or partners' capital, separate from VICI stockholders' equity and VICI LP partners' capital. As of June 30, 2024, VICI's non-controlling interests represent approximately 1.2% third-party ownership of VICI OP in the form of a limited liability company interest in VICI OP ("VICI OP Units"), a 20% third-party ownership of Harrah's Joliet LandCo LLC, the entity that owns the Harrah's Joliet facility and is the lessor under the related lease agreement with Caesars Entertainment, Inc. (together with, as the context requires, its subsidiaries, "Caesars") for such facility ("Joliet Lease") and a 5.6% third-party equity ownership, in the form of Class A Units, of VICI Bowl HoldCo LLC ("Bowlero OP Units"), the entity that owns the portfolio of bowling entertainment centers leased to Bowlero Corp. ("Bowlero") and is the lessor under the related Bowlero master lease agreement. As VICI OP is a parent entity of VICI LP, VICI LP's only non-controlling interests are the third-party ownership interests in Harrah's Joliet LandCo LLC and VICI Bowl HoldCo referenced above.

***Cash, Cash Equivalents and Restricted Cash***

Cash consists of cash-on-hand and cash-in-bank. Highly liquid investments with an original maturity of three months or less from the date of purchase are considered cash equivalents and are carried at cost, which approximates fair value. As of June 30, 2024 and December 31, 2023, we did not have any restricted cash.

***Short-Term Investments***

Investments with an original maturity of greater than three months and less than one year from the date of purchase are considered short-term investments and are stated at fair value.

We may invest our excess cash in short-term investment grade commercial paper as well as discount notes issued by government-sponsored enterprises including the Federal Home Loan Mortgage Corporation and certain of the Federal Home Loan Banks. These investments generally have original maturities between 91 and 180 days and are accounted for as available for sale securities. Interest on our short-term investments is recognized as interest income in our Statement of Operations. We did not have any short-term investments as of June 30, 2024 and December 31, 2023.

***Purchase Price Accounting***

We assess all of our property acquisitions under ASC 805 "Business Combinations" ("ASC 805") to determine if such acquisitions should be accounted for as a business combination or an asset acquisition. Under ASC 805, an acquisition does not qualify as a business combination when (i) substantially all of the fair value is concentrated in a single identifiable asset or group of similar identifiable assets, (ii) the acquisition does not include a substantive process in the form of an acquired workforce, or (iii) the acquisition does not include an acquired contract that cannot be replaced without significant cost, effort or delay. Generally, and to date, all of our acquisitions have been determined to be asset acquisitions and, in accordance with ASC 805-50, all applicable transaction costs are capitalized as part of the purchase price of the acquisition.

We allocate the purchase price, including the costs incurred to acquire the assets, to the identifiable assets acquired and liabilities assumed, as applicable, using their relative fair value. Generally, the assets acquired are comprised of land, building and site improvements and in certain instances, such as our acquisition of MGM Growth Properties LLC ("MGP") and the acquisition of the joint venture that holds the real estate assets of MGM Grand Las Vegas and Mandalay Bay ("MGM Grand/Mandalay Bay JV"), existing leases and/or debt. Further, since all the components of our leases are classified as sales-type leases or financing receivables, as further described below, the assets acquired are transferred into the net investment in lease or financing receivable, as applicable.

**VICI PROPERTIES INC. AND VICI PROPERTIES L.P.**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**  
**(UNAUDITED)**

***Investments in Leases - Sales-type, Net***

We account for our investments in leases under ASC 842 “Leases” (“ASC 842”). Upon lease inception or lease modification, we assess lease classification to determine whether the lease should be classified as a direct financing, sales-type or operating lease. As required by ASC 842, we separately assess each lease component of the property, generally comprised of land and building, to determine the classification. If the lease component is determined to be a direct financing or sales-type lease, we record a net investment in the lease, which is equal to the sum of the lease receivable and the unguaranteed residual asset, discounted at the rate implicit in the lease. Any difference between the fair value of the asset and the net investment in the lease is considered selling profit or loss and is either recognized upon execution of the lease or deferred and recognized over the life of the lease, depending on the classification of the lease. Since we purchase properties and simultaneously enter into new leases directly with the tenants, the net investment in the lease is generally equal to the purchase price of the asset, and, due to the long-term nature of our leases, the land and building components of an investment generally have the same lease classification.

***Investments in Leases - Financing Receivables, Net***

In accordance with ASC 842, for transactions in which we enter into a contract to acquire an asset and lease it back to the seller under a lease classified as a sales-type lease (i.e., a sale leaseback transaction), control of the asset is not considered to have transferred to us. As a result, we do not recognize the net investment in the lease but instead recognize a financial asset in accordance with ASC 310 “Receivables” (“ASC 310”); however, the accounting for the financing receivable under ASC 310 is materially consistent with the accounting for our investments in leases - sales-type under ASC 842.

***Lease Term***

We assess the noncancelable lease term under ASC 842, which includes any reasonably certain renewal periods. All of our lease agreements provide for an initial term, with one or more tenant renewal options.

In relation to our gaming assets and certain other irreplaceable real estate, we generally conclude that the lease term includes all of the periods covered by extension options as it is reasonably certain our tenants will renew the lease agreements. In these situations, we believe our tenants are economically compelled to renew the lease agreements due to the importance of our real estate to the operation of their business, the significant capital they have invested and are required to invest in our properties under the terms of the lease agreements and the lack of suitable replacement assets.

***Income from Leases and Lease Financing Receivables***

We recognize the related income from our sales-type leases and lease financing receivables on an effective interest basis at a constant rate of return over the terms of the applicable leases. As a result, the cash payments accounted for under sales-type leases and lease financing receivables will not equal income from our lease agreements. Rather, a portion of the cash rent we receive is recorded as Income from sales-type leases or Income from lease financing receivables, loans and securities, as applicable, in our Statement of Operations and a portion is recorded as a change to Investments in leases - sales-type, net or Investments in leases - financing receivables, net, as applicable.

Initial direct costs incurred in connection with entering into investments classified as sales-type leases are included in the balance of the net investment in lease. Such amounts will be recognized as a reduction to Income from investments in leases over the life of the lease using the effective interest method. Costs that would have been incurred regardless of whether the lease was signed, such as legal fees and certain other third-party fees, are expensed as incurred to Transaction and acquisition expenses in our Statement of Operations.

Loan origination fees and costs incurred in connection with entering into investments classified as lease financing receivables are included in the balance of the net investment and such amounts will be recognized as a reduction to Income from investments in loans and lease financing receivables over the life of the lease using the effective interest method.

***Investments in Loans and Securities, net***

Investments in loans are held-for-investment and are carried at historical cost, inclusive of unamortized loan origination costs and fees and net of allowances for credit losses. Income is recognized on an effective interest basis at a constant rate of return over the life of the related loan.

**VICI PROPERTIES INC. AND VICI PROPERTIES L.P.**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**  
**(UNAUDITED)**

We classify our investments in securities on the date of acquisition of the investment as either trading, available-for-sale or held-to-maturity. We classify our debt securities as held-to-maturity, as we have the intent and ability to hold this security until maturity, the accounting of which is materially consistent with that of our Investments in loans.

***Allowance for Credit Losses***

ASC 326 “Financial Instruments-Credit Losses” (“ASC 326”) requires that we measure and record current expected credit losses (“CECL”) for the majority of our investments, the scope of which includes our Investments in leases - sales-type, Investments in leases - financing receivables and Investments in loans and securities.

***Investments in Leases***

In relation to our lease portfolio, we have elected to use a discounted cash flow model to estimate the allowance for credit losses, or CECL allowance, for our Investments in leases - sales-type and Investments in leases - financing receivables, which comprise the substantial majority of our CECL allowance. This model requires us to develop cash flows which project estimated credit losses over the life of the lease and discount these cash flows at the asset’s effective interest rate. We then record a CECL allowance equal to the difference between the amortized cost basis of the asset and the present value of the expected credit loss cash flows.

Expected losses within our cash flows are determined by estimating the probability of default (“PD”) and loss given default (“LGD”) of our tenants and their parent guarantors, as applicable, over the life of each individual lease. We have engaged a nationally recognized data analytics firm to assist us with estimating both the PD and LGD of our tenants and their parent guarantors, as applicable. The PD and LGD are estimated during a reasonable and supportable period for which we believe we are able to estimate future economic conditions (the “R&S Period”) and a long-term period for which we revert to long-term historical averages (the “Long-Term Period”). The PD and LGD estimates for the R&S Period are developed using the current financial condition of the tenant and parent guarantor, as applicable, and applied to a projection of economic conditions over a two-year term. The PD and LGD for the Long-Term Period are estimated using the average historical default rates and historical loss rates, respectively, of public companies over approximately the past 40 years that have similar credit profiles or characteristics to our tenants and their parent guarantors, as applicable. We are unable to use our historical data to estimate losses as we have no loss history to date.

***Investments in Loans***

In relation to our loan portfolio, we engage a nationally recognized data analytics firm to provide loan level market data and a forward-looking commercial real estate loss forecasting tool. The credit loss model generates the PD and LGD using sub-market loan-level data and the estimated fair value of collateral to generate net operating income and forecast the expected loss for each loan.

***Unfunded Commitments***

We are required to estimate a CECL allowance related to contractual commitments to extend credit, such as future funding commitments under a revolving credit facility, delayed draw term loan, construction loan or through commitments made to our tenants to fund the development and construction of improvements at our properties. We estimate the amount that we will fund for each contractual commitment based on (i) discussions with our borrowers and tenants, (ii) our borrowers’ and tenants’ business plans and financial condition and (iii) other relevant factors. Based on these considerations, we apply a CECL allowance to the estimated amount of credit we expect to extend. The CECL allowance for unfunded commitments is calculated using the same methodology as the allowance for the respective investments subject to the CECL model. The CECL allowance related to these future commitments is recorded as a component of Other liabilities on our Balance Sheets.

***Presentation***

The initial CECL allowance is recorded as a reduction to our net Investments in leases - sales-type, Investments in leases - financing receivables, Investments in loans and securities and Sales-type sub-leases (included in Other assets) on our Balance Sheets. We are required to update our CECL allowance on a quarterly basis with the resulting change being recorded in the Statement of Operations for the relevant period. Finally, each time we make a new investment in an asset subject to ASC 326, we are required to record an initial CECL allowance for such asset, which results in a non-cash charge to the Statement of Operations for the relevant period.

**VICI PROPERTIES INC. AND VICI PROPERTIES L.P.**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**  
**(UNAUDITED)**

Write-offs of our investments in leases and loans are deducted from the allowance in the period in which they are deemed uncollectible. Recoveries of amounts previously written off are recorded when received. There were no charge-offs or recoveries for the three and six months ended June 30, 2024 and 2023.

Refer to [Note 5 - Allowance for Credit Losses](#) for further information.

***Foreign Currency Translation and Remeasurement***

Our investments in our Canadian gaming assets and certain of our loans are denominated in foreign currencies and, accordingly, we translate the financial statements of the subsidiaries' that own such assets into U.S. Dollars ("USD" or "US\$") when we consolidate their financial results and position. Generally, assets and liabilities are translated at the exchange rate in effect at the date of the Balance Sheet and the resulting translation adjustments are included in Accumulated other comprehensive income in the Balance Sheets. Certain balance sheet items, primarily equity and capital-related accounts, are reflected at the historical exchange rate. Income Statement accounts are translated using the average exchange rate for the period.

We and certain of our consolidated subsidiaries have intercompany and third-party debt that is denominated in foreign currencies, which is not our and our consolidated subsidiaries functional currency of USD. When the debt and related operating receivables and/or payables are remeasured to the functional currency of the entity, a gain or loss can result. The resulting adjustment is reflected in Other (losses) gains, net in the Statement of Operations.

***Other Income and Other Expenses***

Other income primarily represents sub-lease income related to certain ground and use leases. Under the lease agreements, the tenants are required to pay all costs associated with such ground and use leases and provides for their direct payment to the landlord. This income and the related expense are recorded on a gross basis in our Statement of Operations as required under GAAP as we are the primary obligor under these certain ground and use leases.

***Fair Value Measurements***

We measure the fair value of financial instruments based on assumptions that market participants would use in pricing the asset or liability. As a basis for considering market participant assumptions in fair value measurements, a fair value hierarchy distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity and the reporting entity's own assumptions about market participant assumptions. In accordance with the fair value hierarchy, Level 1 assets/liabilities are valued based on quoted prices for identical instruments in active markets, Level 2 assets/liabilities are valued based on quoted prices in active markets for similar instruments, on quoted prices in less active or inactive markets or on other "observable" market inputs, and Level 3 assets/liabilities are valued based significantly on "unobservable" market inputs.

Refer to [Note 9 - Fair Value](#) for further information.

***Derivative Financial Instruments***

We record our derivative financial instruments as either Other assets or Other liabilities on our Balance Sheet at fair value.

The accounting for changes in the fair value of derivatives depends on the intended use of the derivative, whether we elected to designate a derivative in a hedging relationship and apply hedge accounting and whether the hedging relationship has satisfied the criteria necessary to apply hedge accounting. Derivatives designated and qualifying as a hedge of the exposure to variability in expected future cash flows are considered cash flow hedges. We formally document our hedge relationships and designation at the contract's inception. This documentation includes the identification of the hedging instruments and the hedged items, its risk management objectives, strategy for undertaking the hedge transaction and our evaluation of the effectiveness of its hedged transaction.

On a quarterly basis, we also assess whether the derivative we designated in each hedging relationship is expected to be, and has been, highly effective in offsetting changes in the value or cash flows of the hedged transactions. If it is determined that a derivative is not highly effective at hedging the designated exposure, hedge accounting is discontinued and the changes in fair value of the instrument are included in Net income prospectively. If the hedge relationship is terminated, then the value of the derivative previously recorded in Accumulated other comprehensive income (loss) is recognized in earnings when the hedged transactions affect earnings. Changes in the fair value of our derivative instruments that qualify as hedges are reported as a

**VICI PROPERTIES INC. AND VICI PROPERTIES L.P.**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**  
**(UNAUDITED)**

component of Accumulated other comprehensive income (loss) in our Balance Sheet with a corresponding change in Unrealized gain (loss) in cash flows hedges within Other comprehensive income on our Statement of Operations.

We use derivative instruments to mitigate the effects of interest rate volatility, whether from variable rate debt or future forecasted transactions, which could unfavorably impact our future earnings and forecasted cash flows. We do not use derivative instruments for speculative or trading purposes.

***Concentrations of Credit Risk***

MGM Resorts International (together with, as the context requires, its subsidiaries, “MGM”) and Caesars are the guarantors of all the lease payment obligations of the tenants under the applicable leases of the properties that they each respectively lease from us. Revenue from our lease agreements with MGM represented 38% of our lease revenues for each of the three and six months ended June 30, 2024, and 40% and 39% of our lease revenues for the three and six months ended June 30, 2023, respectively. Contractual rent from our lease agreements with MGM represented 36% of our total contractual rent for each of the three and six months ended June 30, 2024, and 34% and 36% of our total contractual rent for the three and six months ended June 30, 2023, respectively. Revenue from our lease agreements with Caesars represented 36% of our lease revenues for each of the three and six months ended June 30, 2024, and 37% and 38% of our lease revenues for the three and six months ended June 30, 2023, respectively. Contractual rent from our lease agreements with Caesars represented 38% of our total contractual rent for each of the three and six months ended June 30, 2024, and 41% and 40% of our total contractual rent for the three and six months ended June 30, 2023, respectively.

Additionally, our properties on the Las Vegas Strip generated approximately 48% of our lease revenues for each of the three and six months ended June 30, 2024, and 49% of our lease revenues for each of the three and six months ended June 30, 2023. Other than having two tenants from which we derive and will continue to derive a substantial portion of our revenue and our concentration in the Las Vegas market, we do not believe there are any other significant concentrations of credit risk.

***Recent Accounting Pronouncements***

In March 2024, the SEC issued its final climate disclosure rules, which require the disclosure of material climate-related information in annual reports and registration statements, including disclosure of effects of severe weather events and other natural conditions. In April 2024, the SEC voluntarily stayed the effectiveness of the new rules pending related litigation. If the stay is lifted and the effective times are unchanged, certain of the disclosure requirements will begin to apply to our fiscal year beginning January 1, 2025. We are currently evaluating the impact of the final rules on our Financial Statements.

In December 2023, the FASB issued ASU 2023-09, Income Taxes (Topic 740): Improvements to Income Tax Disclosures (“ASU 2023-09”). ASU 2023-09 requires entities to disclose additional information with respect to the effective tax rate reconciliation and to disclose the disaggregation by jurisdiction of income tax expense and income taxes paid. ASU 2023-09 is effective for fiscal years beginning after December 15, 2024, with early adoption permitted. We are currently evaluating the impact of ASU 2023-09 on our Financial Statements.

In November 2023, the FASB issued ASU 2023-07 Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures, which provides for additional disclosures as they relate to a company’s segments. Additional requirements per the update include disclosures for significant segment expenses, measures of profit or loss used by the Chief Operating Decision Maker and how these measures are used to allocate resources and assess segment performance. The amendments in this ASU will also apply to entities with a single reportable segment and is effective for all public entities for fiscal years beginning after December 15, 2023 and interim periods within fiscal years beginning after December 15, 2024. We are currently evaluating the impact of ASU 2023-07 on our Financial Statements.

***Recent Tax Legislation***

The Organization for Economic Co-operation and Development (“OECD”) has proposed a global minimum tax of 15% of reported profits (“Pillar 2”) that has been agreed upon in principle by over 140 countries. During 2023, many countries incorporated Pillar 2 model rules into their laws. The model rules provide a framework for applying the minimum tax and some countries have adopted Pillar 2 effective January 1, 2024; however, countries must individually enact Pillar 2, which may result in variation in the application of the model rules and timelines.

We have evaluated Pillar 2 and we do not expect it to have a material impact on our Financial Statements based upon our current structure and investments. However, there remains some uncertainty as to the final Pillar 2 model rules. We will continue to monitor the United States and global legislative actions related to Pillar 2 for potential impacts.

### Note 3 — Real Estate Transactions

#### 2024 Activity

##### *Property Acquisitions and Investments*

##### *Venetian Capital Investment*

On May 1, 2024, we entered into agreements to fund up to \$700.0 million of capital investment into our Venetian Resort for extensive reinvestment projects through our Partner Property Growth Fund strategy (the “Venetian Capital Investment”). The Venetian Capital Investment will fund several projects, including hotel room product renovations, gaming floor optimization and entertainment and convention center enhancements, among others, seeking to improve the overall guest experience and enhance the value of the property. The invested capital will earn a return through the addition of incremental rent to the lease agreement for the Venetian Resort (as amended in connection with the Venetian Capital Investment, the “Venetian Lease”).

The up to \$700.0 million of funding through the Venetian Capital Investment is comprised of \$400.0 million to be funded in 2024 and an incremental \$300.0 million that the Venetian Resort will have the option, but not the obligation, to draw in whole or in part until November 1, 2026. The initial \$400.0 million investment was or is being funded based on a fixed schedule: \$100.0 million was funded in the second quarter of 2024, \$150.0 million was funded in the third quarter of 2024 and \$150.0 million will be funded in the fourth quarter of 2024. The previous Property Growth Fund Agreement entered into with the tenant in connection with the Venetian Resort acquisition providing for up to \$1.0 billion of future development and construction project funding was concurrently terminated.

In connection with the Venetian Capital Investment, annual rent under the Venetian Lease will increase commencing on the first day of the quarter immediately following each capital funding at a 7.25% yield (the “Incremental Venetian Rent”). In addition to any increase pursuant to the Incremental Venetian Rent, annual rent under the Venetian Lease will begin escalating annually at 2.0% on March 1, 2029 and, commencing on March 1, 2031, will begin escalating on the same terms as the rest of the rent payable under the Venetian Lease with annual escalation equal to the greater of 2.0% or CPI, capped at 3.0%. Subsequent to quarter end, on July 1, 2024, the aggregate annual rent under the Venetian Lease increased by \$7.3 million as a result of the first \$100.0 million funding.

We determined that the amendment to the Venetian Lease in connection with the Venetian Capital Investment represented a lease modification under ASC 842 pursuant to which we were required to reassess the lease classification. Upon reassessment, we determined that the Venetian Lease continues to meet the definition of a sales-type lease. Accordingly, since the classification remains unchanged, we modified the future minimum lease cash flows to reflect the amendment and prospectively adjusted the discount rate used to recognize income, incorporating the impact of the additional funding and related incremental rent in connection with the Venetian Capital Investment.

##### *Real Estate Debt Originations*

The following table summarizes our 2024 real estate debt origination activity to date:

<sup>(1)</sup> In connection with the Great Wolf Mezzanine Loan, the \$79.5 million mezzanine loan for Great Wolf Lodge Maryland was repaid in full.

<sup>(2)</sup> Simultaneous with entering into the loan agreement, we entered into a call right agreement that provides us with a call option on (i) the Margaritaville Resort, (ii) the new Homefield Kansas City youth sports training facility (“Homefield”), (iii) the new Homefield baseball center, and (iv) the existing Homefield youth sports complex in Olathe, Kansas. We also received a right of first refusal to acquire the real estate of any future Homefield property, should Homefield elect to monetize such assets in a sale-leaseback transaction. If the call option is exercised, all of the properties, including the Margaritaville Resort, will be subject to a single long-term triple net master lease with us.

## Note 4 — Real Estate Portfolio

As of June 30, 2024, our real estate portfolio consisted of the following:

- Investments in leases – sales-type, representing our investment in 26 casino assets leased on a triple-net basis to our tenants under ten separate lease agreements;
- Investments in leases – financing receivables, representing our investment in 28 casino assets and 39 other experiential properties leased on a triple-net basis to our tenants under ten separate lease agreements;
- Investments in loans and securities, representing our 16 debt investments in senior secured and mezzanine loans, preferred equity and the senior secured notes; and
- Land, representing our investment in certain underdeveloped or undeveloped land adjacent to the Las Vegas strip and non-operating, vacant land parcels.

The following is a summary of the balances of our real estate portfolio as of June 30, 2024 and December 31, 2023:

Total real estate portfolio	\$ 43,139,372	\$ 42,521,937

<sup>(1)</sup> At lease inception (or upon modification), we determine the estimated residual values of the leased property (not guaranteed) under the respective lease agreements, which has a material impact on the determination of the rate implicit in the lease and the lease classification. As of June 30, 2024 and December 31, 2023, the estimated residual values of the leased properties under our lease agreements were \$16.5 billion and \$15.9 billion, respectively.

## Investments in Leases

The following table details the components of our income from sales-type leases and lease financing receivables:

<i>(In thousands)</i>	Three Months Ended June 30,		Six Months Ended June 30,

<sup>(1)</sup> At lease inception (or upon modification), we determine the minimum lease payments under ASC 842, which exclude amounts determined to be contingent rent. Contingent rent is generally amounts in excess of specified floors or the variable rent portion of our leases. The minimum lease payments are recognized on an effective interest basis at a constant rate of return over the life of the lease and the contingent rent portion of the lease payments are recognized as earned, both in accordance with ASC 842.

<sup>(2)</sup> Amounts represent the non-cash adjustment to the minimum lease payments from sales-type leases and lease financing receivables in order to recognize income on an effective interest basis at a constant rate of return over the term of the leases.

At June 30, 2024, minimum lease payments owed to us for each of the five succeeding years and thereafter under sales-type leases and our leases accounted for as financing receivables, are as follows:

<sup>(1)</sup> Minimum lease payments do not include contingent rent, as discussed above, that may be received under the lease agreements.

<sup>(2)</sup> The minimum lease payments and weighted average remaining lease term includes the non-cancelable lease term and any tenant renewal options that we determined were reasonably assured, consistent with our conclusions under ASC 842 and ASC 310.

**Lease Provisions**

As of June 30, 2024, we owned 93 assets leased under 18 separate lease agreements with our tenants, certain of which are master lease agreements governing multiple properties and certain of which are for single assets. Our lease agreements are generally long-term in nature with initial terms ranging from 15 to 32 years and are structured with several tenant renewal options extending the term of the lease for another 5 to 30 years. All of our lease agreements provide for annual base rent escalations, which may be fixed or variable over the life of the lease. The rent escalation provisions range from providing for a flat annual increase of 1% to 2% to an annual increase of 1% in the earlier years and the greater of 2% or CPI in later years, which may be subject to a maximum CPI-based cap with respect to each annual rent increase. Additionally, certain of our lease agreements provide for a variable rent component in which a portion of the annual rent, generally ranging from 20% to 30%, is subject to adjustment based on the revenues of the underlying asset in specified periods.

### Capital Expenditure Requirements

We manage our residual asset risk through protective covenants in our lease agreements, which require the tenant to, among other things, hold specific insurance coverage, engage in ongoing maintenance of the property and invest in capital improvements. With respect to the capital improvements, the lease agreements specify certain minimum amounts that our tenants must spend on capital expenditures that constitute installation, restoration and repair or other improvements of items with respect to the leased properties. The following table summarizes the capital expenditure requirements of our tenants under their respective lease agreements:

Provision	Caesars Regional Master Lease and Joliet Lease	Caesars Las Vegas Master Lease	MGM Grand/ Mandalay Bay Lease	Venetian Lease	All Other Gaming Leases <sup>(1)</sup>
Yearly minimum expenditure	1% of net revenues <sup>(2)</sup>	1% of net revenues <sup>(2)</sup>	3.5% of net revenues based on 5-year rolling test, 1.5% monthly reserves	2% of net revenues based on rolling three-year basis	1% of net revenues

<sup>(1)</sup> Represents the tenants under our other gaming lease agreements not specifically outlined in the table, as specified in the respective lease agreements.

<sup>(2)</sup> The leases with Caesars require a \$107.5 million floor on annual capital expenditures for Caesars Palace Las Vegas, Harrah's Joliet and the Caesars Regional Master Lease properties in the aggregate. Additionally, annual building & improvement capital improvements must be equal to or greater than 1% of prior year net revenues.

<sup>(3)</sup> Certain tenants under our leases with Caesars, as applicable, are required to spend \$380.3 million on capital expenditures (excluding gaming equipment) over a rolling three-year period, with \$286.0 million allocated to the regional assets, \$84.0 million allocated to Caesars Palace Las Vegas and the remaining balance of \$10.3 million to facilities (other than the Harrah's Las Vegas Facility) covered by any Caesars lease in such proportion as such tenants may elect. Additionally, the tenants under the Caesars Regional Master Lease and Joliet Lease are required to expend a minimum of \$531.9 million on capital expenditures (including gaming equipment) across certain of its affiliates and other assets, together with the \$380.3 million requirement.

*(1) The total allowance excludes the CECL allowance for unfunded commitments of our loans and for unfunded commitments made to our tenants to fund the development and construction of improvements at our properties. As of June 30, 2024 and December 31, 2023, such allowance is \$18.7 million and \$19.1 million, respectively, and is recorded in Other liabilities.*

The following chart reflects the roll-forward of the allowance for credit losses on our real estate portfolio for the three and six months ended June 30, 2024 and 2023:

During the three months ended June 30, 2024, we recognized a \$43.0 million decrease in our allowance for credit losses primarily driven by positive changes in the macroeconomic forecast during the current quarter and equity market performance of our tenants, both of which impact the reasonable and supportable period, or R&S Period, probability of default, or PD. This decrease was partially offset by adjustments made to the assumptions used to project future cash flows for one of our investments.

During the six months ended June 30, 2024, we recognized a \$63.9 million increase in our allowance for credit losses primarily driven by the market performance of our tenants and negative changes in the macroeconomic forecast during the period, both of which impact the R&S Period PD, as well as adjustments made to the assumptions used to project future cash flows for one of our investments.

**VICI PROPERTIES INC. AND VICI PROPERTIES L.P.**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**  
**(UNAUDITED)**

During the three months ended June 30, 2023, we recognized a \$41.4 million decrease in our allowance for credit losses primarily driven by the market performance of our tenants and positive changes in the macroeconomic forecast during the current quarter.

During the six months ended June 30, 2023, we recognized a \$70.1 million increase in our allowance for credit losses primarily driven by initial CECL allowances of \$229.6 million on our \$5.7 billion of property acquisition activity and \$4.5 million on our \$85.0 million of loan origination activity during such period, partially offset by the market performance of our tenants and positive changes in the macroeconomic forecast.

As of June 30, 2024 and December 31, 2023, and since our formation on October 6, 2017, all of our lease agreements and loan and security investments are current in payment of their obligations to us and no investments are on non-accrual status.

***Credit Quality Indicators***

We assess the credit quality of our investments through the credit ratings of the senior secured debt of the guarantors of our leases, as we believe that our lease agreements have a similar credit profile to a senior secured debt instrument. The credit quality indicators are reviewed by us on a quarterly basis as of quarter-end. In instances where the guarantor of one of our lease agreements does not have senior secured debt with a credit rating, we use either a comparable proxy company or the overall corporate credit rating, as applicable. We also use this credit rating to determine the Long-Term Period PD when estimating credit losses for each investment.

The following tables detail the amortized cost basis of our investments by the credit quality indicator we assigned to each lease or loan guarantor as of June 30, 2024 and 2023:

(1) Carrying value is net of unamortized original issue discount and unamortized debt issuance costs incurred in conjunction with debt.

(2) Borrowings under the Revolving Credit Facility bear interest at a rate based on a credit rating-based pricing grid with a range of 0.775% to 1.325% margin plus SOFR (or CORRA or SONIA, as applicable), depending on our credit ratings and total leverage ratio with an additional 0.10% adjustment for SOFR term loans and 0.29547% for CORRA daily simple loans, as applicable. Additionally, the commitment fees under the Revolving Credit Facility are calculated on a credit rating-based pricing grid with a range of 0.15% to 0.375%, depending on our credit ratings and total leverage ratio. For the three and six months ended June 30, 2024, the commitment fee for the Revolving Credit Facility averaged 0.210% and 0.230%, respectively.

(3) Interest rates represent the contractual interest rates adjusted to account for the impact of the forward-starting interest rate swaps and treasury locks (as further described in [Note 8 – Derivatives](#)). The contractual interest rates on the April 2022 Notes (as defined below) maturing 2028, 2030 and 2032 are 4.750%, 4.950% and 5.125%, respectively, and the contractual interest rate on the March 2024 Notes (as defined below) maturing 2034 is 5.750%.

**Senior Unsecured Notes**

As set forth in the above table, our outstanding senior unsecured notes consist of (i) \$2.25 billion aggregate principal amount of Senior Notes issued on November 26, 2019 (the “November 2019 Notes”), (ii) \$2.5 billion aggregate principal amount of Senior Notes issued on February 5, 2020 (the “February 2020 Notes”), (iii) \$5.0 billion aggregate principal amount of Senior Notes issued on April 29, 2022 (the “April 2022 Notes”), (iv) approximately \$3.1 billion aggregate principal amount of Senior Notes issued on April 29, 2022, in each case issued by VICI LP and VICI Note Co. Inc. (the “Exchange Notes”), (v) approximately \$64.2 million aggregate principal amount of Senior Notes, which were originally issued by MGM Growth Properties Operating Partnership LP and a co-issuer (the “MGP OP Notes”) and remain outstanding following the issuance of the Exchange Notes pursuant to the exchange offer and consent solicitation for the then-outstanding MGP OP Notes, which settled in connection with the completion of our acquisition of MGM on April 29, 2022 and (vi) \$1.05 billion aggregate principal amount of Senior Notes issued on March 18, 2024 (the “March 2024 Notes”), comprised of (a) \$550.0 million aggregate principal amount of 5.750% Senior Notes due 2034, which mature on April 1, 2034, and (b) \$500.0 million aggregate principal amount of 6.125% Senior Notes due 2054, which mature on April 1, 2054. We used the net proceeds of the March 2024 Notes to redeem our then-outstanding (i) \$1,024.2 million in aggregate principal amount of the 5.625% Senior Notes due 2024, and (ii) \$25.8 million in aggregate principal amount of the 5.625% MGP OP Notes due 2024. The outstanding November 2019 Notes, February 2020 Notes, April 2022 Notes, Exchange Notes, MGP OP Notes, and March 2024 Notes are collectively referred to as the “Senior Unsecured Notes”.

Subject to the terms and conditions of the respective indentures, each series of Senior Unsecured Notes is redeemable at our option, in whole or in part, at any time for a specified period prior to the maturity date of such series at the redemption prices set forth in the respective indenture governing such series. In addition, we may redeem some or all of such notes prior to such respective dates at a price equal to 100% of the principal amount thereof plus a “make-whole” premium.

**Guarantee and Financial Covenants**

None of the Senior Unsecured Notes are guaranteed by any subsidiaries of VICI LP. The Exchange Notes, the MGP OP Notes, the April 2022 Notes and the March 2024 Notes benefit from a pledge of the limited partnership interests of VICI LP directly owned by VICI OP (the “Limited Equity Pledge”). The Limited Equity Pledge has also been granted in favor of (i) the administrative agent and the lenders under the Credit Agreement (as defined below), and (ii) the trustee under the indentures governing, and the holders of, the November 2019 Notes and the February 2020 Notes.

Pursuant to the terms of the respective indentures, in the event that the November 2019 Notes, February 2020 Notes and Exchange Notes (i) are rated investment grade by at least two of S&P, Moody’s and Fitch and (ii) no default or event of default has occurred and is continuing under the respective indentures, VICI LP and its restricted subsidiaries will no longer be subject to certain of the restrictive covenants under such indentures. On April 18, 2022, the November 2019 Notes, February 2020 Notes and Exchange Notes were rated investment grade by each of S&P and Fitch and VICI LP notified the Trustee of such Suspension Date (as defined in the indentures). Accordingly, VICI LP and its restricted subsidiaries are no longer subject to certain of the restrictive covenants under such indentures, but are subject to a maintenance covenant requiring VICI LP and its restricted subsidiaries to maintain a certain total unencumbered assets to unsecured debt ratio. In the event that the November 2019 Notes, February 2020 Notes and Exchange Notes are no longer rated investment grade by at least two of S&P, Moody’s

and Fitch, then VICI LP and its restricted subsidiaries will again be subject to all of the covenants of the respective indentures, as applicable, but will no longer be subject to the maintenance covenant.

The indenture governing the April 2022 Notes and March 2024 Notes contains certain covenants that limit the ability of VICI LP and its subsidiaries to incur secured and unsecured indebtedness and limit VICI LP's ability to consummate a merger, consolidation or sale of all or substantially all of its assets. In addition, VICI LP is required to maintain total unencumbered assets of at least 150% of total unsecured indebtedness. These covenants are subject to a number of important exceptions and qualifications.

***Unsecured Credit Facilities***

On February 8, 2022, we entered into a credit agreement by and among VICI LP, the lenders party thereto, and JPMorgan Chase Bank, N.A., as administrative agent, as amended from time to time ("Credit Agreement"), providing for a revolving credit facility in the amount of \$2.5 billion scheduled to mature on March 31, 2026 ("Revolving Credit Facility").

The Revolving Credit Facility includes two six-month maturity extension options the exercise of which is subject to customary conditions and the payment of an extension fee of 0.0625% on the extended commitments. Additionally, the Revolving Credit Facility includes the option to increase the revolving loan commitments by up to \$1.0 billion to the extent that any one or more lenders (from the syndicate or otherwise) agree to provide such additional credit extensions. On July 15, 2022, the Credit Agreement was amended pursuant to a First Amendment among VICI LP and the lenders party thereto, in order to permit borrowings under the Revolving Credit Facility in certain foreign currencies in an aggregate principal amount of up to the equivalent of \$1.25 billion. On August 4, 2023, the Credit Agreement was amended pursuant to a Second Amendment among VICI LP and the lenders party thereto, in order to replace certain of the participating lenders. On June 17, 2024, the Credit Agreement was amended pursuant to a Third Amendment among VICI LP and the lenders party thereto, in order to effectuate appropriate references to the Canadian Overnight Repo Rate Average ("CORRA") as the applicable reference rate with respect to Canadian dollar borrowings under the Revolving Credit Facility.

Borrowings under the Revolving Credit Facility will bear interest, at VICI LP's option, at a benchmark rate based on SOFR (or CORRA for Canadian dollars or SONIA for Sterling) (including a credit spread adjustment) plus a margin ranging from 0.775% to 1.325% or a base rate (or Canadian prime rate for Canadian dollars) plus a margin ranging from 0.00% to 0.325%, in each case, with the actual margin determined according to VICI LP's debt ratings and total leverage ratio. The base rate is the highest of (i) the prime rate of interest last quoted by the Wall Street Journal in the U.S. then in effect, (ii) the NYFRB rate from time to time plus 0.5% and (iii) the SOFR rate for a one-month interest period plus 1.0%, subject in each case to a floor of 1.0%. The Canadian prime rate is the highest of (i) the PRIMCAN Index rate and (ii) the average rate for thirty-day Canadian Dollar bankers' acceptance quoted by Reuters plus 1.0%, subject in each case to a floor of 1.0%. In addition, the Revolving Credit Facility requires the payment of a facility fee ranging from 0.15% to 0.375% (depending on VICI LP's debt rating and total leverage ratio) of total revolving commitments.

Pursuant to the terms of the Credit Agreement, VICI LP is subject to, among other things, customary covenants and the maintenance of various financial covenants. The Credit Agreement is consistent with certain tax-related requirements related to security for the Company's debt.

In connection with our Canadian and United Kingdom foreign currency transactions, we've drawn C\$215.0 million and £9.0 million, respectively, on the Revolving Credit Facility, the balances of which remain outstanding as of June 30, 2024.

***MGM Grand/Mandalay Bay CMBS Debt***

On January 9, 2023, as a result of our acquisition of the remaining 49.9% interest in the MGM Grand/Mandalay Bay JV ("MGM Grand/Mandalay Bay JV Interest Acquisition"), we consolidated the assets and liabilities of the MGM Grand/Mandalay Bay JV, which includes the \$3.0 billion in principal amount of outstanding CMBS debt (the "MGM Grand/ Mandalay Bay CMBS Debt"). The MGM Grand/Mandalay Bay CMBS Debt was originally incurred on February 14, 2020 pursuant to a loan agreement (as amended from time to time, the "MGM Grand/Mandalay Bay CMBS Loan Agreement"), and is secured primarily by mortgages on certain affiliates of the MGM Grand/Mandalay Bay JV's fee interest in the real estate assets related to the MGM Grand Las Vegas and the Mandalay Bay Resort and Casino. The MGM Grand/Mandalay Bay CMBS Debt matures in March 2032 and bears interest at 3.558% per annum until March 2030 at which time the rate can change in accordance with the terms of the MGM Grand Mandalay Bay CMBS Loan Agreement until maturity. The MGM Grand/Mandalay Bay CMBS Loan Agreement contains certain customary affirmative and negative covenants and events of default, including, among other things, restrictions on the ability of the MGM Grand/Mandalay Bay JV and certain of its affiliates to

**(UNAUDITED)**

incur additional debt and transfer, pledge or assign certain equity interests or its assets, and covenants requiring certain affiliates of the MGM Grand/Mandalay Bay JV to exist as “special purpose entities,” maintain certain ongoing reserve funds and comply with other customary obligations for commercial mortgage-backed securities loan financings.

### **Financial Covenants**

As described above, our debt obligations are subject to certain customary financial and protective covenants that restrict VICI LP, VICI PropCo and its subsidiaries’ ability to incur additional debt, sell certain asset and restrict certain payments, among other things. These covenants are subject to a number of exceptions and qualifications, including the ability to make restricted payments to maintain our REIT status. At June 30, 2024, we were in compliance with all financial covenants under our debt obligations.

### **Note 8 — Derivatives**

The following table details our outstanding interest rate derivatives that were designated as cash flow hedges of interest rate risk as of December 31, 2023. As of June 30, 2024, there were no derivative instruments outstanding. Subsequent to quarter-end, during July 2024, we entered into two forward-starting interest rate swap agreements for an aggregate notional amount of \$100.0 million to hedge against changes in future cash flows resulting from changes in interest rates from the trade date through the forecasted issuance of senior unsecured notes expected to be issued in connection with the refinancing of our senior unsecured notes maturing in 2025.

*(\$ In thousands)*

Instrument	December 31, 2023				
	Number of Instruments	Fixed Rate	Notional	Index	Maturity
Forward-starting interest rate swap	7	3.6685%	\$ 500,000	USD SOFR- COMPOUND	March 6, 2034

### **Forward-Starting Derivatives**

We have entered into, and subsequently settled, the following forward-starting derivatives and U.S. Treasury Rate Lock agreements to hedge against changes in future cash flows resulting from changes in interest rates from the trade date through the forecasted issuance of the respective senior unsecured notes. In each case, the derivatives were designated as cash-flow hedges and, accordingly, the unrealized gain in Accumulated other comprehensive income is amortized over the term of the respective derivative instruments, which matches that of the underlying note, as a reduction in interest expense.

- In connection with our March 2024 Notes offering, we entered into seven forward-starting interest rate swap agreements for a total aggregate notional amount of \$500.0 million, which we settled in March 2024 for total net proceeds of \$2.8 million.
- In connection with our April 2022 Notes offering, we entered into five forward-starting interest rate swap agreements with an aggregate notional amount of \$2.5 billion and two U.S. Treasury Rate Lock agreements with an aggregate notional amount of \$500.0 million, which we settled in April 2022 for total net proceeds of \$206.8 million.

The following table presents the effect of our forward-starting derivative financial instruments on our Statement of Operations:

<i>(In thousands)</i>	Three Months Ended June 30,		Six Months Ended June 30,	
	2024	2023	2024	2023

Reduction in interest expense related to the amortization of the forward-starting interest rate swaps and treasury locks	(6,384)	(6,037)	(12,430)	(12,074)

### **Net Investment Hedges**

In connection with our foreign transactions in Canada and the United Kingdom, we drew C\$215.0 million and £9.0 million, respectively, on the Revolving Credit Facility, which draws were used to reduce the impact of exchange rate variations associated with our investments, and, accordingly, have been designated as a hedge of the net investment in such entities. As non-derivative net investment hedges, the impact of changes in foreign currency exchange rates on the principal balances are recognized as a cumulative translation adjustment within accumulated other comprehensive income. For the three and six

months ended June 30, 2024, we recognized \$1.2 million and \$4.8 million, respectively, in unrealized gains related to such net investment hedges, and for the three and six months ended June 30, 2023, we recognized \$2.2 million and \$4.6 million, respectively, in unrealized losses related to such net investment hedges, which were recorded as a component of Foreign currency translation adjustments in the Statement of Operations.

## Note 9 — Fair Value

The following table summarizes our assets and liabilities measured at fair value on a recurring basis as of December 31, 2023. As of June 30, 2024, there were no assets or liabilities measured at fair value on a recurring basis.

<i>(In thousands)</i>	December 31, 2023

(1) The fair values of our interest rate swap derivative instruments were estimated using advice from a third-party derivative specialist, based on contractual cash flows and observable inputs comprising interest rate curves and credit spreads, which are Level 2 measurements as defined under ASC 820.

The estimated fair values of our financial instruments as of June 30, 2024 and December 31, 2023 for which fair value is only disclosed are as follows:

(1) Represents our asset acquisitions structured as sale leaseback transactions. In accordance with ASC 842, since the lease agreements were determined to meet the definition of a sales-type lease and control of the asset is not considered to have been transferred to us, such lease agreements are accounted for as financings under ASC 310. Except as noted below, the fair value of these assets is based on significant “unobservable” market inputs and, as such, these fair value measurements are considered Level 3 of the fair value hierarchy. In relation to the master lease agreement for the Bowlero portfolio and the lease agreement for Chelsea Piers, given the proximity of the date of our investment to the date of the Financial Statements, we determined that the fair value materially approximates the purchase price of the acquisition of these financial assets.

(2) The fair value of investments in loans is based on significant “unobservable” market inputs and, as such, these fair value measurements are considered Level 3 of the fair value hierarchy. The fair value of our senior secured notes was estimated using quoted prices for identical or similar liabilities in markets that are not active and, as such, these fair value measurements are considered Level 2 of the fair value hierarchy.

(3) The fair value of our debt instruments was estimated using quoted prices for identical or similar liabilities in markets that are not active and, as such, these fair value measurements are considered Level 2 of the fair value hierarchy.

## Note 10 — Commitments and Contingent Liabilities

### Litigation

In the ordinary course of business, from time to time, we may be subject to legal claims and administrative proceedings. As of June 30, 2024, we are not subject to any litigation that we believe could have, individually or in the aggregate, a material adverse effect on our business, financial condition or results of operations, liquidity or cash flows.

### Lease Commitments

- **Operating Lease Commitments.** We are liable under various operating leases for: (i) land at the Cascata golf course, which expires in 2038 and has three 10-year extension options, and (ii) our corporate headquarters in New York, NY, which expires in 2035 and has one five-year renewal option.
- **Sub-Lease Commitments.** Certain of our acquisitions necessitate that we assume, as the lessee, ground and use leases that are integral to the operations of the property, the cost of which is passed to our tenants through our lease agreements, which require the tenants to pay all costs associated with such ground and use leases and provide for their direct payment to the landlord.

We have determined we are the primary obligor of certain of such ground and use leases and, accordingly, have presented these leases on a gross basis on our Balance Sheet and Statement of Operations.

For the ground and use leases determined to be operating leases, we recorded a sub-lease right-of-use assets in Other assets and sub-lease liabilities in Other liabilities. For ground and lease uses determined to be finance leases, we recorded a sales-type sub-lease in Other assets and finance sub-lease liability in Other liabilities.

The following table details the balance and location in our Balance Sheet of the ground and use sub-leases as of June 30, 2024 and December 31, 2023:

## Note 11 — Stockholders' Equity

### Stock

#### Authorized

As of June 30, 2024, we have the authority to issue 1,400,000,000 shares of stock, consisting of 1,350,000,000 shares of common stock, \$0.01 par value per share, and 50,000,000 shares of preferred stock, \$0.01 par value per share.

#### Public Offerings

From time to time, we offer shares of our common stock through public offerings registered with the SEC. In connection with such offerings, we may issue and sell the offered shares of common stock upon settlement of the offering or, alternatively, enter into forward sale agreements with respect to all or a portion of the shares of common stock sold in such public offerings, pursuant to which the offered shares are borrowed by the forward sale purchasers and the issuance of such shares takes place upon settlement of the applicable forward sale agreement in accordance with its terms.

#### Forward Offerings

The following table summarizes our marketed public offering activity subject to forward sale agreements during the three and six months ended June 30, 2023. There was no marketed public forward offering activity during the three and six months ended June 30, 2024.

**VICI PROPERTIES INC. AND VICI PROPERTIES L.P.**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**  
**(UNAUDITED)**

As of June 30, 2024, we did not have any shares outstanding from our marketed public forward offerings subject to forward sale agreements. Refer to “At-the-Market Offering Program” below for information regarding the share activity and shares outstanding under our ATM Program (as defined below). Refer to “Forward Settlement Activity” below for information regarding the settlement of the forward offerings.

We did not receive any proceeds from the sale of shares at the time we entered into the forward sale agreement. We determined that the forward sale agreement meets the criteria for equity classification and, therefore, is exempt from derivative accounting. We recorded the forward sale agreement at fair value at inception, which we determined to be zero. Subsequent changes to fair value are not required under equity classification.

***At-the-Market Offering Program***

On May 6, 2024, we entered into an equity distribution agreement, pursuant to which we may sell, from time to time, up to an aggregate sales price of \$2.0 billion of our common stock and concurrently terminated our previous equity distribution agreement (collectively under both equity distribution agreements, the “ATM Program”). Sales of common stock, if any, made pursuant to the ATM Program may be sold in negotiated transactions or transactions that are deemed to be “at the market” offerings, as defined in Rule 415 of the Securities Act. The ATM Program also provides that the Company may sell shares of its common stock under the ATM Program through forward sale contracts. Actual sales under the ATM Program will depend on a variety of factors including market conditions, the trading price of our common stock, our capital needs, and our determination of the appropriate sources of funding to meet such needs.

The following table summarizes our activity under the ATM Program during the six months ended June 30, 2024 and 2023, all of which were sold subject to forward sale agreements.

<i>(In thousands, except share and per share data)</i>	Number of Shares	Weighted Average Share Price	Aggregate Value	Net Forward Sales Price Per Share	Aggregate Net Value
June 2023 ATM Forward Sale Agreement	327,306	\$ 32.36	\$ 10,600	\$ 31.71	\$ 10,400
January 2024 ATM Forward Sale Agreement	9,662,116	\$ 31.61	\$ 305,466	\$ 31.30	\$ 302,411

We did not receive any proceeds from the sale of shares at the time we entered into each of the June 2023 and January 2024 ATM Forward Sale Agreements. We determined that the June 2023 ATM Forward Sale Agreement and January 2024 ATM Forward Sale Agreement meet the criteria for equity classification and, therefore, are exempt from derivative accounting. We recorded the June 2023 ATM Forward Sale Agreement and January 2024 ATM Forward Sale Agreement at fair value at inception, which we determined to be zero. Subsequent changes to fair value are not required under equity classification.

As of June 30, 2024, we had approximately 22.9 million forward shares remaining to be settled under our ATM Program. The net forward sales price per share of forward shares under the ATM Program was \$29.79 and would result in us receiving approximately \$681.0 million in net cash proceeds if we were to physically settle the shares. Alternatively, if we were to cash settle the shares under the ATM Program, it would result in a cash inflow of \$26.4 million, or, if we were to net share settle the shares under the January 2024 ATM Forward Sale Agreement, it would result in us receiving approximately 921,658 shares of common stock.

Subsequent to quarter-end, on July 1, 2024, we physically settled 4,000,000 forward shares under the ATM Program in exchange for total net settlement proceeds of approximately \$115.2 million.

**Note 12 — Earnings Per Share and Earnings Per Unit**

**Earnings Per Share**

Basic earnings per share is computed by dividing net income attributable to common stockholders by the weighted-average number of shares of common stock outstanding during the period. Diluted earnings per share reflects the additional dilution for all potentially dilutive securities such as stock options, unvested restricted shares, unvested performance-based restricted shares and the shares to be issued by us upon settlement of any outstanding forward sale agreements for the period such dilutive security is outstanding. The shares issuable upon settlement of any outstanding forward sale agreements, as described in [Note 11 – Stockholder’s Equity](#), are reflected in the diluted earnings per share calculations using the treasury stock method for the period outstanding prior to settlement. Under this method, the number of shares of our common stock used in calculating diluted earnings per share is deemed to be increased by the excess, if any, of the number of shares of common stock that would be issued upon full physical settlement of the shares under any outstanding forward sale agreements for the period prior to settlement over the number of shares of common stock that could be purchased by us in the market (based on the average market price during the period prior to settlement) using the proceeds receivable upon full physical settlement (based on the adjusted forward sales price immediately prior to settlement).

The following tables reconcile the weighted-average shares of common stock outstanding used in the calculation of basic earnings per share to the weighted-average shares of common stock outstanding used in the calculation of diluted earnings per share:

The following section presents the basic earnings per unit (“EPU”) and diluted EPU of VICI OP, our operating partnership and the direct parent and 100% interest holder in VICI LP. VICI LP’s interests are not expressed in units. However, given that VICI OP has a unit ownership structure and the financial information of VICI OP is substantially identical with that of VICI LP, we have elected to present the EPU of VICI OP. Basic EPU is computed by dividing net income attributable to partners’ capital by the weighted-average number of units outstanding during the period. In accordance with the VICI OP limited liability company agreement, for each share of common stock issued at VICI, a corresponding unit is issued by VICI OP. Accordingly, diluted EPU reflects the additional dilution for all potentially dilutive units resulting from potentially dilutive VICI stock issuances, such as options, unvested restricted stock awards, unvested performance-based restricted stock unit awards and units to be issued by us upon settlement of any outstanding forward sale agreements of VICI for the period such dilutive security is outstanding. The units issuable upon settlement of any outstanding forward sale agreements of VICI are reflected in the diluted EPU calculations using the treasury stock method for the period outstanding prior to settlement. Under this method, the number of units used in calculating diluted EPU is deemed to be increased by the excess, if any, of the number of units that would be issued upon full physical settlement of the units under any outstanding forward sale agreements for the period prior to settlement over the number of shares of VICI common stock that could be purchased by us in the market (based on the average market price during the period prior to settlement) using the proceeds receivable upon full physical settlement (based on the adjusted forward sales price immediately prior to settlement). Upon VICI’s physical settlement of the shares of VICI common stock under the outstanding forward sale agreement, the delivery of shares of VICI common stock resulted in an increase in the number of VICI OP Units outstanding and resulting dilution to EPU.

The following tables reconcile the weighted-average units outstanding used in the calculation of basic EPU to the weighted-average units outstanding used in the calculation of diluted EPU:

**Note 13 — Stock-Based Compensation**

The 2017 Stock Incentive Plan (the “Plan”) is designed to provide long-term equity-based compensation to our directors and employees. The Plan is administered by the Compensation Committee of the Board of Directors. Awards under the Plan may be granted with respect to an aggregate of 12,750,000 shares of common stock and may be issued in the form of: (a) incentive stock options, (b) non-qualified stock options, (c) stock appreciation rights, (d) dividend equivalent rights, (e) restricted stock, (f) restricted stock units or (g) unrestricted stock. In addition, the Plan limits the total number of shares of common stock with respect to which awards may be granted to any employee or director during any one calendar year. At June 30, 2024, approximately 9.6 million shares of common stock remained available for issuance by us as equity awards under the Plan.

The following table details the stock-based compensation expense recorded as General and administrative expense in the Statement of Operations:

Certain statements in this Quarterly Report on Form 10-Q, including statements such as “anticipate,” “believe,” “estimate,” “expect,” “intend,” “plan,” “project,” “target,” “can,” “could,” “may,” “should,” “will,” “would” or similar expressions, which constitute “forward-looking statements” within the meaning of the federal securities law. Forward-looking statements are based on our current plans, expectations and projections about future events. We therefore caution you against relying on any of these forward-looking statements. They give our expectations about the future and are not guarantees. These statements involve known and unknown risks, uncertainties and other factors that may cause our actual results, performance and achievements to materially differ from any future results, performance and achievements expressed in or implied by such forward-looking statements.

The forward-looking statements included herein are based upon our current expectations, plans, estimates, assumptions and beliefs that involve numerous risks and uncertainties. Assumptions relating to the foregoing involve judgments with respect to, among other things, future economic, competitive and market conditions and future business decisions, all of which are difficult or impossible to predict accurately and many of which are beyond our control. Although we believe that the expectations reflected in such forward-looking statements are based on reasonable assumptions, our actual results, performance and achievements could differ materially from those set forth in the forward-looking statements and may be affected by a variety of risks and other factors, including, among others: the impact of changes in general economic conditions and market developments, including inflation, interest rates, supply chain disruptions, consumer confidence levels, changes in consumer spending, unemployment levels and depressed real estate prices resulting from the severity and duration of any downturn in the U.S. or global economy; the impact of increased interest rates on us, including our ability to successfully pursue investments in, and acquisitions of, additional properties and to obtain debt financing for such investments at attractive interest rates, or at all; risks associated with our recently closed transactions, including our ability or failure to realize the anticipated benefits thereof; our dependence on our tenants at our properties and their affiliates that serve as guarantors of the lease payments, and the negative consequences any material adverse effect on their respective businesses could have on us; the possibility that any future transactions may not be consummated on the terms or timeframes contemplated, or at all, including our ability to obtain the financing necessary to complete any acquisitions on the terms we expect in a timely manner, or at all, the ability of the parties to satisfy the conditions set forth in the definitive transaction documents, including the receipt of, or delays in obtaining, governmental and regulatory approvals and consents required to consummate such transactions, or other delays or impediments to completing the transactions; the anticipated benefits of certain arrangements with certain tenants in connection with our funding of “same store” capital improvements in exchange for increased rent pursuant to the terms of our agreements with such tenants, which we refer to as the Partner Property Growth Fund; our decision and ability to exercise our purchase rights under our put-call agreements, call agreements, right of first refusal agreements and right of first offer agreements; our borrowers' ability to repay their outstanding loan obligations to us; our dependence on the gaming industry; our ability to pursue our business and growth strategies may be limited by the requirement that we distribute 90% of our REIT taxable income in order to qualify for taxation as a REIT and that we distribute 100% of our REIT taxable income in order to avoid current entity-level U.S. federal income taxes; the impact of extensive regulation from gaming and other regulatory authorities; the ability of our tenants to obtain and maintain regulatory approvals in connection with the operation of our properties, or the imposition of conditions to such regulatory approvals; the possibility that our tenants may choose not to renew their respective lease agreements following the initial or subsequent terms of the leases; restrictions on our ability to sell our properties subject to the lease agreements; our tenants and any guarantors' historical results may not be a reliable indicator of their future results; our substantial amount of indebtedness, and ability to service, refinance and otherwise fulfill our obligations under such indebtedness; our historical financial information may not be reliable indicators of, our future results of operations, financial condition and cash flows; the possibility that we identify significant environmental, tax, legal or other issues, including additional costs or liabilities, that materially and adversely impact the value of assets acquired or secured as collateral (or other benefits we expect to receive) in any of our recently completed transactions; the impact of changes to the U.S. federal income tax laws; the possibility of adverse tax consequences as a result of our recently completed transactions, including tax protection agreements to which we are a party; increased volatility in our stock price, including as a result of our recently completed transactions; our inability to maintain our qualification for taxation as a REIT; the impact of climate change, natural disasters, war, political and public health conditions or uncertainty or civil unrest, violence or terrorist activities or threats on our

properties and changes in economic conditions or heightened travel security and health measures instituted in response to these events; the loss of the services of key personnel; the inability to attract, retain and motivate employees; the costs and liabilities associated with environmental compliance; failure to establish and maintain an effective system of integrated internal controls; our reliance on distributions received from our subsidiaries, including VICI OP, to make distributions to our stockholders; the potential impact on the amount of our cash distributions if we were to sell any of our properties in the future; our ability to continue to make distributions to holders of our common stock or maintain anticipated levels of distributions over time; competition for transaction opportunities, including from other REITs, investment companies, private equity firms and hedge funds, sovereign funds, lenders, gaming companies and other investors that may have greater resources and access to capital and a lower cost of capital or different investment parameters than us; and additional factors discussed herein and listed from time to time as “Risk Factors” in our filings with the SEC, including without limitation, in our Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K.

Any of the assumptions underlying forward-looking statements could be inaccurate. You are cautioned not to place undue reliance on any forward-looking statements. All forward-looking statements are made as of the date of this Quarterly Report on Form 10-Q and the risk that actual results, performance and achievements will differ materially from the expectations expressed herein will increase with the passage of time. Except as otherwise required by the Federal securities laws, we undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, changed circumstances or any other reason. In light of the significant uncertainties inherent in forward-looking statements, the inclusion of such forward-looking statements should not be regarded as a representation by us.

## OVERVIEW

We are a Maryland corporation that is primarily engaged in the business of owning and acquiring gaming, hospitality and entertainment destinations, subject to long-term triple net leases. We own 93 experiential assets across a geographically diverse portfolio consisting of 54 gaming properties and 39 other experiential properties across the United States and Canada, including Caesars Palace Las Vegas, MGM Grand and the Venetian Resort, three of the most iconic entertainment facilities on the Las Vegas Strip. Our properties are occupied by industry-leading gaming, leisure and hospitality operators under long-term, triple-net lease agreements. Across approximately 127 million square feet, our well-maintained properties are currently located across urban, destination and drive-to markets in twenty-six states and Canada, contain approximately 60,300 hotel rooms and feature over 500 restaurants, bars, nightclubs and sportsbooks.

We also have a growing array of real estate and financing partnerships with leading operators in other experiential sectors, including Bowlero, Cabot, Canyon Ranch, Chelsea Piers, Great Wolf Resorts, Homefield, and Kalahari Resorts. This portfolio includes certain real estate debt investments that we have originated for strategic reasons, primarily in connection with transactions that either do or may provide the potential to convert our investment into the ownership of certain of the underlying real estate in the future. In addition, we own approximately 33 acres of undeveloped or underdeveloped land on and adjacent to the Las Vegas Strip that is leased to Caesars, which we may look to monetize as appropriate. As of June 30, 2024, our properties are 100% leased with a weighted average lease term, including extension options, of approximately 41.2 years. VICI also owns four championship golf courses located near certain of our properties, two of which are in close proximity to the Las Vegas Strip.

We believe we have a mutually beneficial relationship with each of our tenants, all of which are leading owners and operators of gaming, entertainment and leisure properties. Our long-term triple-net lease agreements with our tenants provide us with a highly predictable revenue stream with embedded growth potential. We believe our geographic diversification limits the effect of changes in any one market on our overall performance. We are focused on driving long-term total returns through managing experiential asset growth and allocating capital diligently, maintaining a highly productive tenant base, and optimizing our capital structure to support external growth. As a growth focused public real estate investment trust with long-term investments, we expect our relationship with our partners will position us for the acquisition of additional properties across leisure and hospitality over the long-term.

Our portfolio is competitively positioned and well-maintained. Pursuant to the terms of our lease agreements, which require our tenants to invest in our properties, and in line with our tenants’ commitment to build guest loyalty, we anticipate our tenants will continue to make strategic value-enhancing investments in our properties over time, helping to maintain their competitive position. Our long-term triple-net leases provide our tenants with complete control over management at our leased properties, including sole responsibility for all operations and related expenses, including property taxes, insurance and maintenance, repair, improvement and other capital expenditures, as well as over the implementation of environmental sustainability and other initiatives.

We conduct our operations as a REIT for U.S. federal income tax purposes. We generally will not be subject to U.S. federal income taxes on our taxable income to the extent that we annually distribute all of our net taxable income to stockholders and maintain our qualification as a REIT. We believe VICI's election of REIT status, combined with the income generation from the lease agreements and loans, will enhance our ability to make distributions to our stockholders, providing investors with current income as well as long-term growth, subject to the macroeconomic environment, other global events and market conditions more broadly. We conduct our real property business through VICI OP and our golf course business through a TRS, VICI Golf.

The financial information included in this Quarterly Report on Form 10-Q is our consolidated results (including the real property business and the golf course business) for the three and six months ended June 30, 2024.

### ***Impact of Material Trends on Our Business***

Recent macroeconomic volatility has introduced significant uncertainty and heightened risk for businesses, including us and our tenants, including the impact of recent interest rate increases, inflation and increased cost of capital. Our tenants also face additional challenges, including potential changes in consumer confidence levels, which may impact behavior and spending, and increased operational expenses, such as with respect to labor or energy costs. As a triple-net lessor, increased operational expenses at our leased properties are borne by our tenants and do not directly impact their rent obligations (other than with respect to underlying inflation as applied to the CPI-based escalators) or other obligations under our lease agreements. As a triple-net lessor, we believe we are generally in a strong creditor position and structurally insulated from operational and performance impacts of our tenants, both positive and negative. However, the full extent to which these trends adversely affect our tenants and/or ultimately impact us depends on future developments that cannot be predicted with confidence, including our tenants' financial performance, the direct and indirect effects of such trends (including among other things, interest rate changes, inflation, economic recessions, consumer confidence levels and general conditions in the capital and credit markets) and the impact of any future measures taken in response to such trends on our tenants.

For more information, refer to the sections entitled "Key Trends That May Affect Our Business" and "Risk Factors" in our [Annual Report on Form 10-K for the year ended December 31, 2023](#) and as updated from time to time in our other filings with the SEC.

## **SIGNIFICANT ACTIVITIES DURING 2024**

### **Acquisition and Leasing Activity**

- ***Venetian Capital Investment.*** On May 1, 2024, we entered into agreements to fund up to \$700.0 million of capital investment into our Venetian Resort for extensive reinvestment projects through our Partner Property Growth Fund strategy (the "Venetian Capital Investment"). The invested capital will earn a return through the addition of incremental rent to the Venetian Lease. The up to \$700.0 million of funding through the Venetian Capital Investment is comprised of \$400.0 million to be funded in 2024 and an incremental \$300.0 million that the Venetian Resort will have the option, but not the obligation, to draw in whole or in part until November 1, 2026. The initial \$400.0 million investment was or is being funded based on a fixed schedule: \$100.0 million was funded in the second quarter of 2024, \$150.0 million was funded in the third quarter of 2024 and \$150.0 million will be funded in the fourth quarter of 2024. The previous Property Growth Fund Agreement entered into with the tenant in connection with the Venetian Resort acquisition providing for up to \$1.0 billion of future development and construction project funding was concurrently terminated.

In connection with the Venetian Capital Investment, annual rent under the Venetian Lease will increase commencing on the first day of the quarter immediately following each capital funding at a 7.25% yield (the "Incremental Venetian Rent"). In addition to any increase pursuant to the Incremental Venetian Rent, annual rent under the Venetian Lease will begin escalating annually at 2.0% on March 1, 2029 and, commencing on March 1, 2031, will begin escalating on the same terms as the rest of the rent payable under the Venetian Lease with annual escalation equal to the greater of 2.0% or CPI, capped at 3.0%. Subsequent to quarter end, on July 1, 2024, the aggregate annual rent under the Venetian Lease increased by \$7.3 million as a result of the first \$100.0 million funding.

## Real Estate Debt Origination Activity

The following table summarizes our real estate debt origination activity (each as defined in the column titled “Real Estate Debt Investment”) for the six months ended June 30, 2024:

(In millions)

Real Estate Debt Investment	Date	Investment Type	Maximum Principal Amount	Collateral
Great Wolf Mezzanine Loan <sup>(1)</sup>	May 9, 2024	Mezzanine Loan	\$ 250.0	Portfolio of nine Great Wolf Lodge resorts across the United States
Chelsea Piers One Madison Loan	February 7, 2024	Senior Secured Loan	10.0	Certain equipment of the fitness club at the One Madison building in New York, New York, under development
Homefield Margaritaville Loan	January 23, 2024	Senior Secured Loan	105.0	Margaritaville Resort in Kansas City, Kansas, under development
<b>Total</b>			<b>\$ 365.0</b>	

(1) In connection with the Great Wolf Mezzanine Loan origination, the \$79.5 million mezzanine loan for Great Wolf Lodge Maryland was repaid in full.

## Financing and Capital Markets Activity

- At-The-Market Offering Program.** During the six months ended June 30, 2024, we sold an aggregate of approximately 9.7 million shares under the ATM Program, all of which were subject to a forward sale agreement, for estimated aggregate total proceeds of \$302.4 million based on the initial forward sale price of \$31.30. We did not initially receive any proceeds from the sale of the shares of common stock under the ATM Program, which were sold to the underwriters by the forward purchasers or their respective affiliates. Subsequent to quarter-end, on July 1, 2024, we physically settled 4,000,000 forward shares under the ATM Program in exchange for total net settlement proceeds of approximately \$115.2 million.
- Senior Unsecured Notes Offering.** On March 18, 2024, VICI LP issued (i) \$550.0 million in aggregate principal amount of 5.750% Senior Notes due 2034, which mature on April 1, 2034 and (ii) \$500.0 million in aggregate principal amount of 6.125% Senior Notes due 2054, which mature on April 1, 2054, in each case under a supplemental indenture dated as of March 18, 2024, between VICI LP and the Trustee. We used the net proceeds of the offering to redeem (i) \$1,024.2 million in aggregate principal amount of 5.625% Senior Notes due May 1, 2024 and (ii) \$25.8 million in aggregate principal amount of 5.625% Senior Notes due May 1, 2024.
- Forward-Starting Interest Rate Swaps.** On March 11, 2024, we settled the seven outstanding forward-starting interest rate swap agreements with an aggregate notional amount of \$500.0 million resulting in net proceeds of \$2.8 million. Since the forward-starting swaps were hedging the interest rate risk on the March 2024 Notes, the unrealized gain in Accumulated other comprehensive income is being amortized over the term of the respective derivative instruments, which matches that of the underlying note, as a decrease in interest expense. Subsequent to quarter-end, during July 2024, we entered into two forward-starting interest rate swap agreements for an aggregate notional amount of \$100.0 million to hedge against changes in future cash flows resulting from changes in interest rates from the trade date through the forecasted issuance of senior unsecured notes expected to be issued in connection with the refinancing of our senior unsecured notes maturing in 2025.

## RESULTS OF OPERATIONS

Further, Golf revenues and Golf expenses, which are wholly attributable to VICI and not VICI LP, are shown as separate line items in the Statement of Operations of VICI.

<sup>(1)</sup> Represents our asset acquisitions structured as sale leaseback transactions. In accordance with ASC 842, since the lease agreements were determined to meet the definition of a sales-type lease and control of the asset is not considered to have transferred to us, such lease agreements are accounted for as financings under ASC 310.

<sup>(2)</sup> Amounts represent the non-cash adjustment to income from sales-type leases and lease financing receivables in order to recognize income on an effective interest basis at a constant rate of return over the term of the leases.

Leasing revenue is generated from rent from our lease agreements. Total leasing revenue increased \$41.9 million and \$102.4 million during the three and six months ended June 30, 2024, respectively, compared to the three and six months ended June 30, 2023, respectively. Total contractual leasing revenue increased \$40.1 million and \$87.7 million during the three and six months ended June 30, 2024, respectively, compared to the three and six months ended June 30, 2023, respectively. The increases were primarily driven by the acquisition of the remaining 49.9% of the MGM Grand/Mandalay Bay portfolio in January 2023, the Rocky Gap Casino component of the master lease agreement with Century Casinos, Inc. ("Century Master Lease") in July 2023, the Century Canadian portfolio component of the Century Master Lease in September 2023, the master lease agreement with Bowlero in October 2023 and the lease agreement with Chelsea Piers in December 2023, as well as the annual rent escalators from certain of our other lease agreements.

### Income From Loans and Securities

Income from loans and securities increased \$15.6 million and \$27.8 million during the three and six months ended June 30, 2024, respectively, compared to the three and six months ended June 30, 2023, respectively. The increases were driven by the origination and subsequent funding, as applicable, of our debt investments and the related interest income from the increased principal balances outstanding under such debt investments, partially offset by the full repayment of certain loan investments.

### Other Income

Other income increased \$0.8 million and \$1.8 million during the three and six months ended June 30, 2024, respectively, compared to the three and six months ended June 30, 2023, respectively. The increase was driven primarily by the additional income as a result of the assumption of certain sub-leases in connection with the closing of the acquisition of the Rocky Gap Casino in July 2023 and the sale-leaseback transaction with Chelsea Piers in December 2023. We determined we are the primary obligor of the respective ground and use leases and, accordingly, record the related income and expense on a gross

basis on our Income Statement. The lease agreements require our tenants to cover all costs associated with such ground and use sub-leases and provide for their direct payment to the primary landlord.

## Operating Expenses

For the three and six months ended June 30, 2024 and 2023, our operating expenses were comprised of the following items:

<i>(In thousands)</i>	Three Months Ended June 30,			Six Months Ended June 30,		
	2024	2023	Variance	2024	2023	Variance
General and administrative	\$ 15,768	\$ 14,920	\$ 848	\$ 31,960	\$ 29,925	\$ 2,035

Total operating expenses	\$ 155	\$ 344	\$ (189)	\$ 150,526	\$ 150,973	\$ (447)

### General and Administrative Expenses

General and administrative expenses increased \$0.8 million and \$2.0 million for the three and six months ended June 30, 2024, respectively, as compared to the three and six months ended June 30, 2023, respectively. The increase was primarily driven by an increase in compensation, including stock-based compensation and the addition of new employees.

### Other Expenses

Other expenses increased \$0.8 million and \$1.8 million during the three and six months ended June 30, 2024, respectively, compared to the three and six months ended June 30, 2023, respectively. The increase was driven primarily by the additional expense as a result of the assumption of certain sub-leases in connection with the closing of the acquisition of the Rocky Gap Casino in July 2023 and the sale-leaseback transaction with Chelsea Piers in December 2023. We determined we are the primary obligor of the respective ground and use leases and, accordingly, record the related income and expense on a gross basis on our Income Statement. The lease agreements require our tenants to cover all costs associated with such ground and use sub-leases and provide for their direct payment to the primary landlord.

### Change in Allowance for Credit Losses

Change in allowance for credit losses decreased \$1.6 million during the three months ended June 30, 2024, compared to the three months ended June 30, 2023, primarily driven by positive changes in the macroeconomic forecast during the current quarter and market performance of our tenants partially offset by certain adjustments made to the assumptions used to project future cash flows for one of our investments.

Change in allowance for credit losses decreased \$6.2 million during the six months ended June 30, 2024, compared to the six months ended June 30, 2023, primarily driven by lower initial CECL allowances recorded on our acquisition and loan origination activity. We recorded initial CECL allowances of \$2.9 million on our \$365.0 million of loan origination activity during the six months ended June 30, 2024 compared to initial CECL allowances of \$229.6 million on our \$5.7 billion of property acquisition activity and \$4.5 million on our \$85.0 million of loan origination activity during the six months ended June 30, 2023. The decrease was partially offset by the market performance of our tenants, negative changes in the macroeconomic forecast during the period and adjustments made to the assumptions used to project future cash flows for one of our investments.

Further fluctuation in the change in allowance for credit losses are the result of changes to the reasonable and supportable period, or R&S Period, probability of default, or PD, and loss given default, or LGD, of our existing tenants and their parent guarantors (as applicable) as a result of market performance and changes in the macroeconomic model used to scenario condition such inputs and annual standard updates to the model used to estimate the CECL allowance. Refer to [Note 5 - Allowance for Credit Losses](#) for further details.

### Transaction and Acquisition Expenses

Transaction and acquisition expenses decreased \$0.5 million and increased \$0.7 million during the three and six months ended June 30, 2024, respectively, compared to the three and six months ended June 30, 2023, respectively. Changes in transaction and acquisition expenses are related to fluctuations in (i) costs incurred for investments during the period that are not capitalizable under GAAP, and (ii) costs incurred for investments that we are no longer pursuing.

### Non-Operating Income and Expenses

For the three and six months ended June 30, 2024 and 2023, our non-operating income and expenses were comprised of the following items:

(In thousands)	Three Months Ended June 30,			Six Months Ended June 30,		
	2024	2023	Variance	2024	2023	Variance
Income from unconsolidated affiliate	\$ —	\$ —	\$ —	\$ —	\$ 1,280	\$ (1,280)
Interest expense	(205,777)	(203,594)	(2,183)	(410,659)	(407,954)	(2,705)
Interest income	3,926	5,806	(1,880)	9,219	8,853	366
Other gains	990	3,454	(2,464)	834	5,417	(4,583)

### Income from Unconsolidated Affiliate

Income from unconsolidated affiliate during the six months ended June 30, 2023 represents our 50.1% share of the income of the MGM Grand/Mandalay Bay JV for the period from January 1, 2023 through January 8, 2023, immediately prior to the closing of the MGM Grand/Mandalay Bay JV Interest Acquisition. Beginning on January 9, 2023, upon the closing of the MGM Grand/Mandalay Bay JV Interest Acquisition, we consolidated the operations of the MGM Grand/Mandalay Bay JV, and subsequently, such income is included in Income from sales-type lease on our Statement of Operations and, accordingly, no Income from unconsolidated affiliate was recognized for the three and six months ended June 30, 2024.

### Interest Expense

Interest expense increased \$2.2 million and \$2.7 million during the three and six months ended June 30, 2024, respectively, as compared to the three and six months ended June 30, 2023, respectively. The increase during the three and six months ended June 30, 2024 were primarily related to the increase in debt from the (i) C\$140.0 million, C\$75.0 million and £9.0 million draws on the Revolving Credit Facility to finance the acquisition of the portfolio of assets leased to PURE Canadian Gaming, Corp. in January 2023, acquisition of the Century Canadian portfolio in September 2023 and the Cabot Highlands loan in December 2023, respectively, and (ii) assumption of \$3.0 billion aggregate principal amount of CMBS debt on January 9, 2023, in connection with the MGM Grand/Mandalay Bay JV Interest Acquisition, the combination of which resulted in an additional \$3.2 billion in notional amount of debt.

Additionally, the weighted average annualized interest rate of our debt, net of the impact of the forward-starting interest rate swaps and treasury locks, increased to 4.34% from 4.32% for the three months ended June 30, 2024 compared to the three months ended June 30, 2023, and increased to 4.34% from 4.33% during the six months ended June 30, 2024 compared to the six months ended June 30, 2023 as a result of a higher effective interest rate on (i) the draws on the Revolving Credit Facility and (ii) the March 2024 Notes as compared to the debt that was refinanced by such notes, offset by the low interest rate on the MGM Grand/Mandalay Bay CMBS Debt.

### Interest Income

Interest income, representing interest earned on our excess cash, decreased \$1.9 million and increased \$0.4 million during the three and six months ended June 30, 2024, respectively, compared to the three and six months ended June 30, 2023, respectively. For the three months ended June 30, 2024, the decrease was primarily driven by an overall decrease in our cash on hand throughout the current period as compared to the prior period. For the six months ended June 30, 2024, the increase was primarily driven by an increase in the interest rates and income earned on our excess cash.

### Other Gains

Other gains decreased \$2.5 million and \$4.6 million during the three and six months ended June 30, 2024, respectively, compared to the three and six months ended June 30, 2023, respectively. The changes primarily relate to foreign currency

remeasurement adjustments associated with our investments in Canada and the United Kingdom. In connection with such transactions, we entered into intercompany debt and drew C\$215.0 million and £9.0 million on the Revolving Credit Facility, which are denominated in a foreign currency and, since such debt is held at entities with USD as their functional currency, certain of the related assets and liabilities are remeasured through the Statement of Operations.

## RECONCILIATION OF NON-GAAP MEASURES

We present VICI's Funds From Operations ("FFO"), FFO per share, Adjusted Funds From Operations ("AFFO"), AFFO per share, and Adjusted EBITDA, which are not required by, or presented in accordance with, generally accepted accounting principles in the United States ("GAAP"). These are non-GAAP financial measures and should not be construed as alternatives to net income or as an indicator of operating performance (as determined in accordance with GAAP). We believe FFO, FFO per share, AFFO, AFFO per share and Adjusted EBITDA provide a meaningful perspective of the underlying operating performance of VICI's business.

FFO is a non-GAAP financial measure that is considered a supplemental measure for the real estate industry and a supplement to GAAP measures. Consistent with the definition used by the National Association of Real Estate Investment Trusts (NAREIT), we define FFO as VICI's net income (or loss) attributable to common stockholders (computed in accordance with GAAP) excluding (i) gains (or losses) from sales of certain real estate assets, (ii) depreciation and amortization related to real estate, (iii) gains and losses from change in control, (iv) impairment write-downs of certain real estate assets and investments in entities when the impairment is directly attributable to decreases in the value of depreciable real estate held by the entity and (v) our proportionate share of such adjustments from our investment in unconsolidated affiliate.

AFFO is a non-GAAP financial measure that we use as a supplemental operating measure to evaluate VICI's performance. We calculate VICI's AFFO by adding or subtracting from FFO non-cash leasing and financing adjustments, non-cash change in allowance for credit losses, non-cash stock-based compensation expense, transaction costs incurred in connection with the acquisition of real estate investments, amortization of debt issuance costs and original issue discount, other non-cash interest expense, non-real estate depreciation (which is comprised of the depreciation related to our golf course operations), capital expenditures (which are comprised of additions to property, plant and equipment related to our golf course operations), impairment charges related to non-depreciable real estate, gains (or losses) on debt extinguishment and interest rate swap settlements, other gains (losses), deferred income tax benefits and expenses, other non-recurring non-cash transactions, our proportionate share of non-cash adjustments from our investment in unconsolidated affiliate (including the amortization of any basis differences) with respect to certain of the foregoing and non-cash adjustments attributable to non-controlling interest with respect to certain of the foregoing.

We calculate VICI's Adjusted EBITDA by adding or subtracting from AFFO contractual interest expense (including the impact of the forward-starting interest rate swaps and treasury locks) and interest income (collectively, interest expense, net), income tax expense and our proportionate share of such adjustments from our investment in unconsolidated affiliate.

These non-GAAP financial measures: (i) do not represent VICI's cash flow from operations as defined by GAAP; (ii) should not be considered as an alternative to VICI's net income as a measure of operating performance or to cash flows from operating, investing and financing activities; and (iii) are not alternatives to VICI's cash flow as a measure of liquidity. In addition, these measures should not be viewed as measures of liquidity, nor do they measure our ability to fund all of our cash needs, including our ability to make cash distributions to our stockholders, to fund capital improvements, or to make interest payments on our indebtedness. Investors are also cautioned that FFO, FFO per share, AFFO, AFFO per share and Adjusted EBITDA, as presented, may not be comparable to similarly titled measures reported by other real estate companies, including REITs, due to the fact that not all real estate companies use the same definitions. Our presentation of these measures does not replace the presentation of VICI's financial results in accordance with GAAP.

## LIQUIDITY AND CAPITAL RESOURCES

### Liquidity

As of June 30, 2024, our available cash and cash-equivalents balance, short-term investments, capacity under our Revolving Credit Facility and proceeds available from outstanding forward sale agreements were as follows:

<i>(In thousands)</i>	June 30, 2024	
Cash and cash equivalents	\$	347,160
Capacity under Revolving Credit Facility <sup>(1)</sup>		2,331,025
Net proceeds available from settlement of Forward Sale Agreements <sup>(2)</sup>		681,017
Total	\$	3,359,202

(1) In addition, the Revolving Credit Facility includes the option to increase the revolving loan commitments by up to \$1.0 billion to the extent that any one or more lenders (from the syndicate or otherwise) agree to provide such additional credit extensions.

(2) Assumes the physical settlement of the 22,856,855 shares remaining to be settled as of June 30, 2024 under our ATM forward sale agreements at a forward sales price of \$29.79, calculated as of June 30, 2024. Subsequent to quarter-end, on July 1, 2024, we physically settled 4,000,000 shares under the ATM Program in exchange for total net settlement proceeds of approximately \$115.2 million.

We believe that we have sufficient liquidity to meet our material cash requirements, including our contractual obligations, debt maturities and commitments as well as our additional funding requirements, primarily through currently available cash and cash equivalents, cash received under our lease agreements, existing borrowings from banks, including our undrawn capacity under our Revolving Credit Facility, net proceeds available under our outstanding forward sale agreements, and proceeds from future issuances of debt and equity securities (including issuances under the ATM Program) for the next 12 months and in future periods.

All of our lease agreements call for an initial term of between fifteen and thirty-two years with additional tenant renewal options and, along with our loans, are designed to provide us with a reliable and predictable long-term revenue stream. Our cash flows from operations and our ability to access capital resources could be adversely affected due to uncertain economic factors and volatility in the financial and credit markets, including as a result of the current inflationary environment, higher interest rates, equity market volatility, and changes in consumer behavior and spending. In particular, we can provide no assurances that our tenants will not default on their leases or fail to make full rental payments if their businesses become challenged due to, among other things, current or future adverse economic conditions. See “Overview — Impact of Material Trends on our Business” above for additional detail. In the event our tenants are unable to make all of their contractual rent payments as provided by our lease agreements, we believe we have sufficient liquidity from the other sources discussed above to meet all of our contractual obligations for a significant period of time. For more information, refer to the risk factors incorporated by reference into [Part II, Item 1A. Risk Factors](#) herein from our [Annual Report on Form 10-K for the year ended December 31, 2023](#).

Our ability to raise funds through the issuance of debt and equity securities and access to other third-party sources of capital in the future will be dependent on, among other things, general economic conditions, general market conditions for REITs and investment grade issuers, market perceptions, the trading price of our stock and uncertainties related to the macroeconomic environment. We will continue to analyze which sources of capital are most advantageous to us at any particular point in time, but financing through the capital markets may not be consistently available on terms we deem attractive, or at all.

### Material Cash Requirements

#### Contractual Obligations

Our short-term obligations consist primarily of regular interest payments on our debt obligations, dividends to our common stockholders, distributions to the VICI OP Unit holders and Bowlero OP Unit holders, normal recurring operating expenses, recurring expenditures for corporate and administrative needs, certain lease and other contractual commitments related to our golf operations and certain non-recurring expenditures. For more information on our material contractual commitments, refer to [Note 10 - Commitments and Contingent Liabilities](#).

Our long-term obligations consist primarily of principal payments on our outstanding debt obligations and future funding commitments under our lease and loan agreements. As of June 30, 2024, we have \$17.1 billion of debt obligations outstanding of which \$750.0 million matures on February 15, 2025, \$500.0 million matures on May 15, 2025 and \$800.0 million matures on

June 15, 2025. For a summary of principal debt balances and their maturity dates and principal terms, refer to [Note 7 - Debt](#). For a summary of our future funding commitments under our loan portfolio, refer to [Note 4 - Real Estate Portfolio](#).

Pursuant to our lease agreements, capital expenditures, insurance and taxes for our properties are the responsibility of the tenants. Minimum capital expenditure spending requirements of the tenants pursuant to our gaming lease agreements are described in [Note 4 - Real Estate Portfolio](#).

Information concerning our material contractual obligations and commitments to make future payments under contracts such as our indebtedness, future funding commitments under our loans and Partner Property Growth Fund and future contractual operating commitments (such as future lease payments under our corporate lease) are included in the following table as of June 30, 2024. Amounts in this table omit, among other things, non-contractual commitments and items such as dividends and recurring or non-recurring operating expenses and other expenditures, including acquisitions and other investments:

<sup>(1)</sup> Estimated interest payments on variable interest debt under our Revolving Credit Facility are based on the CORRA and SONIA rates as of June 30, 2024.

<sup>(2)</sup> Excludes ground and use leases which are paid directly by our tenants to the primary lease holder.

<sup>(3)</sup> The allocation of our future funding commitments is based on construction draw schedules, commitment funding dates, expiration dates or other information, as applicable; however, we may be obligated to fund these commitments earlier than such applicable date. Amounts include the remaining \$300.0 million future funding commitment required in connection with the Venetian Capital Investment.

### Additional Funding Requirements

In addition to the contractual obligations and commitments set forth in the table above, we have and may enter into additional agreements that commit us to potentially acquire properties in the future, fund future property improvements or otherwise provide capital to our tenants, borrowers and other counterparties, including through our put-call agreements and Partner Property Growth Fund. As of June 30, 2024, we had \$300.0 million of additional potential future funding commitments in connection with the Venetian Capital Investment entered into on May 1, 2024, pursuant to which the tenant has the option, but not the obligation, to draw our future funds. The utilization of funding commitments under the Partner Property Growth Fund, as well as the total funding ultimately provided under such arrangements, is at the discretion of the respective tenant and will be dependent upon independent decisions made by such tenant with respect to any capital improvement projects and the source of funds for such projects. For further information, refer to Note 3 – Real Estate Transactions.

### *Cash Flows from Operating Activities*

Net cash provided by operating activities increased \$105.9 million for the six months ended June 30, 2024 compared with the six months ended June 30, 2023. The increase was primarily driven by the acquisition of the remaining 49.9% of the MGM Grand/Mandalay Bay portfolio in January 2023, and an increase in rental payments from the addition of the Rocky Gap Casino component of the Century Master Lease in July 2023, the Century Canadian portfolio component of the Century Master Lease in September 2023, the master lease agreement with Bowlero in October 2023 and the lease agreement with Chelsea Piers in December 2023, as well as additional loan fundings and originations.

### Debt

For a summary of our debt obligations as of June 30, 2024, refer to [Note 7 - Debt](#).

### Covenants

Our debt obligations are subject to certain customary financial and protective covenants that restrict our ability to incur additional debt, sell certain assets and restrict certain payments, among other things. In addition, these covenants are subject to a number of important exceptions and qualifications, including, with respect to the restricted payments covenant, the ability to make unlimited restricted payments to maintain our REIT status. At June 30, 2024, we were in compliance with all debt-related covenants.

### Distribution Policy

We intend to make regular quarterly distributions to holders of shares of our common stock. Dividends declared (on a per share basis) during the six months ended June 30, 2024 and 2023 were as follows:

Six Months Ended June 30, 2024				
Declaration Date	Record Date	Payment Date	Period	Dividend
March 7, 2024	March 21, 2024	April 4, 2024	January 1, 2024 – March 31, 2024	\$ 0.4150
June 7, 2024	June 18, 2024	July 3, 2024	April 1, 2024 - June 30, 2024	\$ 0.4150
Six Months Ended June 30, 2023				
Declaration Date	Record Date	Payment Date	Period	Dividend
March 9, 2023	March 23, 2023	April 6, 2023	January 1, 2023 - March 31, 2023	\$ 0.3900
June 8, 2023	June 22, 2023	July 6, 2023	April 1, 2023 - June 30, 2023	\$ 0.3900

Federal income tax law requires that a REIT distribute annually at least 90% of its REIT taxable income (with certain adjustments), determined without regard to the dividends paid deduction and excluding any net capital gains, and that it pay tax at regular corporate rates to the extent that it annually distributes less than 100% of its REIT taxable income, determined without regard to the dividends paid deduction and including any net capital gains. In addition, a REIT will be required to pay a 4% nondeductible excise tax on the amount, if any, by which the distributions it makes in a calendar year are less than the sum of 85% of its ordinary income, 95% of its capital gain net income and 100% of its undistributed income from prior years.

We intend to continue to make distributions to our stockholders to comply with the REIT requirements of the Internal Revenue Code of 1986, as amended (the “Code”), and to avoid or otherwise minimize paying entity level federal income or excise tax (other than at any TRS of ours). We may generate taxable income greater than our income for financial reporting purposes prepared in accordance with GAAP. Further, we may generate REIT taxable income greater than our cash flow from operations after operating expenses and debt service as a result of differences in timing between the recognition of REIT taxable income and the actual receipt of cash or the effect of nondeductible capital expenditures, the creation of reserves or required debt or amortization payments.

### **Critical Accounting Policies and Estimates**

A complete discussion of our critical accounting policies and estimates is included in our [Annual Report on Form 10-K for the year ended December 31, 2023](#). There have been no significant changes in our critical policies and estimates for the six months ended June 30, 2024.

## **Item 3. Quantitative and Qualitative Disclosures About Market Risk**

### **Interest Rate Risk**

Our interest rate risk management objective is to limit the impact of future interest rate changes on our earnings and cash flows. To achieve this objective, our consolidated subsidiaries primarily borrow on a fixed-rate basis for longer-term debt issuances. As of June 30, 2024, we had \$17.1 billion aggregate principal amount of outstanding indebtedness, of which 99.0% has fixed rate interest and 1.0% has a variable interest rate, representing the US\$169.0 million outstanding balance under the Revolving Credit Facility (denominated in CAD and GBP). As of June 30, 2024, a one percent increase or decrease in the annual interest rate on our variable rate borrowings would increase or decrease our annual cash interest expense by approximately \$1.7 million using the applicable exchange rate as of June 30, 2024.

Additionally, we are exposed to interest rate risk between the time we enter into a transaction and the time we finance the related transaction with long-term fixed-rate debt. In addition, when that long-term debt matures, we may have to refinance such debt at a higher interest rate. In a rising interest rate environment, we have from time to time and may in the future seek to mitigate that risk by utilizing forward-starting interest rate swap agreements, treasury locks and other derivative instruments. Market interest rates are sensitive to many factors that are beyond our control.

### **Capital Markets Risks**

We are exposed to risks related to the equity capital markets, and our related ability to raise capital through the issuance of our common stock or other equity instruments. We are also exposed to risks related to the debt capital markets, and our related ability to finance our business through long-term indebtedness, borrowings under credit facilities or other debt instruments. As a REIT, we are required to distribute a significant portion of our taxable income annually, which constrains our ability to accumulate operating cash flow and therefore requires us to utilize debt or equity capital to finance our business. We seek to mitigate these risks by monitoring the debt and equity capital markets to inform our decisions on the amount, timing, and terms of capital we raise.

## THIRD AMENDMENT

This Third Amendment, dated as of June 17, 2024 (this “Amendment”), to the Credit Agreement dated as of February 8, 2022 (as amended by that certain First Amendment, dated as of July 15, 2022, that certain Second Amendment, dated as of August 4, 2023, and as further amended, supplemented or otherwise modified from time to time prior to the date hereof, the “Existing Credit Agreement”), among VICI PROPERTIES L.P., a Delaware limited partnership (the “Borrower”), the several banks and other financial institutions or entities from time to time parties thereto (the “Lenders”) and JPMORGAN CHASE BANK, N.A., as administrative agent (the “Administrative Agent”).

WITNESSETH:

WHEREAS, the Borrower, the Lenders (including the Issuing Lenders) and the Administrative Agent are parties to the Existing Credit Agreement (the Existing Credit Agreement, as so amended, the “Credit Agreement”);

WHEREAS, certain loans, commitments and/or other extensions of credit (the “Loans”) under the Existing Credit Agreement denominated in Canadian Dollars (the “Affected Currency”) incur or are permitted to incur interest, fees or other amounts based on the CDOR Rate in accordance with the terms of the Existing Credit Agreement;

WHEREAS, in accordance with the provisions of Section 10.1 of the Existing Credit Agreement, the Borrower has requested, and the Lenders party hereto, constituting all Revolving Lenders (including each Issuing Lender), have agreed, to amend the Existing Credit Agreement as set forth in Section 2 hereof;

NOW, THEREFORE, in consideration of the premises contained herein, the parties hereto agree as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, capitalized terms are used herein as defined in the Credit Agreement.

SECTION 2. Amendments to the Existing Credit Agreement. Subject to the satisfaction of the conditions set forth in Section 3, the Existing Credit Agreement is hereby amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and to add the double-underlined text (indicated textually in the same manner as the following example: double-underlined text) as set forth in Exhibit A hereto.

SECTION 3. Conditions to Effectiveness of this Amendment. This Amendment shall become effective on the date on which the following conditions precedent have been satisfied or waived (the date on which such conditions shall have been so satisfied or waived, the “Third Amendment Effective Date”):

(a) The Administrative Agent shall have received a counterpart of this Amendment, executed and delivered by (i) the Borrower, (ii) each Revolving Lender (including each Issuing Lender) and (iii) the Administrative Agent.

(b) The representations and warranties of each Loan Party set forth in Section 4 of the Existing Credit Agreement shall be true and correct in all material respects, in each case on

and as of the Third Amendment Effective Date (or true and correct in all material respects as of a specified date, if earlier).

(c) At the time of and immediately after the Third Amendment Effective Date, no Default or Event of Default shall have occurred and be continuing.

(d) The Administrative Agent shall have received all fees required to be paid, if any, and all reasonable and documented out-of-pocket expenses (including the reasonable and documented out-of-pocket fees and expenses of legal counsel) for which invoices have been presented at least 1 Business Day (or such later date as agreed to by the Borrower) prior to the Third Amendment Effective Date.

SECTION 4. Representations and Warranties. On and as of the date hereof, the Borrower hereby confirms, reaffirms and restates that, prior to and after giving effect to this Amendment (i) each of the representations and warranties made by any Loan Party in or pursuant to the Loan Documents is true and correct in all material respects (other than any representation or warranty qualified as to “materiality”, “Material Adverse Effect” or similar language, which shall be true and correct in all respects), except to the extent such representations and warranties specifically relate to an earlier date, in which case they are true and correct in all material respects (other than any representation or warranty qualified as to “materiality”, “Material Adverse Effect” or similar language, which shall be true and correct in all respects) on and as of such earlier date and (ii) no Default or Event of Default has occurred and is continuing.

SECTION 5. Continuing Effect; No Other Amendments or Consents.

(a) Except as expressly provided herein, all of the terms and provisions of the Existing Credit Agreement are and shall remain in full force and effect. The amendments provided for herein are limited to the specific subsections of the Existing Credit Agreement specified herein and shall not constitute a consent, waiver or amendment of, or an indication of the Administrative Agent’s or the Lenders’ willingness to consent to any action requiring consent under any other provisions of the Existing Credit Agreement or the same subsection for any other date or time period. Upon the effectiveness of the amendments set forth herein, on and after the Third Amendment Effective Date, each reference in the Credit Agreement to “this Agreement,” “the Agreement,” “hereunder,” “hereof” or words of like import referring to the Credit Agreement, and each reference in the other Loan Documents to “Credit Agreement,” “thereunder,” “thereof” or words of like import referring to the Credit Agreement, shall mean and be a reference to the Credit Agreement.

(b) The Borrower and the Administrative Agent acknowledge and agree that this Amendment shall constitute a Loan Document.

SECTION 6. Expenses. The Borrower agrees to pay and reimburse the Administrative Agent for all its reasonable and documented out-of-pocket costs and expenses incurred in connection with the preparation and delivery of this Amendment, and any other documents prepared in connection herewith and the transactions contemplated hereby, including, without limitation, the reasonable and documented

This Amendment may be executed by one or more of the parties to this Amendment on any number of separate counterparts and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Amendment signed by all the parties shall be lodged with the Borrower and the Administrative Agent. Delivery of an executed counterpart of a signature page of (x) this Amendment, (y) any other Loan Document and/or (z) any Ancillary Document that is an Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Amendment, such other Loan Document or such Ancillary Document, as applicable. SECTION 9. Severability. Any provision of this Amendment held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 10. Transition to CORRA Loans. As of the Third Amendment Effective Date, Loans bearing interest at a rate determined by reference to the CDOR Rate (as defined in the Existing Credit Agreement as in effect immediately prior to the Third Amendment Effective Date) will no longer be available provided that all such Loans outstanding on such date will continue until the last day of their respective Interest Periods, and the provisions of the Existing Credit Agreement as in effect prior to giving effect to this Amendment applicable to such Loans will continue to apply to such Loans until the last day of their respective Interest Periods. At the end of the Interest Period of each outstanding Loan bearing interest at a rate determined by reference to the CDOR Rate (as defined in the Existing Credit Agreement as in effect immediately prior to the Third Amendment Effective Date), such Loan shall convert to a Daily Simple CORRA Loan, unless prior to the end of the current Interest Period for such Loan the Borrower elects to convert such Loan to a Term CORRA Loan or to a Canadian Prime Rate Loan in accordance with the terms of Section 2.10 of the Credit Agreement.

SECTION 11. Miscellaneous. It is understood and agreed that this Amendment shall be deemed to incorporate, *mutatis mutandis*, Sections 10.13 and 10.17 of the Existing Credit Agreement.

1.4 Accounting Terms; GAAP. (a) Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from time to time; provided, that if the Borrower notifies the Administrative Agent that the Borrower requests an amendment to any provision hereof to eliminate the effect of any change occurring after the date hereof in GAAP or in the application thereof on the operation of such provision (or if the Administrative Agent notifies the Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision amended in accordance herewith. Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to (1) any election under Financial Accounting Standards Board Accounting Standards Codification 825 (or any other Financial Accounting Standard having a similar result or effect) to value any Indebtedness or other liabilities of the Borrower or any Subsidiary at “fair value”, as defined therein and (2) any treatment of Indebtedness under Accounting Standards Codification 470-20 or 2015-03 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any such Indebtedness in a reduced or bifurcated manner as described therein, and such Indebtedness shall at all times be valued at the full stated principal amount thereof.

(b) Notwithstanding anything to the contrary contained in Section 1.4(a) or in the definition of “Finance Lease,” any change in accounting for leases pursuant to GAAP resulting from the adoption of Financial Accounting Standards Board Accounting Standards Update No. 2016-02, Leases (Topic 842), to the extent such adoption would require treating any lease (or similar arrangement conveying the right to use) as a Finance Lease where such lease (or similar arrangement) would not have been required to be so treated under GAAP as in effect on December 31, 2015, such lease shall not be considered a Finance Lease, and all calculations and deliverables under this Agreement or any other Loan Document shall be made or delivered, as applicable, in accordance therewith.

1.5 Interest Rates; Benchmark Notification. The interest rate on a Loan denominated in Dollars or an Alternative Currency may be derived from an interest rate benchmark that may be discontinued or is, or may in the future become, the subject of regulatory reform. Upon the occurrence of a Benchmark Transition Event or a Term CORRA Reelection Event, Section 2.14(b) provides a mechanism for determining an alternative rate of interest. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to any interest rate used in this Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

1.6 Times of Day. Unless otherwise specified, (a) all references herein to times of day shall be references to Eastern time (daylight or standard, as applicable) and (b) when any date specified herein as the due date for a notice or other deliverable is not a Business Day, such due date shall be extended to the next following Business Day.

1.7 Letter of Credit Amounts. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the Dollar Equivalent of the stated amount of such Letter of Credit available to be drawn at such time; provided, that with respect to any Letter of Credit that, by its terms or the terms of any Letter of Credit Agreement related thereto, provides for one or more automatic increases in the available amount thereof, the amount of such Letter of Credit shall be deemed to be the Dollar Equivalent of the maximum amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum amount is available to be drawn at such time.

1.8 Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized and acquired on the first date of its existence by the holders of its Equity Interests at such time.

1.9 Pro Forma Calculations. (a) Notwithstanding anything to the contrary herein, the Financial Ratios shall be calculated in the manner prescribed by this Section 1.9; provided, that notwithstanding anything to the contrary in clauses (b) or (c) of this Section 1.9, when calculating the Financial Ratios, as applicable, for purposes of determining actual compliance (and not *pro forma* compliance or compliance on a *pro forma* basis) with any covenant pursuant to Section 7.1 (Financial Condition Covenants), the events described in this Section 1.9 that occurred subsequent to the end of the applicable period of four consecutive fiscal quarters of the Borrower shall not be given *pro forma* effect.

(b) For purposes of calculating the Financial Ratios, Specified Transactions (and the incurrence or repayment of any Indebtedness in connection therewith) that have been made (i) during the applicable period of four consecutive fiscal quarters of the Borrower and (ii) subsequent to such period of four consecutive fiscal quarters of the Borrower and in connection with the event for which the calculation of any such ratio is made shall be calculated on a *pro forma* basis assuming that all such Specified Transactions (and any increase or decrease in Total EBITDA, Unencumbered Asset Value, Total Asset Value or Unencumbered NOI and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable period of four consecutive fiscal quarters of the Borrower (whether or not occurring concurrently with the event for which the calculation is made) (it being understood that no such increase shall be reflected with respect to Unencumbered Asset Value, Total Asset Value or Unencumbered NOI as a result of this Section 1.9(b) to the extent that such defined terms (or the component financial definitions used therein) separately provide a mechanism for a *pro forma* increase (or annualization) as a result of such Specified Transaction). If since the beginning of any applicable period of four consecutive fiscal quarters of the Borrower any Person that subsequently became a Subsidiary of the Borrower or was merged, amalgamated or consolidated with or into the Borrower or any of its Subsidiaries since the beginning of such period of four consecutive fiscal quarters shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.9, then the Financial Ratios shall be calculated to give *pro forma* effect thereto in accordance with this Section 1.9.

(c) In the event that the Borrower or any of its Restricted Subsidiaries incurs (including by assumption or guarantees) or repays (including by redemption, repayment, prepayment, retirement, exchange or extinguishment or Discharge) any Indebtedness included in the calculations of any of the Financial Ratios (in each case, other than Indebtedness incurred or repaid under any revolving credit facility), (i) during the applicable period of four consecutive fiscal quarters of the Borrower and/or (ii) subsequent to the end of the applicable period of four consecutive fiscal quarters of the Borrower and prior to or simultaneously with the event for which the calculation of any such ratio is made, then the Financial Ratios shall be calculated giving *pro forma* effect to such incurrence or repayment or Discharge of Indebtedness, to the extent required, as if the same had occurred on (A) the last day of the applicable period of four consecutive fiscal quarters of the Borrower in the case of the Total Leverage Ratio, the Secured Leverage Ratio and the Unsecured Leverage Ratio and (B) the first day of the applicable period of four consecutive fiscal quarters of the Borrower in the case of the Fixed Charge Coverage Ratio and the Unsecured Interest Coverage Ratio. If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of the event for which the calculation of the Fixed Charge Coverage Ratio or the Unsecured Interest Coverage Ratio, as applicable, is made had been the applicable rate for the entire period (taking into account any hedging obligations applicable to such Indebtedness); provided, that in the case of repayment of any Indebtedness, to the extent actual interest related

thereto was included during all or any portion of the applicable period of four consecutive fiscal quarters of the Borrower, the actual interest may be used for the applicable portion of such period of four consecutive fiscal quarters of the Borrower and to give *pro forma* effect to such repayment. Interest in respect of a Finance Lease shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Borrower to be the rate of interest implicit in such related Finance Lease in accordance with GAAP. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a risk free or risk adjusted rate, or other rate, shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Borrower may designate.

(d) When used in reference to the calculation of Financial Ratios for purposes of determining actual compliance with Section 7.1 (and not *pro forma* compliance or compliance on a *pro forma* basis), references to the date of determination shall mean the last day of the relevant fiscal quarter then being tested. When used in reference to the calculation of Financial Ratios for purposes of determining *pro forma* compliance or compliance on a *pro forma* basis (other than for purposes of actual compliance with Section 7.1), references to the date of determination shall mean the calculation of Financial Ratios as of the last day of the most recent period of four consecutive fiscal quarters of the Borrower for which financial statements have been delivered pursuant to Section 6.1 on a *pro forma* basis. For purposes of determining *pro forma* compliance or compliance on a *pro forma* basis with covenants set forth in Section 7.1 prior to the date on which such covenants would otherwise apply, the covenants set forth in Section 7.1 shall be deemed to be applicable for purposes of such test.

#### 1.10 Exchange Rates; Currency Equivalents.

(a) The Administrative Agent or the Issuing Lender, as applicable, shall determine the Dollar Equivalent amounts of Term Benchmark Borrowings, RFR Borrowings or Letter of Credit extensions denominated in Alternative Currencies as of each Revaluation Date. Such Dollar Equivalent shall become effective as of such Revaluation Date and shall be the Dollar Equivalent of such amounts until the next Revaluation Date to occur. Except for purposes of financial statements delivered by the Borrower hereunder or calculating financial covenants hereunder or except as otherwise provided herein, the applicable amount of any Agreed Currency (other than Dollars) for purposes of the Loan Documents shall be such Dollar Equivalent amount as so determined by the Administrative Agent or the Issuing Lender, as applicable.

(b) Wherever in this Agreement in connection with a Borrowing, conversion, continuation or prepayment of a Term Benchmark Loan or an RFR Loan or the issuance, amendment or extension of a Letter of Credit, an amount, such as a required minimum or multiple amount, is expressed in Dollars, but such Borrowing or Loan is denominated in an Alternative Currency, such amount shall be the Dollar Equivalent of such amount (rounded to the nearest unit of such Alternative Currency, with 0.5 of a unit being rounded upward), as determined by the Administrative Agent or the Issuing Lender, as the case may be.

### SECTION 2. AMOUNT AND TERMS OF COMMITMENTS

2.1 Delayed Draw Term Commitments. Subject to the terms and conditions hereof, each Delayed Draw Term Lender severally agrees to make a term loan or term loans in Dollars (each, a “Delayed Draw Term Loan”, and collectively, the “Delayed Draw Term Loans”) to the Borrower from time to time after the Closing Date until, but not including, the Delayed Draw Term Commitment Termination Date; provided, that (i) there shall not be more than three drawings of the Delayed Draw Term Loans, (ii) each drawing of Delayed Draw Term Loans shall not exceed, for any Delayed Draw Term Lender, the Available Delayed Draw Term Commitment of such Lender at such time and (iii) the Delayed Draw Term Loans shall not exceed, in the aggregate, the Total Delayed Draw Term Commitment. The Delayed Draw Term Loans may from time to time be Term Benchmark Loans, RFR Loans, ABR Loans or Daily SOFR Loans, as determined by the Borrower and notified to the Administrative Agent in accordance with Sections 2.2 and 2.10. Amounts paid or prepaid in respect of Delayed Draw Term Loans may not be reborrowed.

2.2 Procedure for Delayed Draw Term Loan Borrowing. The Borrower shall give the Administrative Agent irrevocable notice in the form of Exhibit E (which notice must be received by the Administrative Agent prior to 11:00 A.M., New York City time, (a) three (3) Business Days prior to the requested Borrowing Date, in the case of Term Benchmark Loans, (b) five (5) Business Days prior to the requested Borrowing Date, in the case of RFR Loans or (c) on the requested Borrowing Date, in the case of Daily SOFR Loans or ABR Loans) requesting that the

Delayed Draw Term Lenders make the Delayed Draw Term Loans on the applicable Delayed Draw Funding Date, specifying the amount to be borrowed, the requested Borrowing Date and whether such Delayed Draw Term Loans shall be Term Benchmark Loans, RFR Loans, Daily SOFR Loans or ABR Loans and, in the case of Term Benchmark Loans, the initial Interest Period applicable thereto, which shall be a period contemplated by the definition of “Interest Period”, and certifying that the conditions set forth in [Section 5.2](#) are satisfied. Upon receipt of such notice the Administrative Agent shall promptly notify each Delayed Draw Term Lender thereof. Not later than 11:00 A.M., New York City time, on the applicable Delayed Draw Funding Date (or in the case of Daily SOFR Loans or ABR Loans for which the applicable borrowing notice was given on the requested Delayed Draw Funding Date, not later than 2:00 P.M., New York City time on such Delayed Draw Funding Date) each Delayed Draw Term Lender shall make available to the Administrative Agent at the Funding Office an amount in immediately available funds equal to the Delayed Draw Term Loan to be made by such Lender. The Administrative Agent shall credit the account of the Borrower on the books of such office of the Administrative Agent with the aggregate of the amounts made available to the Administrative Agent by the Delayed Draw Term Lenders in immediately available funds.

If no election as to the Type of Delayed Draw Term Loan is specified, then the requested Delayed Draw Term Loan shall be Term Benchmark Loan with an Interest Period of one month. Promptly following receipt of a Borrowing Request and in accordance with this [Section 2.2](#), the Administrative Agent shall advise each Delayed Draw Term Lender of the details thereof and of the amount of such Delayed Draw Term Lender’s Delayed Draw Term Loans to be made.

Each Delayed Draw Term Loan shall be made by the Delayed Draw Term Lenders ratably in accordance with their applicable Delayed Draw Term Commitments; provided, that the failure of any Delayed Draw Term Lender to make its Delayed Draw Term Loan shall not in itself relieve any other Delayed Draw Term Lender of its obligation to lend hereunder (it being understood, however, that no Delayed Draw Term Lender shall be responsible for the failure of any other Delayed Draw Term Lender to make any Delayed Draw Term Loan required to be made by such other Delayed Draw Term Lender). Each drawing of Delayed Draw Term Loans shall be in an aggregate principal amount that is an integral multiple of \$1,000,000 and not less than \$50,000,000. ABR Loans, RFR Loans and Daily SOFR Loans that are Delayed Draw Term Loans shall be in an aggregate principal amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000. Term Benchmark Loans that are Delayed Draw Term Loans shall be in an aggregate principal amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000.

Subject to [Sections 2.14](#) and [2.16](#), each borrowing of Delayed Draw Term Loans shall be comprised entirely of ABR Loans, Term Benchmark Loans, Daily SOFR Loans or RFR Loans as the Borrower may request in accordance herewith. Each Delayed Draw Term Lender may at its option make any Term Benchmark Loan by causing any domestic or foreign branch or Affiliate of such Delayed Draw Term Lender to make such Delayed Draw Term Loan; provided, that any exercise of such option shall not affect the obligation of the Borrower to repay such Delayed Draw Term Loan in accordance with the terms of this Agreement. Borrowings of Delayed Draw Term Loans of more than one Type may be outstanding at the same time, subject to [Section 2.10](#). For purposes of the foregoing, Term Benchmark Tranches having different Interest Periods, regardless of whether they commence on the same date, shall be considered separate borrowings.

**2.3 Termination or Reduction of Delayed Draw Term Commitments.** The Borrower shall have the right to terminate the unused Delayed Draw Term Commitments or, from time to time, to reduce the amount of the unused Delayed Draw Term Commitments. Any such reduction shall be in an amount equal to \$1,000,000, or a whole multiple thereof, and shall reduce permanently the Available Delayed Draw Term Commitment then in effect. The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Delayed Draw Term Commitments under this [Section 2.3](#) at least three (3) Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Delayed Draw Term Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this [Section 2.3](#) shall be irrevocable; provided, that a notice of termination of the Delayed Draw Term Commitments delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or a specified transaction, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Delayed Draw Term Commitments shall be permanent. Each reduction of the Delayed Draw Term Commitments shall be made ratably among the Delayed Draw Term Lenders in accordance with their respective Delayed Draw Term Commitments.

During the Multicurrency Revolving Commitment Period the Borrower may use the Multicurrency Revolving Commitments by borrowing, prepaying the Multicurrency Revolving Loans in whole or in part, and reborrowing, all in accordance with the terms and conditions hereof. The Multicurrency Revolving Loans may from time to time be Term Benchmark Loans, RFR Loans, Daily SOFR Loans, ABR Loans or (subject to Section 2.10 or 2.14, as applicable) Canadian Prime Rate Loans, as determined by the Borrower and notified to the Administrative Agent in accordance with Sections 2.5 and 2.10.

During the USD Revolving Commitment Period the Borrower may use the USD Revolving Commitments by borrowing, prepaying the USD Revolving Loans in whole or in part, and reborrowing, all in accordance with the terms and conditions hereof. The USD Revolving Loans may from time to time be Term Benchmark Loans, Daily SOFR Loans, or ABR Loans, as determined by the Borrower and notified to the Administrative Agent in accordance with Sections 2.5 and 2.10.

(c) Unless previously terminated, the Multicurrency Revolving Commitments shall terminate on the Multicurrency Revolving Maturity Date and the USD Revolving Commitments shall terminate on the USD Revolving Maturity Date. The Borrower shall repay all outstanding (i) Multicurrency Revolving Loans on the Multicurrency Revolving Maturity Date and (ii) USD Revolving Loans on the USD Revolving Maturity Date .

The Borrower may borrow under (i) the Multicurrency Revolving Commitments during the Multicurrency Revolving Commitment Period and (ii) the USD Revolving Commitments during the USD Revolving Commitment Period on any Business Day; provided, that the Borrower shall give the Administrative Agent irrevocable notice in the form of a Borrowing Request (which notice must be received by the Administrative Agent prior to 11:00 A.M., New York City time, (a) three (3) U.S. Government Securities Business Days prior to the requested Borrowing Date, in the case of Term Benchmark Loans denominated in Dollars, (b) three (3) Business Days prior to the requested Borrowing Date, in the case of Term Benchmark Loans denominated in Canadian Dollars and Euros, (c) four (4) Business Days prior to the requested Borrowing Date, in the case of Term Benchmark Loans denominated in Australian Dollars, (d) five (5) Business Days prior to the requested Borrowing Date, in the case of RFR Loans or (e) on the requested Borrowing Date, in the case of Daily SOFR Loans or ABR Loans), specifying (i) the applicable Facility under which such Loan is to be made, (ii) the Agreed Currency and the amount and Type of Revolving Loans to be borrowed, (iii) the requested Borrowing Date and (iv) in the case of Term Benchmark Loans, the respective amounts of each such Type of Loan and the respective lengths of the initial Interest Period therefor, and certifying that the conditions set forth in Section 5.2 are satisfied; provided, further, that (x) if no election as to the currency of a Borrowing is specified, then the requested Revolving Borrowing shall be made in Dollars, (y) if no election as to the Type of Revolving Borrowing is specified, then the requested Revolving Borrowing shall be a Daily SOFR Borrowing made in Dollars and (z) if no Interest Period is specified with respect to any requested Term Benchmark Revolving Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month’s duration. Each borrowing under the Multicurrency Revolving Commitments or USD Revolving Commitments shall be in an amount equal to (x) in the case of ABR Loans, RFR Loans and/or Daily SOFR Loans, the Dollar Equivalent of \$1,000,000 or a whole multiple thereof (or, if the then aggregate Available Multicurrency Revolving Commitments or USD Revolving Commitments, as applicable, are

Upon receipt of any such notice from the Borrower, the Administrative Agent shall promptly notify each applicable Revolving Lender thereof. Each applicable Revolving Lender will make the amount of its pro rata share of each borrowing available to the Administrative Agent in funds immediately available to the Administrative Agent for the account of the Borrower at the Funding Office prior to 12:00 Noon, New York City time on the Borrowing Date requested by the Borrower (or in the case of Daily SOFR Loans or ABR Loans for which the applicable borrowing notice was given on the requested Borrowing Date, 2:00 P.M., New York City time on such Borrowing Date). Such borrowing will then be made available to the Borrower by the Administrative Agent crediting the account of the Borrower on the books of such office with the aggregate of the amounts made available to the Administrative Agent by the applicable Revolving Lenders and in like funds as received by the Administrative Agent.

Subject to Sections 2.14 and 2.16, each borrowing of Revolving Loans shall be comprised (a) in the case of Borrowings in Dollars, entirely of ABR Loans, Term Benchmark Loans, Daily SOFR Loans or RFR Loans as the Borrower may request in accordance herewith and (b) in the case of Borrowings in any other Alternative Currency, entirely of Term Benchmark Loans or RFR Loans (or, subject to Section 2.10 or 2.14, as applicable, in the case of Loans denominated in Canadian Dollars, Canadian Prime Rate Loans), as applicable, in each case of the same Alternative Currency, as the Borrower may request in accordance herewith. Each Revolving Lender may at its option make any Term Benchmark Loan by causing any domestic or foreign branch or Affiliate of such Revolving Lender to make such Revolving Loan; provided, that any exercise of such option shall not affect the obligation of the Borrower to repay such Revolving Loan in accordance with the terms of this Agreement. Borrowings of Revolving Loans of more than one Type may be outstanding at the same time, subject to Section 2.10. For purposes of the foregoing, Term Benchmark Tranches having different Interest Periods, regardless of whether they commence on the same date, shall be considered separate borrowings.

## 2.6 Facility Fees, Etc.

(a) The Borrower agrees to pay the Administrative Agent, (i) for the account of each Multicurrency Revolving Lender (in each case pro rata according to the respective Multicurrency Revolving Commitments of all such Multicurrency Revolving Lenders), a facility fee (the “Multicurrency Revolving Facility Fee”) in Dollars in amount equal to the then applicable Facility Fee Percentage for Revolving Loans multiplied by the actual daily amount of the Total Multicurrency Revolving Commitments, such fee being payable quarterly in arrears on each Fee Payment Date, commencing on the first such date to occur after the Closing Date and (ii) for the account of each USD Revolving Lender (in each case pro rata according to the respective USD Revolving Commitments of all such USD Revolving Lenders), a facility fee (the “USD Revolving Facility Fee”) in Dollars in amount equal to the then applicable Facility Fee Percentage for USD Revolving Loans multiplied by the actual daily amount of the Total USD Multicurrency Revolving Commitments, such fee being payable quarterly in arrears on each Fee Payment Date, commencing on the first such date to occur after the Closing Date.

(b) The Borrower agrees to pay to the Administrative Agent the fees in the amounts and on the dates as set forth in any fee agreements with the Administrative Agent and to perform any other obligations contained therein.

(c) The Borrower agrees to pay to the Administrative Agent, for the account of each Lender (other than a Defaulting Lender) with a Delayed Draw Term Commitment (in each case pro rata according to the respective Delayed Draw Term Commitments of all such Lenders), a commitment fee in an amount equal to the Facility Fee Percentage for Delayed Draw Term Loans then in effect, multiplied by the actual daily amount of the Available Delayed Draw Term Commitment of such Lenders (such commitment fees, the “Delayed Draw Commitment Fee”), which shall accrue from the Closing Date to and including the Delayed Draw Term Commitment Termination Date. The Delayed Draw Commitment Fee shall be payable (x) quarterly in arrears on the last Business Day of each March, June, September and December, as applicable for the quarterly period (or portion thereof) ended on such day, commencing on the first such date to occur after the Closing Date and (y) on the Delayed Draw Term Commitment Termination Date. The Delayed Draw Commitment Fee shall be calculated on the basis of a 360-day year for the number of days elapsed.

2.7 Termination or Reduction of Revolving Commitments. The Borrower shall have the right to terminate the Multicurrency Revolving Commitments or USD Revolving Commitments or, from time to time, to

reduce the amount of the Multicurrency Revolving Commitments or USD Revolving Commitments (but shall not be applied to the Alternative Currency Sublimit except as specified by the Borrower or except as specified in the last sentence of this paragraph); provided, that no such termination or reduction of Revolving Commitments shall be permitted if, after giving effect thereto and to any prepayments of the Revolving Loans made on the effective date thereof, the (a) Total Multicurrency Revolving Extensions of Credit would exceed the Total Multicurrency Revolving Commitments or (b) Total USD Revolving Extensions of Credit would exceed the Total USD Revolving Commitments. Any such reduction shall be in an amount equal to \$1,000,000, or a whole multiple thereof, and shall reduce permanently the Revolving Commitments then in effect. The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Revolving Commitments under this Section 2.7 at least three (3) Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the applicable Revolving Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section 2.7 shall be irrevocable; provided, that a notice of termination of the Revolving Commitments delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or a specified transaction, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Revolving Commitments shall be permanent. Each reduction of the Multicurrency Revolving Commitments shall be made ratably among the Multicurrency Revolving Lenders in accordance with their respective Multicurrency Revolving Commitments and each reduction of the USD Revolving Commitments shall be made ratably among the USD Revolving Lenders in accordance with their respective USD Revolving Commitments. Any such reduction in the Multicurrency Revolving Commitments below the Alternative Currency Sublimit shall result in a corresponding reduction of the Alternative Currency Sublimit.

## 2.8 Prepayments.

(d) All payments (including prepayments) to be made by the Borrower hereunder, whether on account of principal, interest, fees or otherwise, shall be made without setoff or counterclaim. All payments shall be made (i) with respect to Loans denominated in Dollars, prior to 12:00 Noon, New York City time, on the due date thereof to the Administrative Agent, for the account of the Lenders, at the Funding Office, in Dollars and (ii) with respect to Loans denominated in an Alternative Currency prior to the Applicable Time specified by the Administrative Agent on the dates specified herein, for the account of the Lenders, at the Funding Office, in such Alternative Currency, in each case, in immediately available funds. Without limiting the generality of the foregoing, the Administrative Agent may require that any payments due under this Agreement be made in the United States. The Administrative Agent shall distribute such payments to the applicable Lenders promptly upon receipt in like funds as received. If any payment hereunder (other than payments on the Term Benchmark Loans) becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day. If any payment on a Term Benchmark Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any extension of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate during such extension. Without limiting the generality of the foregoing, the Administrative Agent may require that any payments due under this Agreement be made in the United States. If, for any reason, the Borrower is prohibited by any law from making any required payment hereunder in an Alternative Currency, such Borrower shall make such payment in Dollars in the Dollar Equivalent of the Alternative Currency payment amount.

(e) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available

to the Borrower a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Administrative Agent, on demand, such amount with interest thereon, at a rate equal to the greater of (i) the Federal Funds Effective Rate and (ii) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this paragraph (e) shall be conclusive in the absence of manifest error. If such Lender's share of such borrowing is not made available to the Administrative Agent by such Lender within three Business Days after such Borrowing Date, the Administrative Agent shall also be entitled to recover such amount with interest thereon at the rate per annum applicable to ABR Loans or in the case of Alternative Currencies, in accordance with such market practice, in each case, as applicable, on demand, from the Borrower.

(f) Unless the Administrative Agent shall have been notified in writing by the Borrower prior to the date of any payment due to be made by the Borrower hereunder that the Borrower will not make such payment to the Administrative Agent, the Administrative Agent may assume that the Borrower is making such payment, and the Administrative Agent may, but shall not be required to, in reliance upon such assumption, make available to the Lenders their respective pro rata shares of a corresponding amount. If such payment is not made to the Administrative Agent by the Borrower within three Business Days after such due date, the Administrative Agent shall be entitled to recover, on demand, from each Lender to which any amount which was made available pursuant to the preceding sentence, such amount with interest thereon at the rate per annum equal to the daily average Federal Funds Effective Rate. Nothing herein shall be deemed to limit the rights of the Administrative Agent or any Lender against the Borrower.

(g) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.5, Section 2.15(d), Section 2.15(e), Section 3.4(a) or Section 9.7, then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under such Sections; in the case of each of (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

#### 2.16 Requirements of Law.

(a) If any Change in Law:

(i) shall subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

(ii) shall impose, modify or hold applicable any reserve, special deposit, insurance charge, liquidity, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by, any office of such Lender or such Issuing Lender that is not otherwise included in the determination of the Term Benchmark; or

(iii) shall impose on such Lender or such Issuing Lender or the applicable interbank market any other condition, cost or expense (other than Taxes);

and the result of any of the foregoing is to increase the cost to such Lender or such Issuing Lender, by an amount that such Lender or such Issuing Lender deems to be material, of making, converting into, continuing or maintaining Term Benchmark Loans or issuing or participating in Letters of Credit, or to reduce any amount receivable hereunder in respect thereof, then, in any such case, the Borrower shall promptly pay such Lender or such Issuing Lender, upon its demand, any additional amounts necessary to compensate such Lender or such Issuing Lender for such increased cost or reduced amount receivable. If any Lender or any Issuing Lender becomes entitled to claim any additional amounts pursuant to this paragraph, it shall promptly notify the Borrower (with a copy to the Administrative Agent) of the event by reason of which it has become so entitled.

(b) If any Lender or any Issuing Lender shall have determined that any Change in Law regarding capital, reserve or liquidity requirements or ratios shall have the effect of reducing the rate of return on such Lender's or such Issuing Lender's capital or on the capital of such Lender's or Issuing Lender's holding company, if any, as a consequence of its obligations hereunder or under or in respect of any Letters of Credit to a level below that which such Lender or such Issuing Lender or such Lender's or Issuing Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Lender's or such holding company's policies with respect to capital adequacy) by an amount deemed by such Lender or such Issuing Lender to be material, then from time to time, after submission by such Lender or such Issuing Lender to the Borrower (with a copy to the Administrative Agent) of a written request therefor, the Borrower shall pay to such Lender or such Issuing Lender such additional amount or amounts as will compensate such Lender or such Issuing Lender or such holding company for such reduction.

(c) A certificate as to any additional amounts payable pursuant to this Section 2.16 submitted by any Lender or any Issuing Lender to the Borrower (with a copy to the Administrative Agent) shall be conclusive in the absence of manifest error. Notwithstanding anything to the contrary in this Section 2.16, the Borrower shall not be required to compensate a Lender or an Issuing Lender pursuant to this Section 2.16 for any amounts incurred more than six months prior to the date that such Lender or such Issuing Lender notifies the Borrower of such Lender's or such Issuing Lender's intention to claim compensation therefor; provided, that if the circumstances giving rise to such claim have a retroactive effect, then such six-month period shall be extended to include the period of such retroactive effect. The obligations of the Borrower pursuant to this Section 2.16 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder. The Borrower shall pay such Lender or Issuing Lender, as the case may be, the amount shown as due on any such certificate within 10 Business Days after receipt thereof.

(d) For purposes of this Section 2.16, (i) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or by United States or foreign regulatory authorities, in each case pursuant to Basel III, and (ii) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines, requirements and directives thereunder or issued in connection therewith or in implementation thereof, shall be deemed to have been introduced and adopted after the date of this Agreement. Notwithstanding the foregoing, no Lender shall be entitled to seek compensation for costs imposed pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act or Basel III if it shall not be the general policy of such Lender at such time to seek compensation from other investment grade borrowers with the same or similar ratings under yield protection provisions in credit agreements with such borrowers that provide for such compensation and the applicable Lender is in fact generally seeking such compensation from such borrowers (and, upon any request by such Lender for payment, certifies to the Borrower to the effect of the foregoing).

#### 2.17 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.17) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrower. The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for, Other Taxes.

(c) Evidence of Payments. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of

the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Borrower. The Loan Parties shall jointly and severally indemnify each Recipient, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.6 relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Status of Lenders. (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. Federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, an executed IRS

Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) in the case of a Foreign Lender claiming that its extension of credit will generate U.S. effectively connected income, an executed IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit F-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c) (3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) an executed IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable; or

(4) to the extent a Foreign Lender is not the beneficial owner, an executed copy of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-2 or Exhibit F-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided, that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. Federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such

indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g), the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph (g) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Survival. Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(i) Defined Terms. For purposes of this Section 2.17, the term "Lender" includes any Issuing Lender and the term "applicable law" includes FATCA.

2.18 Indemnity. (a) With respect to Loans that are not RFR Loans, the Borrower agrees to indemnify each Lender for, and to hold each Lender harmless from, any loss, cost or expense (including any foreign exchange losses, but not loss of profit) that such Lender may sustain or incur as a consequence of (a) default by the Borrower in making a borrowing of, conversion into or continuation of Term Benchmark Loans after the Borrower has given a notice requesting the same in accordance with the provisions of this Agreement, (b) default by the Borrower in making any prepayment of or conversion from Term Benchmark Loans after the Borrower has given a notice thereof in accordance with the provisions of this Agreement, (c) the making of a prepayment of Term Benchmark Loans on a day that is not the last day of an Interest Period with respect thereto, (d) the assignment of any Term Benchmark Loan other than on the last day of an Interest Period pursuant to a request by the Borrower under Section 2.20 or (e) the failure by the Borrower to make any payment of any Loan or drawing under any Letter of Credit (or interest due thereof) denominated in an Alternative Currency on its scheduled due date or any payment thereof in a different currency, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Term Benchmark Loan, such indemnification shall be deemed to include the amount equal to the excess, if any, of (i) the amount of interest that would have accrued on the amount so prepaid, or not so borrowed, converted or continued, at the Adjusted Term SOFR Rate, the Adjusted AUD Rate, the Adjusted ~~CDOR Rate~~ Term CORRA or the Adjusted EURIBOR Rate, as applicable, that would have been applicable for the period from the date of such prepayment or of such failure to borrow, convert or continue to the last day of such Interest Period (or, in the case of a failure to borrow, convert or continue, the Interest Period that would have commenced on the date of such failure) in each case at the applicable rate of interest for such Loans provided for herein (excluding, however, the Applicable Margin included therein, if any) over (ii) the amount of interest (as reasonably determined by such Lender) that would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the interbank eurodollar market.

(b) With respect to RFR Loans, the Borrower agrees to indemnify each Lender for, and to hold each Lender harmless from, any loss, cost or expense (including any foreign exchange losses, but not loss of profit) that such Lender may sustain or incur as a consequence of (a) default by the Borrower in making a borrowing of RFR Loans after the Borrower has given a notice requesting the same in accordance with the provisions of this Agreement, (b) default by the Borrower in making any prepayment of RFR Loans after the Borrower has given a notice thereof in accordance with the provisions of this Agreement, (c) the making of a prepayment of RFR Loans on a day that is not the Interest Payment Date applicable thereto, (d) the assignment of any RFR Loan other than on the Interest Payment Date applicable thereto pursuant to a request by the Borrower under Section 2.20 or (e) the failure by the Borrower to make any payment of any Loan or drawing under any Letter of Credit (or interest due thereof) denominated in an Alternative Currency on its scheduled due date or any payment thereof in a different currency, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a RFR Loan, such indemnification shall be deemed to include the amount equal to the excess, if any, of (i) the amount of interest that would have accrued on the amount so prepaid, or not so

borrowed, at the applicable Adjusted Daily Simple RFR that would have been applicable for the period from the date of such prepayment or of such failure to borrow to the Interest Payment Date applicable thereto in each case at the applicable rate of interest for such Loans provided for herein (excluding, however, the Applicable Margin included therein, if any) over (ii) the amount of interest (as reasonably determined by such Lender) that would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the relevant interbank market.

(c) A certificate as to any amounts payable pursuant to this Section 2.18 submitted to the Borrower by any Lender shall be conclusive in the absence of manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 Business Days after receipt thereof. This covenant shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder. This Section 2.18 shall not apply with respect to Taxes other than Taxes that represent losses, costs or expenses arising from any non-Tax claims.

2.19 Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.16 or 2.17 with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event with the object of avoiding the consequences of such event; provided, that such designation (i) in the sole judgment of such Lender would eliminate or reduce amounts payable pursuant to Section 2.16 or 2.17 and (ii) is made on terms that, in the sole judgment of such Lender, cause such Lender and its lending office(s) to suffer no unreimbursed cost or expense and would not otherwise be disadvantageous to the Lender; provided, further, that nothing in this Section 2.19 shall affect or postpone any of the obligations of the Borrower or the rights of any Lender pursuant to Section 2.16 or 2.17(a). The Borrower hereby agrees to pay all reasonable out-of-pocket documented costs and expenses incurred by any Lender in connection with any such designation or assignment.

2.20 Replacement of Lenders. The Borrower shall be permitted to replace, at its sole expense and effort, and upon notice to such Lender and the Administrative Agent, any Lender that (a) requests reimbursement for amounts owing pursuant to Section 2.16 or 2.17 or (b) becomes a Defaulting Lender or a Non-Consenting Lender, with a replacement financial institution; provided, that (i) such replacement does not conflict with any Requirement of Law, (ii) if applicable, prior to any such replacement, such Lender shall have taken no action under Section 2.19 so as to eliminate the continued need for payment of amounts owing pursuant to Section 2.16 or 2.17, (iii) in the case of any such assignment resulting from a claim for reimbursement for amounts owing pursuant to Section 2.16 or 2.17, such assignment will result in a reduction in such amounts, (iv) the replacement financial institution shall purchase, at par, all Loans and other amounts owing to such replaced Lender on or prior to the date of replacement, (v) the Borrower shall be liable to such replaced Lender under Section 2.18 if any Term Benchmark Loan owing to such replaced Lender shall be purchased other than on the last day of the Interest Period relating thereto, (vi) the replacement financial institution, if not already a Lender, shall be reasonably satisfactory to the Administrative Agent, (vii) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 10.6 (provided, that the Borrower shall be obligated to pay the registration and processing fee referred to therein), (viii) until such time as such replacement shall be consummated, the Borrower shall pay all additional amounts (if any) required pursuant to Section 2.16 or 2.17, as the case may be, and (ix) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender. A Lender shall not be required to make any such replacement if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such replacement cease to apply. Each party hereto agrees that an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee, and that the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective.

#### 2.21 Incremental Commitments.

(a) Incremental Facilities. On one or more occasions at any time after the Closing Date, the Borrower may by written notice to the Administrative Agent elect to request (A) an increase to the existing USD Revolving Commitments or existing Multicurrency Revolving Commitments (any such increase, the “New Revolving Commitments”) and/or (B) an increase to the existing Delayed Draw Term Facility and/or the establishment of one or more new term loan commitments in Dollars (the “New Term Commitments”), together with the New Revolving

Commitments, the “Incremental Commitments”), by up to an aggregate amount (i) with respect to the Revolving Facilities, such that after giving effect thereto the total aggregate amount of the Revolving Facilities shall be no greater than \$3,500,000,000 and (ii) with respect to the Delayed Draw Term Facility or any other New Term Commitments, such that after giving effect thereto the total aggregate amount of the Delayed Draw Term Facility and any New Term Commitments and the loans in respect thereof shall be no greater than \$2,000,000,000. Each such notice shall specify the date (each, an “Increased Amount Date”) on which the Borrower proposes that such Incremental Commitments shall be effective, which shall be a date not less than ten (10) Business Days after the date on which such notice is delivered to the Administrative Agent. With respect to any Incremental Commitments, (w) any Incremental Commitments on any Increased Amount Date shall be in the minimum aggregate amount of \$25,000,000, (x) any Lender approached to provide all or a portion of the Incremental Commitments may elect or decline, in its sole discretion, to provide an Incremental Commitment, (y) any New Revolving Commitments in respect of the Multicurrency Revolving Facility may, by written notice to the Administrative Agent, result in a corresponding increase in the Alternative Currency Sublimit and (z) any Lender or other Person that is an Eligible Assignee (each, a “New Revolving Lender” or “New Term Lender,” as applicable) to whom any portion of such Incremental Commitment shall be allocated shall be subject to the approval of the Borrower and the Administrative Agent (such approval not to be unreasonably withheld or delayed), and, in the case of a New Revolving Commitment, the Issuing Lenders (each of which approvals shall not be unreasonably withheld), unless such New Revolving Lender is an existing Lender (other than a Defaulting Lender) with an applicable Revolving Commitment at such time or such New Term Lender is an existing Lender or an Affiliate of an existing Lender.

(b) The terms and provisions of any New Revolving Commitments shall be identical to the existing applicable Revolving Commitments; provided, that the applicable commitment fee, upfront and other fees with respect to any New Revolving Commitments shall be determined by the Borrower and the applicable New Revolving Lenders and the applicable arrangement fees with respect to any New Revolving Commitments shall be determined by the Borrower and the applicable arrangers for such New Revolving Commitments. The terms and provisions of any New Term Commitments and any New Term Loans shall (a) share ratably in any prepayments of the existing Delayed Draw Term Facility, unless the Borrower and the New Term Lenders in respect of such New Term Commitments elect lesser payments and (b) other than pricing or maturity date, shall have the same terms as the Delayed Draw Term Facility; provided, that applicable interest rate margins, arrangement fees, upfront or other fees, original issue discount and amortization (subject to the remaining terms of this proviso) with respect to any New Term Commitments shall be determined by the Borrower and the applicable New Term Lenders; provided, further, that New Term Commitments may contain (x) additional or more restrictive covenants that are applicable only to periods after the latest Maturity Date of any Term Loans outstanding or Revolving Commitments in effect immediately prior to giving effect to such New Term Commitments and (y) other terms that are reasonably acceptable to the Administrative Agent.

(c) The effectiveness of any Incremental Commitments and the availability of any borrowings under any such Incremental Commitments shall be subject to the satisfaction of the following conditions precedent: (x) after giving pro forma effect to such Incremental Commitments and borrowings and the use of proceeds thereof, no Default or Event of Default shall exist; (y) the representations and warranties made or deemed made by the Borrower in any Loan Document shall be true and correct in all material respects (other than any representation or warranty qualified as to “materiality”, “Material Adverse Effect” or similar language, which shall be true and correct in all respects) on the effective date of such Incremental Commitments except to the extent that such representations and warranties expressly relate solely to an earlier date (in which case such representations and warranties shall have been true and correct in all material respects on and as of such earlier date (other than any representation or warranty qualified as to “materiality”, “Material Adverse Effect” or similar language, which shall be true and correct in all respects)); and (z) the Administrative Agent shall have received each of the following, in form and substance reasonably satisfactory to the Administrative Agent: (i) if not previously delivered to the Administrative Agent, copies certified by the Secretary or Assistant Secretary of all corporate or other necessary action taken by the Borrower to authorize such Incremental Commitments; (ii) if requested by the Administrative Agent, a customary opinion of counsel to the Borrower (which may be in substantially the same form as delivered on the Closing Date), and addressed to the Administrative Agent and the Lenders and (iii) if requested by any Lender, new Notes executed by the Borrower, payable to any new Lender, and replacement Notes executed by the Borrower, payable to any existing Lenders; provided, that, such Lender shall promptly return any existing Notes held by such Lender to the Borrower (or, if lost, destroyed or mutilated, if requested by the Borrower, a lost note affidavit in customary form and including a customary indemnity).

(d) On any Increased Amount Date on which New Revolving Commitments are effected, subject to the satisfaction of the foregoing terms and conditions, (a) each of the applicable Revolving Lenders shall assign to each of the New Revolving Lenders, and each of the New Revolving Lenders shall purchase from each of the applicable Revolving Lenders, at the principal amount thereof (together with accrued interest), such interests in the applicable Revolving Loans outstanding on such Increased Amount Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such applicable Revolving Loans will be held by the applicable existing Revolving Lenders and the New Revolving Lenders ratably in accordance with their applicable Revolving Commitments after giving effect to the addition of such New Revolving Commitments to the applicable Revolving Commitments, (b) each New Revolving Commitment shall be deemed for all purposes a Revolving Commitment and each Loan made thereunder shall be deemed, for all purposes, a Revolving Loan and (c) each New Revolving Lender shall become a Lender with respect to its New Revolving Commitment and all matters relating thereto.

(e) On any Increased Amount Date on which any New Term Commitments are effected, subject to the satisfaction of the foregoing terms and conditions, (i) each New Term Lender shall make a Loan to the Borrower (a “New Term Loan”) in an amount equal to its New Term Commitment, and (ii) each New Term Lender shall become a Lender hereunder with respect to the New Term Commitment and the New Term Loans made pursuant thereto.

(f) The Administrative Agent shall notify the Lenders promptly upon receipt of the Borrower’s notice of each Increased Amount Date and in respect thereof (y) the New Revolving Commitments and the New Revolving Lenders or the New Term Commitments and the New Term Lenders, as applicable, and (z) in the case of each notice to any applicable Revolving Lender, the respective interests in such applicable Revolving Lender’s Revolving Loans, in each case subject to the assignments contemplated by this paragraph.

(g) The fees payable by the Borrower upon any such Incremental Commitments shall be agreed upon by the Borrower and the applicable New Revolving Lenders and/or New Term Lenders at the time of such increase.

(h) The Incremental Commitments shall be evidenced pursuant to one or more Additional Credit Extension Amendments executed and delivered by the Borrower, the New Revolving Lenders or New Term Lenders, as applicable, and the Administrative Agent, and each of which shall be recorded in the Register. Each Additional Credit Extension Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provisions of this Section 2.21, subject to the approval of the Borrower (which approval shall not be unreasonably withheld or delayed).

2.22 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) fees shall cease to accrue on the unused portion of the applicable Revolving Commitment of such Defaulting Lender pursuant to Section 2.6 and the Available Delayed Draw Term Commitment of such Defaulting Lender pursuant to Section 2.6;

(b) the Commitments, Delayed Draw Term Loans, and Revolving Extensions of Credit of such Defaulting Lender shall not be included in determining whether all Lenders, the Majority Facility Lenders or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 10.1); provided, that any waiver, amendment or modification that increases the Commitment of a Defaulting Lender, forgives all or any portion of the principal amount of any Loan or Reimbursement Obligation or interest thereon owing to a Defaulting Lender, reduces the Applicable Margin on the underlying interest rate options owing to a Defaulting Lender or extends the Multicurrency Revolving Maturity Date, USD Revolving Maturity Date or the Delayed Draw Term Maturity Date applicable to such Defaulting Lender shall require the consent of such Defaulting Lender;

(c) if any Multicurrency L/C Exposure exists with respect to a Lender at the time such Lender becomes a Defaulting Lender then:

(i) all or any part of such Multicurrency L/C Exposure shall be reallocated among the non-Defaulting Lenders in accordance with their respective Multicurrency Revolving Percentage but

only to the extent (x) the sum of all non-Defaulting Lenders' Multicurrency Revolving Extensions of Credit, plus such Defaulting Lender's Multicurrency L/C Exposure does not exceed the total of all non-Defaulting Lenders' Multicurrency Revolving Commitments, (y) the sum of each non-Defaulting Lender's Multicurrency Revolving Extensions of Credit would not exceed its Multicurrency Revolving Commitment and (z) the conditions set forth in Section 5.2 are satisfied at such time; and

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall, within ten (10) Business Days following notice by the Administrative Agent, cash collateralize such Defaulting Lender's Multicurrency L/C Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) by depositing amounts into the collateral account in accordance with the procedures set forth in Section 8 for so long as such Multicurrency L/C Exposure is outstanding;

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's Multicurrency L/C Exposure pursuant to Section 2.22(c), the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 3.3(a) with respect to such Defaulting Lender's Multicurrency L/C Exposure during the period such Defaulting Lender's L/C Exposure is cash collateralized;

(iv) if the Multicurrency L/C Exposure of the non-Defaulting Lenders is reallocated pursuant to Section 2.22(c), then the fees payable to the Lenders pursuant to Section 3.3(a) shall be adjusted in accordance with such non-Defaulting Lenders' Multicurrency Revolving Percentages; or

(v) if any Defaulting Lender's Multicurrency L/C Exposure is neither cash collateralized nor reallocated pursuant to Section 2.22, then, without prejudice to any rights or remedies of any Issuing Lender or any Lender hereunder, all letter of credit fees payable under Section 3.3(a) with respect to such Defaulting Lender's Multicurrency L/C Exposure shall be payable to the Issuing Lenders until such Multicurrency L/C Exposure is cash collateralized and/or reallocated;

(d) if any USD L/C Exposure exists with respect to a Lender at the time such Lender becomes a Defaulting Lender then:

(i) all or any part of such USD L/C Exposure shall be reallocated among the non-Defaulting Lenders in accordance with their respective USD Revolving Percentage but only to the extent (x) the sum of all non-Defaulting Lenders' USD Revolving Extensions of Credit, plus such Defaulting Lender's USD L/C Exposure does not exceed the total of all non-Defaulting Lenders' USD Revolving Commitments, (y) the sum of each non-Defaulting Lender's USD Revolving Extensions of Credit would not exceed its USD Revolving Commitment and (z) the conditions set forth in Section 5.2 are satisfied at such time; and

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall, within ten (10) Business Days following notice by the Administrative Agent, cash collateralize such Defaulting Lender's USD L/C Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) by depositing amounts into the collateral account in accordance with the procedures set forth in Section 8 for so long as such USD L/C Exposure is outstanding;

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's USD L/C Exposure pursuant to Section 2.22(d), the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 3.3(a) with respect to such Defaulting Lender's USD L/C Exposure during the period such Defaulting Lender's USD L/C Exposure is cash collateralized;

(iv) if the USD L/C Exposure of the non-Defaulting Lenders is reallocated pursuant to Section 2.22(d), then the fees payable to the Lenders pursuant to Section 3.3(a) shall be adjusted in accordance with such non-Defaulting Lenders' USD Revolving Percentages; or

(v) if any Defaulting Lender's USD L/C Exposure is neither cash collateralized nor reallocated pursuant to Section 2.22, then, without prejudice to any rights or remedies of any Issuing Lender or any Lender hereunder, all letter of credit fees payable under Section 3.3(a) with respect to such

Defaulting Lender's USD L/C Exposure shall be payable to the Issuing Lenders until such USD L/C Exposure is cash collateralized and/or reallocated;

(e) so long as any Multicurrency Revolving Lender is a Defaulting Lender, no Issuing Lender shall be required to issue, amend or increase any Multicurrency Letter of Credit, unless it is satisfied that the related exposure will be one hundred percent (100%) covered by the Multicurrency Revolving Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in the amount of the Defaulting Lender's Multicurrency L/C Exposure in accordance with Section 2.22, and participating interests in any such newly issued or increased Multicurrency Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.22(c)(i) (and Defaulting Lenders shall not participate therein);

(f) so long as any USD Revolving Lender is a Defaulting Lender, no Issuing Lender shall be required to issue, amend or increase any USD Letter of Credit, unless it is satisfied that the related exposure will be one hundred percent (100%) covered by the USD Revolving Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in the amount of the Defaulting Lender's USD L/C Exposure in accordance with Section 2.22, and participating interests in any such newly issued or increased USD Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.22(d)(i) (and Defaulting Lenders shall not participate therein);

(g) in the event that the Administrative Agent, the Borrower and the Issuing Lenders each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Multicurrency L/C Exposure of the Multicurrency Revolving Lenders shall be readjusted to reflect the inclusion of such Lender's Multicurrency Revolving Commitment and on such date such Multicurrency Revolving Lender shall purchase at par such of the Multicurrency Revolving Loans of the other Multicurrency Revolving Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Multicurrency Revolving Loans in accordance with its Multicurrency Revolving Percentage; and

(h) in the event that the Administrative Agent, the Borrower and the Issuing Lenders each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the USD L/C Exposure of the USD Revolving Lenders shall be readjusted to reflect the inclusion of such Lender's USD Revolving Commitment and on such date such USD Revolving Lender shall purchase at par such of the USD Revolving Loans of the other USD Revolving Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such USD Revolving Loans in accordance with its USD Revolving Percentage

#### 2.23 Extension of Revolving Maturity Date.

(a) The Borrower may, by written notice to the Administrative Agent (which shall promptly notify each of the Revolving Lenders) given at least 30 days but not more than 120 days prior to (I)(i) the Initial Multicurrency Revolving Maturity Date, extend the Multicurrency Revolving Maturity Date for up to six months (such extended Multicurrency Revolving Maturity Date, the "First Extended Multicurrency Revolving Maturity Date") and (ii) the First Extended Multicurrency Revolving Maturity Date, extend the Multicurrency Revolving Maturity Date for up to an additional six months (such extended Multicurrency Revolving Maturity Date, the "Second Extended Multicurrency Revolving Maturity Date"), in each case, so long as (A) no Default or Event of Default shall have occurred and be continuing on the date of such written notice and on the effective date of such extension and (B) the Borrower pays an extension fee equal to 0.0625% of the then existing Multicurrency Revolving Commitments (to the Administrative Agent for the ratable benefit of the Multicurrency Revolving Lenders) and (II) (i) the Initial USD Revolving Maturity Date, extend the USD Revolving Maturity Date for up to six months (such extended USD Revolving Maturity Date, the "First Extended USD Revolving Maturity Date") and (ii) the First Extended USD Revolving Maturity Date, extend the USD Revolving Maturity Date for up to an additional six months (such extended USD Revolving Maturity Date, the "Second Extended USD Revolving Maturity Date"), in each case, so long as (A) no Default or Event of Default shall have occurred and be continuing on the date of such written notice and on the effective date of such extension and (B) the Borrower pays an extension fee equal to 0.0625% of the then existing USD Revolving Commitments (to the Administrative Agent for the ratable benefit of the USD Revolving Lenders).

(b) The Borrower may, by delivering a written notice to the Administrative Agent (who shall promptly deliver a copy to each of the Multicurrency Revolving Lenders), not less than 60 days in advance of the Multicurrency Revolving Maturity Date in effect at such time (the “Existing Multicurrency Revolving Maturity Date”), request that the Multicurrency Revolving Lenders extend the Existing Multicurrency Revolving Maturity Date. Each Multicurrency Revolving Lender, acting in its sole discretion, shall, by written notice to the Administrative Agent given not later than the date that is the 20th day after the date of the such request (the “Multicurrency Revolving Extension Response Date”), advise the Administrative Agent in writing whether or not such Multicurrency Revolving Lender agrees to the requested extension. Each Multicurrency Revolving Lender that advises the Administrative Agent that it will not extend the Existing Multicurrency Revolving Maturity Date is referred to herein as a “Non-Extending Multicurrency Revolving Lender”; provided, that any Multicurrency Revolving Lender that does not advise the Administrative Agent of its consent to such requested extension by the Multicurrency Revolving Extension Response Date and any Multicurrency Revolving Lender that is a Defaulting Lender on the Multicurrency Revolving Extension Response Date shall be deemed to be a Non-Extending Multicurrency Revolving Lender. The Administrative Agent shall notify the Borrower of the Multicurrency Revolving Lenders’ elections promptly following the Multicurrency Revolving Extension Response Date. The election of any Lender to agree to such an extension shall not obligate any other Lender to so agree. The Multicurrency Revolving Maturity Date may be extended no more than two times pursuant to this Section 2.23(b). Each extension pursuant to this Section 2.23(b) shall be offered ratably to each Multicurrency Revolving Lender and shall be subject to the following provisions:

(1) (i) If, by the Multicurrency Revolving Extension Response Date, Multicurrency Revolving Lenders holding then existing Multicurrency Revolving Commitments that aggregate 50% or more of the Total Multicurrency Revolving Commitments shall constitute Non-Extending Multicurrency Revolving Lenders, then the Existing Revolving Multicurrency Maturity Date shall not be extended and the outstanding principal balance of all Multicurrency Revolving Loans and other amounts payable hereunder shall be payable, and the Multicurrency Revolving Commitments shall terminate, on the Existing Revolving Multicurrency Maturity Date in effect prior to such extension.

(ii) If (and only if), by the Multicurrency Revolving Extension Response Date, Multicurrency Revolving Lenders holding Multicurrency Revolving Commitments that aggregate more than 50% of the Total Multicurrency Revolving Commitments shall have agreed to extend the Existing Multicurrency Revolving Maturity Date (each such consenting Multicurrency Revolving Lender, an “Extending Multicurrency Revolving Lender”), then effective as of the Existing Multicurrency Revolving Maturity Date, the Multicurrency Revolving Maturity Date for such Extending Multicurrency Revolving Lenders shall be so extended (subject to satisfaction of the conditions set forth in this Section 2.23(b)). In the event of such extension, the Commitment of each Non-Extending Multicurrency Revolving Lender shall terminate on the Existing Multicurrency Revolving Maturity Date in effect for such Non-Extending Multicurrency Revolving Lender prior to such extension and the outstanding principal balance of all Multicurrency Revolving Loans and other amounts payable hereunder to such Non-Extending Multicurrency Revolving Lender shall become due and payable on such Existing Multicurrency Revolving Maturity Date and, subject to Section 2.23(b)(2) below, the Total Multicurrency Revolving Commitments hereunder shall be reduced by the Multicurrency Revolving Commitments of the Non-Extending Multicurrency Revolving Lenders so terminated on such Existing Multicurrency Revolving Maturity Date.

(2) In the event of any extension of the Existing Multicurrency Revolving Maturity Date pursuant to this Section 2.23(b), the Borrower shall have the right on or before the Existing Multicurrency Revolving Maturity Date, at its own expense, to require any Non-Extending Multicurrency Revolving Lender to transfer and assign without recourse (in accordance with and subject to the restrictions contained in Section 10.6) all its interests, rights (other than its rights to payments pursuant to Section 2.16 or Section 2.17 or Section 10.4 arising prior to the effectiveness of such assignment) and obligations under this Agreement to one or more banks or other financial institutions identified to the Non-Extending Multicurrency Revolving Lender by the Borrower, which may include any existing Multicurrency Revolving Lender (each a “Multicurrency Replacement Revolving Lender”); provided, that (x) such Multicurrency Replacement Revolving Lender, if not already a Multicurrency Revolving Lender hereunder, shall be subject to the

approval of the Administrative Agent and each Issuing Lender to the extent the consent of the Administrative Agent or the Issuing Lenders, as applicable, would be required to effect an assignment under Section 10.6; such assignment shall become effective as of a date specified by the Borrower (which shall not be later than the Existing Multicurrency Revolving Maturity Date in effect for such Non-Extending Multicurrency Revolving Lender prior to the effective date of the requested extension) and the Multicurrency Replacement Revolving Lender shall pay to such Non-Extending Multicurrency Revolving Lender in immediately available funds on the effective date of such assignment the principal of and interest accrued to the date of payment on the outstanding principal amount Multicurrency Revolving Loans made by it hereunder and all other amounts accrued and unpaid for its account or otherwise owed to it hereunder on such date.

(3) As a condition precedent to each such extension of the Existing Multicurrency Revolving Maturity Date pursuant to this Section 2.23(b), the Borrower shall (x) deliver to the Administrative Agent a certificate of the Borrower dated as of the Existing Multicurrency Revolving Maturity Date signed by a Responsible Officer of the Borrower certifying that, as of such date, both before and immediately after giving effect to such extension, the representations and warranties of the Borrower set forth in this Agreement shall be true and correct in all material respects (other than any representation or warranty qualified as to “materiality”, “Material Adverse Effect” or similar language, which shall be accurate in all respects) and that no Default or Event of Default shall have occurred and be continuing and (y) first make such prepayments of the outstanding Multicurrency Revolving Loans and second provide such cash collateral (or make such other arrangements satisfactory to the applicable Issuing Lender) with respect to the outstanding Letters of Credit as shall be required such that, after giving effect to the termination of the Multicurrency Revolving Commitments of the Non-Extending Multicurrency Revolving Lenders pursuant to this Section 2.23(b) and any assignment pursuant to Section 2.23(b)(2), the aggregate Multicurrency Revolving Exposure less the face amount of any Letter of Credit supported by any such cash collateral (or other satisfactory arrangements) so provided does not exceed the aggregate amount of Multicurrency Revolving Commitments being extended.

(4) (i) The interest margins with respect to the extended Multicurrency Revolving Commitments and Multicurrency Revolving Loans may be different than the interest margins for the non-extended Multicurrency Revolving Commitments and Multicurrency Revolving Loans and upfront fees may be paid to the Extending Multicurrency Revolving Lenders, in each case, to the extent provided in the applicable extension amendment; (ii) the applicable loan extension amendment may provide for other covenants and terms that apply solely to any period after the latest applicable Maturity Date of the Multicurrency Revolving Commitments and Multicurrency Revolving Loans being extended; and (iii) no extended Multicurrency Revolving Commitments and Multicurrency Revolving Loans shall be entitled to the benefit of any collateral or guarantees while any existing Facility is outstanding unless all outstanding existing Facilities also receive the benefit of such collateral or guarantees.

(5) For the avoidance of doubt, no consent of any Lender (other than the existing Multicurrency Revolving Lenders participating in the extension of the Existing Multicurrency Revolving Maturity Date) shall be required for any extension of the Multicurrency Revolving Maturity Date pursuant to this Section 2.23(b) and any extension amendment may include such technical amendments to this Agreement as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower. This Section 2.23(b) shall supersede any provisions in Sections 2.15 and 10.1 to the contrary.

(c) The Borrower may, by delivering a written notice to the Administrative Agent (who shall promptly deliver a copy to each of the USD Revolving Lenders), not less than 60 days in advance of the USD Revolving Maturity Date in effect at such time (the “Existing USD Revolving Maturity Date”), request that the USD Revolving Lenders extend the Existing USD Revolving Maturity Date. Each USD Revolving Lender, acting in its sole discretion, shall, by written notice to the Administrative Agent given not later than the date that is the 20th day after the date of the such request (the “USD Revolving Extension Response Date”), advise the Administrative Agent in writing whether or not such USD Revolving Lender agrees to the requested extension. Each USD Revolving Lender that advises the Administrative Agent that it will not extend the Existing USD Revolving Maturity Date is

referred to herein as a “Non-Extending USD Revolving Lender”; provided, that any USD Revolving Lender that does not advise the Administrative Agent of its consent to such requested extension by the USD Revolving Extension Response Date and any USD Revolving Lender that is a Defaulting Lender on the USD Revolving Extension Response Date shall be deemed to be a Non-Extending USD Revolving Lender. The Administrative Agent shall notify the Borrower of the USD Revolving Lenders’ elections promptly following the USD Revolving Extension Response Date. The election of any Lender to agree to such an extension shall not obligate any other Lender to so agree. The USD Revolving Maturity Date may be extended no more than two times pursuant to this Section 2.23(c). Each extension pursuant to this Section 2.23(c) shall be offered ratably to each USD Revolving Lender and shall be subject to the following provisions:

(1) (i) If, by the USD Revolving Extension Response Date, USD Revolving Lenders holding then existing USD Revolving Commitments that aggregate 50% or more of the Total USD Revolving Commitments shall constitute Non-Extending USD Revolving Lenders, then the Existing Revolving USD Maturity Date shall not be extended and the outstanding principal balance of all USD Revolving Loans and other amounts payable hereunder shall be payable, and the USD Revolving Commitments shall terminate, on the Existing Revolving USD Maturity Date in effect prior to such extension.

(ii) If (and only if), by the USD Revolving Extension Response Date, USD Revolving Lenders holding USD Revolving Commitments that aggregate more than 50% of the Total USD Revolving Commitments shall have agreed to extend the Existing USD Revolving Maturity Date (each such consenting USD Revolving Lender, an “Extending USD Revolving Lender”), then effective as of the Existing USD Revolving Maturity Date, the USD Revolving Maturity Date for such Extending USD Revolving Lenders shall be so extended (subject to satisfaction of the conditions set forth in this Section 2.23(c)). In the event of such extension, the Commitment of each Non-Extending USD Revolving Lender shall terminate on the Existing USD Revolving Maturity Date in effect for such Non-Extending USD Revolving Lender prior to such extension and the outstanding principal balance of all USD Revolving Loans and other amounts payable hereunder to such Non-Extending USD Revolving Lender shall become due and payable on such Existing USD Revolving Maturity Date and, subject to Section 2.23(c)(2) below, the Total USD Revolving Commitments hereunder shall be reduced by the USD Revolving Commitments of the Non-Extending USD Revolving Lenders so terminated on such Existing USD Revolving Maturity Date.

(2) In the event of any extension of the Existing USD Revolving Maturity Date pursuant to this Section 2.23(c), the Borrower shall have the right on or before the Existing USD Revolving Maturity Date, at its own expense, to require any Non-Extending USD Revolving Lender to transfer and assign without recourse (in accordance with and subject to the restrictions contained in Section 10.6) all its interests, rights (other than its rights to payments pursuant to Section 2.16 or Section 2.17 or Section 10.4 arising prior to the effectiveness of such assignment) and obligations under this Agreement to one or more banks or other financial institutions identified to the Non-Extending USD Revolving Lender by the Borrower, which may include any existing USD Revolving Lender (each a “USD Replacement Revolving Lender”); provided, that (x) such USD Replacement Revolving Lender, if not already a USD Revolving Lender hereunder, shall be subject to the approval of the Administrative Agent and each Issuing Lender to the extent the consent of the Administrative Agent or the Issuing Lenders, as applicable, would be required to effect an assignment under Section 10.6; such assignment shall become effective as of a date specified by the Borrower (which shall not be later than the Existing USD Revolving Maturity Date in effect for such Non-Extending USD Revolving Lender prior to the effective date of the requested extension) and the USD Replacement Revolving Lender shall pay to such Non-Extending USD Revolving Lender in immediately available funds on the effective date of such assignment the principal of and interest accrued to the date of payment on the outstanding principal amount USD Revolving Loans made by it hereunder and all other amounts accrued and unpaid for its account or otherwise owed to it hereunder on such date.

(3) As a condition precedent to each such extension of the Existing USD Revolving Maturity Date pursuant to this Section 2.23(c), the Borrower shall (x) deliver to the Administrative Agent a certificate of the Borrower dated as of the Existing USD Revolving Maturity Date signed by a

Responsible Officer of the Borrower certifying that, as of such date, both before and immediately after giving effect to such extension, the representations and warranties of the Borrower set forth in this Agreement shall be true and correct in all material respects (other than any representation or warranty qualified as to “materiality”, “Material Adverse Effect” or similar language, which shall be accurate in all respects) and that no Default or Event of Default shall have occurred and be continuing and (y) first make such prepayments of the outstanding USD Revolving Loans and second provide such cash collateral (or make such other arrangements satisfactory to the applicable Issuing Lender) with respect to the outstanding Letters of Credit as shall be required such that, after giving effect to the termination of the USD Revolving Commitments of the Non-Extending USD Revolving Lenders pursuant to this Section 2.23(c) and any assignment pursuant to Section 2.23(c)(2), the aggregate USD Revolving Exposure less the face amount of any Letter of Credit supported by any such cash collateral (or other satisfactory arrangements) so provided does not exceed the aggregate amount of USD Revolving Commitments being extended.

(4) (i) The interest margins with respect to the extended USD Revolving Commitments and USD Revolving Loans may be different than the interest margins for the non-extended USD Revolving Commitments and USD Revolving Loans and upfront fees may be paid to the Extending USD Revolving Lenders, in each case, to the extent provided in the applicable extension amendment; (ii) the applicable loan extension amendment may provide for other covenants and terms that apply solely to any period after the latest applicable Maturity Date of the USD Revolving Commitments and USD Revolving Loans being extended; and (iii) no extended USD Revolving Commitments and USD Revolving Loans shall be entitled to the benefit of any collateral or guarantees while any existing Facility is outstanding unless all outstanding existing Facilities also receive the benefit of such collateral or guarantees.

(5) For the avoidance of doubt, no consent of any Lender (other than the existing USD Revolving Lenders participating in the extension of the Existing USD Revolving Maturity Date) shall be required for any extension of the USD Revolving Maturity Date pursuant to this Section 2.23(c) and any extension amendment may include such technical amendments to this Agreement as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower. This Section 2.23(c) shall supersede any provisions in Sections 2.15 and 10.1 to the contrary.

## 2.24 Extension of Delayed Draw Term Maturity Date.

(a) The Borrower may, by written notice to the Administrative Agent (which shall promptly notify each of the Delayed Draw Term Lenders) given at least 30 days but not more than 120 days prior to (i) the Initial Delayed Draw Term Maturity Date, extend the Delayed Draw Term Maturity Date for up to one year (such extended Delayed Draw Term Maturity Date, the “First Extended Delayed Draw Term Maturity Date”) and (ii) the First Extended Delayed Draw Term Maturity Date, extend the Delayed Draw Term Maturity Date for up to an additional one year (such extended Delayed Draw Term Maturity Date, the “Second Extended Delayed Draw Term Maturity Date”), in each case, so long as (A) no Default or Event of Default shall have occurred and be continuing on the date of such written notice and on the effective date of such extension and (B) the Borrower pays an extension fee equal to 0.125% of the then outstanding principal amount of the Delayed Draw Term Loans (to the Administrative Agent for the ratable benefit of the Delayed Draw Term Lenders).

(b) The Borrower may, by delivering a written notice to the Administrative Agent (who shall promptly deliver a copy to each of the Delayed Draw Term Lenders), not less than 60 days in advance of the Delayed Draw Term Maturity Date in effect at such time (the “Existing Delayed Draw Term Maturity Date”), request that the Delayed Draw Term Lenders extend the Existing Delayed Draw Term Maturity Date. Each Delayed Draw Term Lender, acting in its sole discretion, shall, by written notice to the Administrative Agent given not later than the date that is the 20th day after the date of the such request (the “Delayed Draw Term Extension Response Date”), advise the Administrative Agent in writing whether or not such Delayed Draw Term Lender agrees to the requested extension. Each Delayed Draw Term Lender that advises the Administrative Agent that it will not extend the Existing Delayed Draw Term Maturity Date is referred to herein as a “Non-Extending Delayed Draw Term Lender”; provided, that any Delayed Draw Term Lender that does not advise the Administrative Agent of its consent to such requested extension by the Delayed Draw Term Extension Response Date and any Delayed Draw Term

Lender that is a Defaulting Lender on the Delayed Draw Term Extension Response Date shall be deemed to be a Non-Extending Delayed Draw Term Lender. The Administrative Agent shall notify the Borrower of the Delayed Draw Term Lenders' elections promptly following the Delayed Draw Term Extension Response Date. The election of any Lender to agree to such an extension shall not obligate any other Lender to so agree. The Delayed Draw Term Maturity Date may be extended no more than two times pursuant to this Section 2.24(b). Each extension pursuant to this Section 2.24(b) shall be offered ratably to each Delayed Draw Term Lender and shall be subject to the following provisions:

(1) (i) If, by the Delayed Draw Term Extension Response Date, Delayed Draw Term Lenders holding then existing Available Delayed Draw Term Commitments and then outstanding Delayed Draw Term Loans that aggregate 50% or more of the total of the sum of the then existing Available Delayed Draw Term Commitments and then outstanding Delayed Draw Term Loans shall constitute Non-Extending Delayed Draw Term Lenders, then the Existing Delayed Draw Term Maturity Date shall not be extended and the outstanding principal balance of all Delayed Draw Term Loans and other amounts payable hereunder shall be payable, and the Delayed Draw Term Commitments shall terminate, on the Existing Delayed Draw Term Maturity Date in effect prior to such extension.

(ii) If (and only if), by the Delayed Draw Term Extension Response Date, Delayed Draw Term Lenders holding then existing Available Delayed Draw Term Commitments and then outstanding Delayed Draw Term Loans that aggregate more than 50% of the total of the sum of the then existing Available Delayed Draw Term Commitments and then outstanding Delayed Draw Term Loans shall have agreed to extend the Existing Delayed Draw Term Maturity Date (each such consenting Delayed Draw Term Lender, an "Extending Delayed Draw Term Lender"), then effective as of the Existing Delayed Draw Term Maturity Date, the Delayed Draw Term Maturity Date for such Extending Delayed Draw Term Lenders shall be so extended (subject to satisfaction of the conditions set forth in this Section 2.24(b)). In the event of such extension, the Commitment of each Non-Extending Delayed Draw Term Lender shall terminate on the Existing Delayed Draw Term Maturity Date in effect for such Non-Extending Delayed Draw Term Lender prior to such extension and the outstanding principal balance of all Delayed Draw Term Loans and other amounts payable hereunder to such Non-Extending Delayed Draw Term Lender shall become due and payable on such Existing Delayed Draw Term Maturity Date and, subject to Section 2.24(b)(2) below, the total Delayed Draw Term Commitments hereunder shall be reduced by the Delayed Draw Term Commitments of the Non-Extending Delayed Draw Term Lenders so terminated on such Existing Delayed Draw Term Maturity Date.

(2) In the event of any extension of the Existing Delayed Draw Term Maturity Date pursuant to this Section 2.24(b), the Borrower shall have the right on or before the Existing Delayed Draw Term Maturity Date, at its own expense, to require any Non-Extending Delayed Draw Term Lender to transfer and assign without recourse (in accordance with and subject to the restrictions contained in Section 10.6) all its interests, rights (other than its rights to payments pursuant to Section 2.16 or Section 2.17 or Section 10.4 arising prior to the effectiveness of such assignment) and obligations under this Agreement to one or more banks or other financial institutions identified to the Non-Extending Delayed Draw Term Lender by the Borrower, which may include any existing Delayed Draw Term Lender (each a "Replacement Delayed Draw Term Lender"); provided, that (x) such Replacement Delayed Draw Term Lender, if not already a Delayed Draw Term Lender hereunder, shall be subject to the approval of the Administrative Agent to the extent the consent of the Administrative Agent would be required to effect an assignment under Section 10.6; such assignment shall become effective as of a date specified by the Borrower (which shall not be later than the Existing Delayed Draw Term Maturity Date in effect for such Non-Extending Delayed Draw Term Lender prior to the effective date of the requested extension) and the Replacement Delayed Draw Term Lender shall pay to such Non-Extending Delayed Draw Term Lender in immediately available funds on the effective date of such assignment the principal of and interest accrued to the date of payment on the outstanding principal amount Delayed Draw Term Loans made by it hereunder and all other amounts accrued and unpaid for its account or otherwise owed to it hereunder on such date.

(3) As a condition precedent to each such extension of the Existing Delayed Draw Term Maturity Date pursuant to this Section 2.24(b), the Borrower shall (x) deliver to the Administrative Agent a certificate of the Borrower dated as of the Existing Delayed Draw Term Maturity Date signed by a Responsible Officer of the Borrower certifying that, as of such date, both before and immediately after giving effect to such extension, the representations and warranties of the Borrower set forth in this Agreement shall be true and correct in all material respects (other than any representation or warranty qualified as to “materiality”, “Material Adverse Effect” or similar language, which shall be accurate in all respects) and that no Default or Event of Default shall have occurred and be continuing.

(4) (i) The interest margins with respect to the extended Delayed Draw Term Loans may be different than the interest margins for the non-extended Delayed Draw Term Loans and upfront fees may be paid to the Extending Delayed Draw Term Lenders, in each case, to the extent provided in the applicable extension amendment; (ii) the applicable loan extension amendment may provide for other covenants and terms that apply solely to any period after the latest applicable Maturity Date of the Delayed Draw Term Loans being extended; and (iii) no extended Delayed Draw Term Loans shall be entitled to the benefit of any collateral or guarantees while any existing Facility is outstanding unless all outstanding existing Facilities also receive the benefit of such collateral or guarantees.

(5) For the avoidance of doubt, no consent of any Lender (other than the existing Delayed Draw Term Lenders participating in the extension of the Existing Delayed Draw Term Maturity Date) shall be required for any extension of the Delayed Draw Term Maturity Date pursuant to this Section 2.24(b) and any extension amendment may include such technical amendments to this Agreement as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower. This Section 2.24(b) shall supersede any provisions in Sections 2.15 and 10.1 to the contrary.

### SECTION 3. LETTERS OF CREDIT

#### 3.1 L/C Commitment.

(a) Subject to the terms and conditions hereof, the Borrower may request that (i) any Issuing Lender, in reliance on the agreements of the other Multicurrency Revolving Lenders set forth in Section 3.4(a), issue standby letters of credit (“Multicurrency Letters of Credit”) for the account of the Borrower (or for the account of the Borrower and one or more of its Restricted Subsidiaries) denominated in any Agreed Currency on any Business Day during the Multicurrency Commitment Period in such form as may be approved from time to time by such Issuing Lender or (ii) any Issuing Lender, in reliance on the agreements of the other USD Revolving Lenders set forth in Section 3.4(a), issue standby letters of credit (“USD Letters of Credit”) for the account of the Borrower (or for the account of the Borrower and one or more of its Restricted Subsidiaries) denominated in Dollars on any Business Day during the USD Commitment Period in such form as may be approved from time to time by such Issuing Lender; provided, that no Issuing Lender shall be required to issue any Letter of Credit if, after giving effect to such issuance, (i) the L/C Obligations would exceed the L/C Commitment, (ii) the aggregate amount of the Available Multicurrency Revolving Commitments would be less than zero, (iii) the aggregate amount of the Available USD Revolving Commitments would be less than zero or (iv) unless such Issuing Lender otherwise consents, the L/C Obligations with respect to Letters of Credit issued by any Issuing Lender would exceed the Issuing Lender Commitment of such Issuing Lender; provided, further, that no Issuing Lender shall be required to issue any Multicurrency Letter of Credit in an Alternative Currency if, after giving effect to such issuance, the Total Multicurrency Revolving Extensions of Credit denominated in Alternative Currencies would exceed the Alternative Currency Sublimit. Each Letter of Credit shall (i) (x) in the case of a Multicurrency Letter of Credit, be denominated in an Agreed Currency and (y) in the case of a USD Letter of Credit, be denominated in Dollars and (ii) expire no later than the earlier of (x) the first anniversary of its date of issuance and (y) the date that is five (5) Business Days prior to (1) in the case of a Multicurrency Letter of Credit, the Multicurrency Revolving Maturity Date and (2) in the case of a USD Letter of Credit, the USD Revolving Maturity Date; provided, that any Letter of Credit with a tenor of one year or less may provide for the automatic renewal thereof for additional periods of one year or less (which shall in no event extend beyond the date referred to in clause (y) above, subject to the penultimate sentence of this Section 3.1(a)) so long as such Letter of Credit permits the applicable Issuing Lender to prevent any such extension

at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the “Non-Extension Notice Date”) in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Once an automatic renewal Letter of Credit has been issued, the applicable Revolving Lenders shall be deemed to have authorized the Issuing Lender to permit the extension of such Letter of Credit at any time to an expiry date not later than the date referred to in clause (y) above; provided, however, that the Issuing Lender shall not permit any such extension if it has received written notice on or before the day that is seven Business Days before the Non-Extension Notice Date from any Lender or the Administrative Agent that a Default or Event of Default has occurred and is continuing directing the Issuing Lender not to permit such extension. Notwithstanding anything else herein to the contrary, if agreed by the applicable Issuing Lender, a Letter of Credit may extend up to one year beyond (i) in the case of a Multicurrency Letter of Credit, the Multicurrency Revolving Maturity Date and (ii) in the case of a USD letter of Credit, the USD Revolving Maturity Date; provided, that the Borrower shall deliver cash collateral to the applicable Issuing Lender in an amount equal to 103% of the face amount of such Letter of Credit no later than ninety-one (91) days prior to (i) in the case of a Multicurrency Letter of Credit, the Multicurrency Revolving Maturity Date and (ii) in the case of a USD Letter of Credit, the USD Revolving Maturity Date.

(b) No Issuing Lender shall at any time be obligated to issue any Letter of Credit if such issuance would conflict with, or cause the Issuing Lender or any L/C Participant to exceed any limits imposed by, any applicable Requirement of Law or would violate such Issuing Lender’s internal policies or procedures. Notwithstanding anything herein to the contrary, no Issuing Lender shall have an obligation hereunder to issue any Letter of Credit the proceeds of which would be made to any Person (i) to fund any prohibited activity or business of or with any Sanctioned Person, or in any country or territory, that at the time of such funding is the subject of any Sanctions or (ii) in any manner that would result in a violation of any Sanctions by any party to this Agreement.

(c) Notwithstanding that a Letter of Credit issued or outstanding hereunder supports any obligations of, or is for the account of, a Restricted Subsidiary, or states that a Restricted Subsidiary is the “account party,” “applicant,” “customer,” “instructing party,” or the like of or for such Letter of Credit, and without derogating from any rights of the Issuing Lender (whether arising by contract, at law, in equity or otherwise) against such Restricted Subsidiary in respect of such Letter of Credit, the Borrower (i) shall reimburse, indemnify and compensate the Issuing Lender hereunder for all obligations in respect of such Letter of Credit (including to reimburse any and all drawings thereunder), as if such Letter of Credit had been issued solely for the account of the Borrower and (ii) the Borrower irrevocably waives any and all defenses that might otherwise be available to it as a guarantor or surety of any or all of the obligations of such Restricted Subsidiary in respect of such Letter of Credit. The Borrower hereby acknowledges that the issuance of such Letters of Credit for its Restricted Subsidiaries inures to the benefit of the Borrower, and that the Borrower’s business derives substantial benefits from the businesses of such Restricted Subsidiaries.

3.2 Procedure for Issuance of Letter of Credit. The Borrower may from time to time request that an Issuing Lender issue a Letter of Credit by delivering to the applicable Issuing Lender and the Administrative Agent at their address for notices specified herein a request and an Application therefor, completed to the satisfaction of the applicable Issuing Lender, and such other certificates, documents and other papers and information as the applicable Issuing Lender may request, including a continuing agreement (or other letter of credit agreement) for the issuance of Letters of Credit as required by the respective Issuing Lender and using such Issuing Lender’s standard form. Upon receipt of any Application, the applicable Issuing Lender will process such Application and the certificates, documents and other papers and information delivered to it in connection therewith in accordance with its customary procedures and, unless it has received written notice from the Administrative Agent at least one (1) Business Day prior to the requested date of issuance that a Default or Event of Default has occurred and is continuing, shall promptly issue the Letter of Credit requested thereby (but in no event shall any Issuing Lender be required to issue any Letter of Credit earlier than three (3) Business Days after its receipt of the Application therefor and all such other certificates, documents and other papers and information relating thereto) by issuing such Letter of Credit to the beneficiary thereof or as otherwise may be agreed to by the applicable Issuing Lender and the Borrower. The applicable Issuing Lender shall furnish a copy of such Letter of Credit to the Borrower promptly following the issuance thereof. The applicable Issuing Lender shall promptly furnish to the Administrative Agent, which shall in turn promptly furnish to the Lenders, notice of the issuance of each Letter of Credit (including the amount thereof).

### 3.3 Fees and Other Charges.

(a) The Borrower will pay to the Administrative Agent (i) for the account of the Multicurrency Revolving Lenders, a fee on all outstanding Multicurrency Letters of Credit at a per annum rate equal to the Applicable Margin under the Multicurrency Revolving Facility then in effect with respect to Term Benchmark Loans on the Dollar Equivalent of the average daily amount of the Multicurrency L/C Obligations (excluding any portion thereof attributable to unreimbursed drawings), shared ratably among the Multicurrency Revolving Lenders and payable in Dollars quarterly in arrears on each Fee Payment Date after the issuance date and (ii) for the account of the USD Revolving Lenders, a fee on all outstanding USD Letters of Credit at a per annum rate equal to the Applicable Margin under the USD Revolving Facility then in effect with respect to Term Benchmark Loans on the average daily amount of the USD L/C Obligations (excluding any portion thereof attributable to unreimbursed drawings), shared ratably among the USD Revolving Lenders and payable in Dollars quarterly in arrears on each Fee Payment Date after the issuance date. In addition, the Borrower shall pay to each applicable Issuing Lender, for its own account, a fronting fee of 0.125% per annum on the Dollar Equivalent of the average daily amount of the L/C Obligations (excluding any portion thereof attributable to unreimbursed drawings), payable in Dollars quarterly in arrears on each Fee Payment Date after the issuance date.

(b) In addition to the foregoing fees, the Borrower shall pay or reimburse each applicable Issuing Lender in Dollars for customary costs and expenses as are incurred or charged by the Issuing Lender in issuing, negotiating, effecting payment under, amending or otherwise administering any Letter of Credit.

### 3.4 L/C Participations.

(a) Each Issuing Lender irrevocably agrees to grant and hereby grants (i) to each Multicurrency L/C Participant, and, to induce each Issuing Lender to issue Multicurrency Letters of Credit, each Multicurrency L/C Participant irrevocably and unconditionally agrees to accept and purchase and hereby accepts and purchases from each Issuing Lender, on the terms set forth below, for such Multicurrency L/C Participant's own account and risk an undivided interest equal to such Multicurrency L/C Participant's Multicurrency Revolving Percentage in each Issuing Lender's obligations and rights under and in respect of each Multicurrency Letter of Credit and the amount of each draft paid by an Issuing Lender thereunder and (ii) to each USD L/C Participant, and, to induce each Issuing Lender to issue USD Letters of Credit, each USD L/C Participant irrevocably and unconditionally agrees to accept and purchase and hereby accepts and purchases from each Issuing Lender, on the terms set forth below, for such USD L/C Participant's own account and risk an undivided interest equal to such USD L/C Participant's USD Revolving Percentage in each Issuing Lender's obligations and rights under and in respect of each USD Letter of Credit and the amount of each draft paid by an Issuing Lender thereunder. Each Multicurrency L/C Participant agrees with each Issuing Lender that, if a draft is paid under any Multicurrency Letter of Credit for which such Issuing Lender is not reimbursed in full by the Borrower in accordance with the terms of this Agreement, such Multicurrency L/C Participant shall pay, in the currency of such draft, to the Administrative Agent, for the account of such Issuing Lender, upon demand, at the Administrative Agent's address for notices specified herein an amount equal to such Multicurrency L/C Participant's Multicurrency Revolving Percentage of the amount of such draft, or any part thereof, that is not so reimbursed. Each USD L/C Participant agrees with each Issuing Lender that, if a draft is paid under any USD Letter of Credit for which such Issuing Lender is not reimbursed in full by the Borrower in accordance with the terms of this Agreement, such USD L/C Participant shall pay, in Dollars, to the Administrative Agent, for the account of such Issuing Lender, upon demand, at the Administrative Agent's address for notices specified herein an amount equal to such USD L/C Participant's USD Revolving Percentage of the amount of such draft, or any part thereof, that is not so reimbursed. Each L/C Participant's obligation to pay such amount shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any setoff, counterclaim, recoupment, defense or other right that such L/C Participant may have against any Issuing Lender, the Borrower or any other Person for any reason whatsoever, (ii) the occurrence or continuance of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in Section 5, (iii) any adverse change in the condition (financial or otherwise) of the Borrower, (iv) any breach of this Agreement or any other Loan Document by the Borrower, any other Loan Party or any other L/C Participant or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

(b) If any amount required to be paid by any L/C Participant for the account of any Issuing Lender pursuant to Section 3.4(a) in respect of any unreimbursed portion of any payment made by any such Issuing Lender under any Letter of Credit is paid to the Administrative Agent within three Business Days after the date such payment is due, such L/C Participant shall pay to the Administrative Agent, for the account of such Issuing Lender, on demand an amount equal to the product of (i) such amount, times (ii) the daily average Federal Funds Effective

Rate during the period from and including the date such payment is required to the date on which such payment is immediately available to the applicable Issuing Lender, times (iii) a fraction the numerator of which is the number of days that elapse during such period and the denominator of which is 360. If any such amount required to be paid by any L/C Participant pursuant to Section 3.4(a) is not made available to the Administrative Agent by such L/C Participant within three Business Days after the date such payment is due, the applicable Issuing Lender shall be entitled to recover from such L/C Participant, on demand, such amount with interest thereon calculated from such due date at the rate per annum applicable to ABR Loans under the applicable Revolving Facility. A certificate of the applicable Issuing Lender submitted to the Administrative Agent and any L/C Participant with respect to any amounts owing under this Section 3 shall be conclusive in the absence of manifest error.

(c) Whenever, at any time after any Issuing Lender has made payment under any Letter of Credit and has received from any applicable L/C Participant its pro rata share of such payment in accordance with Section 3.4(a), such Issuing Lender receives any payment related to such Letter of Credit (whether directly from the Borrower or otherwise, including proceeds of collateral applied thereto by such Issuing Lender), or any payment of interest on account thereof, such Issuing Lender will distribute to the Administrative Agent, for the account of such L/C Participant, its pro rata share thereof; provided, however, that in the event that any such payment received by such Issuing Lender shall be required to be returned by such Issuing Lender, such L/C Participant shall return to such Issuing Lender the portion thereof previously distributed by such Issuing Lender to it.

3.5 Reimbursement Obligation of the Borrower. If any drawing is paid under any Letter of Credit, the Borrower shall reimburse the Administrative Agent for the amount of (a) the drawing so paid in the Agreed Currency of such Letter of Credit and (b) any taxes, fees, charges or other costs or expenses incurred by any Issuing Lender in connection with such payment, not later than 12:00 Noon, New York City time, on (i) the Business Day that the Borrower receives notice of such drawing, if such notice is received on such day prior to 10:00 A.M., New York City time, or (ii) if clause (i) above does not apply, the Business Day immediately following the day that the Borrower receives notice of such drawing; provided, that the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.5 and the provisions below that such payment to be reimbursed be financed with an ABR Revolving Loan in Dollars in an equivalent amount and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Loan. Each such payment shall be made to the Administrative Agent at its address for notices referred to herein in the applicable Agreed Currency and in immediately available funds. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this Section 3.5, the Administrative Agent shall distribute such payment to the applicable Issuing Lender. Interest shall be payable on any such amounts from the date on which the relevant drawing is paid until payment in full at the rate set forth in (x) until the Business Day next succeeding the date of the relevant notice, Section 2.12(c) and (y) thereafter, Section 2.12(f).

3.6 Obligations Absolute. The Borrower's obligations under this Section 3 shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by any Issuing Lender under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 3, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. Neither the Administrative Agent, the Lenders nor the Issuing Lenders, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of any Issuing Lender; provided, that the foregoing shall not be construed to excuse the Issuing Lenders from liability to the Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by any such Issuing Lender's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct

on the part of the applicable Issuing Lender (as finally determined by a court of competent jurisdiction), the applicable Issuing Lender shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, any Issuing Lender may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

3.7 Letter of Credit Payments. If any documents shall be presented for payment under any Letter of Credit, the applicable Issuing Lender shall, within the time allowed by applicable law or the specific terms of the Letter of Credit following its receipt thereof, examine all documents purporting to represent a demand for payment under such Letter of Credit. Such Issuing Lender shall promptly after such examination notify the Administrative Agent and the Borrower of the date and amount thereof. The responsibility of the applicable Issuing Lender to the Borrower in connection with any documents presented for payment under any Letter of Credit shall, in addition to any payment obligation expressly provided for in such Letter of Credit, be limited to determining that the documents delivered under such Letter of Credit in connection with such presentment are substantially in conformity with such Letter of Credit.

3.8 Applications. To the extent that any provision of any Application related to any Letter of Credit is inconsistent with the provisions of this Section 3, the provisions of this Section 3 shall apply.

3.9 Replacement of Issuing Lender. (i) Any Issuing Lender may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced Issuing Lender and the successor Issuing Lender. The Administrative Agent shall notify the Lenders of any such replacement of an Issuing Lender. At the time any such replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Lender pursuant to Section 3.3. From and after the effective date of any such replacement, (x) the successor Issuing Lender shall have all the rights and obligations of an Issuing Lender under this Agreement with respect to Letters of Credit to be issued thereafter and (y) references herein to the term "Issuing Lender" shall be deemed to refer to such successor or to any previous Issuing Lender, or to such successor and all previous Issuing Lenders, as the context shall require. After the replacement of an Issuing Lender hereunder, the replaced Issuing Lender shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Lender under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(ii) Any Issuing Lender may resign as an Issuing Lender at any time upon thirty days' prior written notice to the Administrative Agent, the Borrower and the Lenders, in which case, such Issuing Lender shall be replaced in accordance with Section 3.9(i) above.

#### SECTION 4. REPRESENTATIONS AND WARRANTIES

To induce the Administrative Agent and the Lenders to enter into this Agreement and to make the Loans or to issue or participate in the Letters of Credit, the Borrower hereby represents and warrants to the Administrative Agent and each Lender that:

##### 4.1 Financial Condition.

(a) The pro forma covenant compliance certificate described in Section 5.1(i), copies of which have heretofore been furnished to the Administrative Agent, has been prepared giving effect (as if such events had occurred on such date) to (i) the Loans to be made on the Closing Date (if any) and the use of proceeds thereof, (ii) the repayment of Indebtedness under the Existing Credit Agreement (if any) and (iii) the payment of fees and expenses in connection with the foregoing. Such certificate has been prepared in good faith based on the information available to the Borrower as of the date of delivery thereof, and presents fairly in all material respects on a pro forma basis the estimated financial covenant compliance of the Borrower and its consolidated Subsidiaries as at the Closing Date, assuming that the events specified in the preceding sentence had actually occurred at such date.

(b) The audited consolidated balance sheets of VICI and its Subsidiaries as at December 31, 2020, and the related consolidated statements of income and of cash flows for the fiscal year ended on such date, reported on

by and accompanied by an unqualified report from Deloitte & Touche LLP, after giving effect to any “segment information” in such financial statements, present fairly in all material respects the consolidated financial condition of the Borrower and its Subsidiaries as at such date, and the consolidated results of its operations and its consolidated cash flows for the fiscal year then ended. The unaudited consolidated balance sheet of VICI and its Subsidiaries as at March 31, 2021, June 30, 2021 and September 30, 2021, and the related unaudited consolidated statements of income and cash flows for the three-month periods ended on such dates, after giving effect to any “segment information” in such financial statements, present fairly in all material respects the consolidated financial condition of the Borrower and its Subsidiaries as at such dates, and the consolidated results of its operations and its consolidated cash flows for the three-month periods then ended (subject to normal year end audit adjustments and the absence of footnotes). All such financial statements, including the related schedules and notes thereto, have been prepared in accordance with GAAP applied consistently throughout the periods involved (except as approved by the aforementioned firm of accountants and disclosed therein and except for the lack of footnotes with interim statements). No Group Member has any material Guarantee Obligations, contingent liabilities and liabilities for taxes, or any long-term leases or unusual forward or long-term commitments, including any interest rate or foreign currency swap or exchange transaction or other obligation in respect of derivatives, that are not reflected in the most recent financial statements referred to in this [Section 4.1](#).

4.2 No Change. Since December 31, 2020, there has been no development or event that has had or could reasonably be expected to have a Material Adverse Effect.

4.3 Existence; Compliance with Law. Each Group Member (a) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization except where such failure to be in good standing of any Restricted Subsidiary of the Borrower that is not a Subsidiary Guarantor would not reasonably be expected to, individually or in the aggregate, result in a Material Adverse Effect, (b) has the power and authority, and the legal right, to own and operate its property, to lease the property it operates as lessee and to conduct the business in which it is currently engaged except to the extent that its failure could not, in the aggregate, reasonably be expected to have a Material Adverse Effect, (c) is duly qualified as a foreign corporation or other organization and in good standing under the laws of each jurisdiction where its ownership, lease or operation of property or the conduct of its business requires such qualification, except to the extent that its failure to be so qualified could not, in the aggregate, reasonably be expected to have a Material Adverse Effect, and (d) is in compliance with all Requirements of Law except to the extent that the failure to comply therewith could not, in the aggregate, reasonably be expected to have a Material Adverse Effect.

4.4 Power; Authorization; Enforceable Obligations. Each Loan Party has the power and authority, and the legal right, to make, deliver and perform the Loan Documents to which it is a party and, in the case of the Borrower, to obtain extensions of credit hereunder. Each Loan Party has taken all necessary organizational action to authorize the execution, delivery and performance of the Loan Documents to which it is a party and, in the case of the Borrower, to authorize the extensions of credit on the terms and conditions of this Agreement. No consent or authorization of, filing with, notice to or other act by or in respect of, any Governmental Authority or any other Person is required in connection with the extensions of credit hereunder or with the execution, delivery, performance, validity or enforceability of this Agreement or any of the Loan Documents, except (i) consents, authorizations, filings and notices that have been obtained or made and are in full force and effect, (ii) any filings with the SEC when and as required by law or deemed appropriate by the Borrower, (iii) any filings in connection with the perfection of security interests to the extent required by [Section 6.16](#), and (iv) other consents, authorizations, filings and notices the failure of which to obtain could reasonably be expected to have a Material Adverse Effect. Each Loan Document has been duly executed and delivered on behalf of each Loan Party party thereto. This Agreement constitutes, and each other Loan Document upon execution will constitute, a legal, valid and binding obligation of each Loan Party thereto, enforceable against each such Loan Party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors’ rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

4.5 No Legal Bar. The execution, delivery and performance of this Agreement and the other Loan Documents, the borrowings hereunder, the issuance of the Letters of Credit and the use of the proceeds thereof will not violate any Requirement of Law or any Contractual Obligation of any Group Member, except for any such violation which could not reasonably be expected to have a Material Adverse Effect, and will not result in, or

require, the creation or imposition of any Lien on any of their respective properties or revenues pursuant to any Requirement of Law or any such Contractual Obligation (other than Permitted Liens).

4.6 Litigation. No litigation, investigation or proceeding of or before any arbitrator or Governmental Authority is pending or, to the knowledge of the Borrower, threatened by or against any Group Member or against any of their respective properties or revenues (a) which in any manner draws into question the validity or enforceability of any of the Loan Documents, or (b) that could reasonably be expected to have a Material Adverse Effect.

4.7 No Default. No Group Member is in default under or with respect to any of its Contractual Obligations in any respect that could reasonably be expected to have a Material Adverse Effect. No Default or Event of Default has occurred and is continuing.

4.8 Ownership of Property. Each Group Member has title in fee simple to, or a valid leasehold interest in, all its Real Property, and good title to, or a valid leasehold interest in, all its other property (including Mortgage Notes) necessary in the ordinary conduct of its business, except for Liens not prohibited by this Agreement and minor defects in title that do not materially interfere with its ability to conduct its business or to utilize such assets for their intended purposes and except where the failure to have such title or other property interests described above would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. Each Group Member has obtained customary title insurance on its material owned Real Property.

4.9 Intellectual Property. Each Group Member owns, or is licensed to use, all Intellectual Property necessary for the conduct of its business as currently conducted, except where the failure to have any such rights, either individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect. No material claim has been asserted and is pending by any Person challenging or questioning the use of any Intellectual Property or the ownership, validity, enforceability or effectiveness of any Intellectual Property, nor does the Borrower know of any valid basis for any such claim, which, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect. Except as, either individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect, the use of Intellectual Property by each Group Member and the operation of their respective businesses does not infringe on the rights of any Person.

Each Group Member has filed or caused to be filed all material Federal, state and other tax returns that are required to be filed and has paid all taxes shown to be due and payable on said returns or on any assessments made against it or any of its property and all other taxes, fees or other charges imposed on it or any of its property by any Governmental Authority (other than any the amount or validity of which are currently being contested in good faith by appropriate proceedings and with respect to which reserves in conformity with GAAP have been provided on the books of the relevant Group Member). No tax Lien has been filed, and, to the knowledge of the Borrower, no claim is being asserted, that any such tax, fee or other charge is past due or delinquent (other than Permitted Liens).

4.11 Federal Regulations. No part of the proceeds of any Loans, and no other extensions of credit hereunder, will be used (a) for “buying” or “carrying” any “margin stock” within the respective meanings of each of the quoted terms under Regulation U as now and from time to time hereafter in effect for any purpose that violates the provisions of the Regulations of the Board or (b) for any other purpose that violates the provisions of the Regulations of the Board. If requested by any Lender or the Administrative Agent, the Borrower will furnish to the Administrative Agent and each Lender a statement to the foregoing effect in conformity with the requirements of FR Form G-3 or FR Form U-1, as applicable, referred to in Regulation U.

The present value of all accumulated benefit obligations under each Single Employer Plan (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the last annual valuation date prior to the date on which this representation is made or deemed made, exceed the fair market value of the assets of such Single Employer Plan allocable to such accumulated benefit obligations by a material amount.

4.14 Investment Company Act; Other Regulations. No Loan Party is an “investment company”, or a company “controlled” by an “investment company”, within the meaning of the Investment Company Act of 1940, as amended. 4.16 Use of Proceeds. The proceeds of the Delayed Draw Term Loans, the Revolving Loans, the Letters of Credit and any New Term Loans (if any), shall be used for general corporate purposes of the Borrower and its Subsidiaries, including the financing of working capital needs, the repayment of Indebtedness of the Borrower (including Indebtedness under the Existing Credit Agreement) and its Subsidiaries and acquisitions and other Investments permitted by this Agreement.

4.17 Environmental Matters. Except as, in the aggregate, could not reasonably be expected to have a Material Adverse Effect, no Group Member (a) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, registration, exemption, notification, license or other approval issued or required under any Environmental Law, (b) has become subject to any Environmental Liability, (c) has received written notice of any pending or threatened claim with respect to any Environmental Liability, or (d) knows of any basis for any Environmental Liability.

4.18 Accuracy of Information, Etc. The statements and information contained in this Agreement, any other Loan Document, or any other document, certificate or written statement (other than financial projections and other forward looking statements and information of a general economic or general industry nature, including, without limitation, the Projections) furnished by or on behalf of any Loan Party to the Administrative Agent or the Lenders, or any of them, for use in connection with the transactions contemplated by this Agreement or the other Loan Documents, taken as a whole, do not contain as of the date such written statement, information, document or certificate was so furnished, any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained herein or therein not materially misleading in light of the circumstances under which, and in light of the purposes for which, such statements are made. The projections and pro forma financial information contained in the materials referenced above are based upon good faith estimates and assumptions believed by management of the Borrower to be reasonable at the time made, it being recognized by the Lenders that such financial information as it relates to future events is not to be viewed as fact and that actual results during the period or periods covered by such financial information will differ, possibly significantly, from the projected results set forth therein, and that no assurance can be given that the projected results will be realized.

4.19 Anti-Corruption Laws and Sanctions. The Borrower, its Subsidiaries and to the knowledge of the Borrower, its directors, officers, employees and agents to the extent acting on behalf of the Borrower or its Subsidiaries or benefitting from the credit facilities established hereby, are in compliance with Anti-Corruption Laws and applicable Sanctions in all material respects. None of the Borrower, any Subsidiary or any of their respective directors, officers or employees or to the knowledge of the Borrower any agent of the Borrower or any Subsidiary that will act in any capacity in connection with or benefit from the credit facility established hereby, is a Sanctioned Person. No borrowing or Letter of Credit, use of proceeds or other transaction contemplated by this Agreement will violate Anti-Corruption Laws or applicable Sanctions.

(h) one or more final judgments or decrees shall be entered against any Group Member (other than an Immaterial Subsidiary) involving in the aggregate a liability (not paid or fully covered by insurance as to which the relevant insurance company has not denied coverage) of \$150,000,000 or more, and all such judgments or decrees shall not have been vacated, discharged, stayed or bonded pending appeal within 60 days from the entry thereof; or

(i) any of the Loan Documents (or any material provisions thereof) shall cease, for any reason, to be in full force and effect, or any Loan Party or any Affiliate of any Loan Party shall so assert other than as expressly permitted hereunder or thereunder; or

(j) other than in connection with any transaction not prohibited by Section 7.5, any Significant Master Lease shall have terminated other than in accordance with its terms; provided, that such termination shall not constitute an Event of Default (and neither the Administrative Agent nor any Lender shall take any of the actions referred to in this Section 8) if, within 90 days of such termination, (x) the Borrower has entered into one or more Permitted Replacement Leases and (y) in the case of a Permitted Replacement Lease, the Borrower shall be in compliance with the financial covenants set forth in Section 7.1 on a pro forma basis (including after giving effect to such Permitted Replacement Leases (as if such Permitted Replacement Leases had been in effect for the most recent four fiscal quarter period for which financial statements have been or are required to have been delivered pursuant to Sections 6.1(a) or (b))); or

(k) a Change of Control occurs;

then, and in any such event, (A) if such event is an Event of Default specified in clause (i), (ii), (iii) or (iv) of paragraph (f) above with respect to the Borrower, automatically the Commitments shall immediately terminate and the Loans (with accrued interest thereon) and all other amounts owing under this Agreement and the other Loan Documents (including all amounts of L/C Obligations, whether or not the beneficiaries of the then outstanding Letters of Credit shall have presented the documents required thereunder) shall immediately become due and payable (and the obligation to deposit cash collateral for Letters of Credit described below shall become effectively immediately and such deposits shall become immediately due and payable), and (B) if such event is any other Event of Default, either or both of the following actions may be taken: (i) with the consent of the Required Lenders, the Administrative Agent may, or upon the request of the Required Lenders, the Administrative Agent shall, by notice to the Borrower declare the Commitments to be terminated forthwith, whereupon the Commitments shall immediately terminate; and (ii) with the consent of the Required Lenders, the Administrative Agent may, or upon the request of the Required Lenders, the Administrative Agent shall, by notice to the Borrower, declare the Loans (with accrued interest thereon) and all other amounts owing under this Agreement and the other Loan Documents (including all amounts of L/C Obligations, whether or not the beneficiaries of the then outstanding Letters of Credit shall have presented the documents required thereunder) to be due and payable forthwith, whereupon the same shall immediately become due and payable. With respect to all Letters of Credit with respect to which presentment for honor shall not have occurred at the time of an acceleration pursuant to this paragraph, the Borrower shall at such time deposit in a cash collateral account opened by the Administrative Agent an amount equal to the aggregate then undrawn and unexpired amount of such Letters of Credit plus the aggregate amount of drawings under such Letters of Credit that have not then been reimbursed. Amounts held in such cash collateral account shall be held as collateral

for the payment and performance of the Obligations and shall be applied by the Administrative Agent to the payment of drafts drawn under such Letters of Credit, and the unused portion thereof after all such Letters of Credit shall have expired or been fully drawn upon, if any, shall be applied to repay other obligations of the Borrower hereunder and under the other Loan Documents. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. After all such Letters of Credit shall have expired or been fully drawn upon, all Reimbursement Obligations shall have been satisfied and all other obligations of the Borrower hereunder and under the other Loan Documents shall have been paid in full, the balance, if any, in such cash collateral account shall be returned to the Borrower (or such other Person as may be lawfully entitled thereto). Except as expressly provided above in this Section 8, presentment, demand, protest and all other notices of any kind are hereby expressly waived by the Borrower.

Notwithstanding anything else herein to the contrary, in the event that there shall occur any Default or Event of Default arising as a result of the inclusion of any Real Property as an Unencumbered Property and if such Default or Event of Default is capable of being cured solely by the exclusion of such Real Property as an Unencumbered Property, then within 10 Business Days from the earlier of (i) receipt of written notice of such Default or Event of Default from the Administrative Agent or (ii) the date upon which a Responsible Officer of the Borrower obtains knowledge of such Default or Event of Default, the Borrower may elect to cure such Default or Event of Default by electing to remove such Unencumbered Property upon the delivery of (x) written notice to the Administrative Agent thereof and (y) delivery of a Compliance Certificate excluding such Real Property as an Unencumbered Property and evidencing compliance with the financial covenants set forth in Section 7.1 (after giving effect to such removal) for the periods such Real Property was included as an Unencumbered Property. The Borrower's notice of its election and delivery of the Compliance Certificate pursuant to clause (y) above pursuant to the preceding sentence shall be delivered to the Administrative Agent within the period of 10 Business Days provided above, and if not so delivered the Borrower's cure period shall immediately terminate and any such Default shall become an Event of Default.

In the event that following the occurrence or during the continuance of any Event of Default, the Administrative Agent or any Lender, as the case may be, receives any monies in connection with the enforcement of any the Loan Documents, such monies shall be distributed for application as follows:

(a) First, to pay that portion of the Obligations constituting fees, indemnities, expenses and other amounts payable to the Administrative Agent (including fees and disbursements and other charges of counsel to the Administrative Agent payable under Section 10.5 and amounts pursuant to Section 2.6(b) payable to the Administrative Agent in its capacity as such);

(b) Second, to pay any fees or expense reimbursements then due to the Lenders from the Loan Parties;

(c) Third, to pay interest then due and payable on the Loans and Reimbursement Obligations ratably,

(d) Fourth, to payment of Obligations constituting principal on the Loans and Reimbursement Obligations and obligations under Cash Management Services and Specified Swap Agreements due to the Administrative Agent or any Lender or any Affiliate of the Administrative Agent or any Lender by the Loan Parties, in each case ratably among the Lenders, the Administrative Agent and their Affiliates in proportion to the amounts described in this clause Fourth payable to them,

(e) Fifth, to pay an amount to the Administrative Agent equal to one hundred five percent (105%) of the aggregate undrawn face amount of all outstanding Letters of Credit and the aggregate amount of any unpaid Reimbursement Obligations, to be held as cash collateral for such Obligations, in each case ratably among the Issuing Lenders in proportion to the amounts described in this clause Fifth; and

(f) Sixth, to the payment of any other Obligation due to the Administrative Agent or any Lender or any Affiliate of the Administrative Agent or any Lender by the Loan Parties.

Notwithstanding the foregoing, amounts received from any Subsidiary Guarantor shall not be applied to any Excluded Swap Obligation of such Subsidiary Guarantor.

#### SECTION 9. THE ADMINISTRATIVE AGENT

9.1 Authorization and Action. (a) Each Lender and each Issuing Lender hereby irrevocably appoints the entity named as Administrative Agent in the heading of this Agreement and its successors and assigns to serve as the administrative agent under the Loan Documents and each Lender and each Issuing Lender authorizes the Administrative Agent to take such actions as agent on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to the Administrative Agent under such agreements and to exercise such powers as are reasonably incidental thereto. Without limiting the foregoing, each Lender and each Issuing Lender hereby authorizes the Administrative Agent to execute and deliver, and to perform its obligations under, each of the Loan Documents to which the Administrative Agent is a party, and to exercise all rights, powers and remedies that the Administrative Agent may have under such Loan Documents.

(b) As to any matters not expressly provided for herein and in the other Loan Documents (including enforcement or collection), the Administrative Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the written instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, pursuant to the terms in the Loan Documents), and, unless and until revoked in writing, such instructions shall be binding upon each Lender and each Issuing Lender; provided, however, that the Administrative Agent shall not be required to take any action that (1) the Administrative Agent in good faith believes exposes it to liability unless the Administrative Agent receives an indemnification and is exculpated in a manner satisfactory to it from the Lenders and the Issuing Lenders with respect to such action or (2) is contrary to this Agreement or any other Loan Document or applicable law, including any action that may be in violation of the automatic stay under any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors; provided, further, that the Administrative Agent may seek clarification or direction from the Required Lenders prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided. Except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower, any Subsidiary or any Affiliate of any of the foregoing that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. Nothing in this Agreement shall require the Administrative Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(c) In performing its functions and duties hereunder and under the other Loan Documents, the Administrative Agent is acting solely on behalf of the Lenders and the Issuing Lenders (except in limited circumstances expressly provided for herein relating to the maintenance of the Register), and its duties are entirely mechanical and administrative in nature. Without limiting the generality of the foregoing:

(A) the Administrative Agent does not assume and shall not be deemed to have assumed any obligation or duty or any other relationship as the agent, fiduciary or trustee of or for any Lender or any Issuing Lender other than as expressly set forth herein and in the other Loan Documents, regardless of whether a Default or an Event of Default has occurred and is continuing (and it is understood and agreed that the use of the term “agent” (or any similar term) herein or in any other Loan Document with reference to the Administrative Agent is not intended to connote any fiduciary duty or other implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties); additionally, each Lender agrees that it will not assert any claim against the Administrative Agent based on an alleged breach of fiduciary duty by the Administrative Agent in connection with this Agreement and/or the transactions contemplated hereby; and

(B) nothing in this Agreement or any Loan Document shall require the Administrative Agent to account to any Lender for any sum or the profit element of any sum received by the Administrative Agent for its own account;

(d) The Administrative Agent may perform any of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any of their respective duties and exercise their respective rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities pursuant to this Agreement. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agent except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agent.

(e) No Arranger, Co-Syndication Agent, or Co-Documentation Agent shall have obligations or duties whatsoever in such capacity under this Agreement or any other Loan Document and shall incur no liability hereunder or thereunder in such capacity, but all such persons shall have the benefit of the indemnities provided for hereunder.

(f) In case of the pendency of any proceeding with respect to any Loan Party under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, the Administrative Agent (irrespective of whether the principal of any Loan or any Reimbursement Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(A) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Disbursements and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Lenders and the Administrative Agent (including any claim under Sections 2.6, 2.12, 2.13, 2.16, 2.17 and 10.5) allowed in such judicial proceeding; and

(B) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Lender and each Issuing Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders or the Issuing Lenders, to pay to the Administrative Agent any amount due to it, in its capacity as the Administrative Agent, under the Loan Documents (including under Section 10.5). Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any Issuing Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or any Issuing Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender or any Issuing Lender in any such proceeding.

(g) The provisions of this Section 9 are solely for the benefit of the Administrative Agent, the Lenders and the Issuing Lenders, and, except solely to the extent of the Borrower's rights to consent pursuant to and subject to the conditions set forth in this Article, none of the Borrower or any Subsidiary, or any of their respective Affiliates, shall have any rights as a third party beneficiary under any such provisions.

9.2 Administrative Agent's Reliance, Limitation of Liability, Etc. (a) Neither the Administrative Agent nor any of its Related Parties shall be (i) liable for any action taken or omitted to be taken by such party, the Administrative Agent or any of its Related Parties under or in connection with this Agreement or the other Loan Documents (x) with the consent of or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents) or (y) in the absence of its own gross negligence or willful

misconduct (such absence to be presumed unless otherwise determined by a court of competent jurisdiction by a final and non-appealable judgment) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document (including, for the avoidance of doubt, in connection with the Administrative Agent's reliance on any Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page) or for any failure of any Loan Party to perform its obligations hereunder or thereunder.

(b) The Administrative Agent shall be deemed not to have knowledge of any (i) notice of any of the events or circumstances set forth or described in Section 6.7 unless and until written notice thereof stating that it is a "notice under Section 6.7" in respect of this Agreement and identifying the specific clause under said Section is given to the Administrative Agent by the Borrower, or (ii) notice of any Default or Event of Default unless and until written notice thereof (stating that it is a "notice of Default" or a "notice of an Event of Default") is given to the Administrative Agent by the Borrower, a Lender or an Issuing Lender. Further, the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (A) any statement, warranty or representation made in or in connection with any Loan Document, (B) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (C) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default or Event of Default, (D) the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, or (E) the satisfaction of any condition set forth in Section 5 or elsewhere in any Loan Document, other than to confirm receipt of items (which on their face purport to be such items) expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent. Notwithstanding anything herein to the contrary, the Administrative Agent shall not be liable for, or be responsible for any Liabilities, costs or expenses suffered by the Borrower, any Subsidiary, any Lender or any Issuing Lender as a result of, any determination of the Multicurrency Revolving Exposure or USD Revolving Exposure, any of the component amounts thereof or any portion thereof attributable to each Lender or Issuing Lender or any exchange rate or Dollar Equivalent.

(c) Without limiting the foregoing, the Administrative Agent (i) may treat the payee of any promissory note as its holder until such promissory note has been assigned in accordance with Section 10.6, (ii) may rely on the Register to the extent set forth in Section 10.6(b), (iii) may consult with legal counsel (including counsel to the Borrower), independent public accountants and other experts selected by it, and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts, (iv) makes no warranty or representation to any Lender or Issuing Lender and shall not be responsible to any Lender or Issuing Lender for any statements, warranties or representations made by or on behalf of any Loan Party in connection with this Agreement or any other Loan Document, (v) in determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Lender, may presume that such condition is satisfactory to such Lender or Issuing Lender unless the Administrative Agent shall have received notice to the contrary from such Lender or Issuing Lender sufficiently in advance of the making of such Loan or the issuance of such Letter of Credit and (vi) shall be entitled to rely on, and shall incur no liability under or in respect of this Agreement or any other Loan Document by acting upon, any notice, consent, certificate or other instrument or writing (which writing may be a fax, any electronic message, Internet or intranet website posting or other distribution) or any statement made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated by the proper party or parties (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof).

9.3 Posting of Communications. (a) The Borrower agrees that the Administrative Agent may, but shall not be obligated to, make any Communications available to the Lenders and the Issuing Lenders by posting the Communications on IntraLinks™, DebtDomain, SyndTrak, ClearPar or any other electronic platform chosen by the Administrative Agent to be its electronic transmission system (the "Approved Electronic Platform").

(b) Although the Approved Electronic Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time

(including, as of the Closing Date a user ID/password authorization system) and the Approved Electronic Platform is secured through a per-deal authorization method whereby each user may access the Approved Electronic Platform only on a deal-by-deal basis, each of the Lenders, each of the Issuing Lenders and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of any Lender that are added to the Approved Electronic Platform, and that there may be confidentiality and other risks associated with such distribution. Each of the Lenders, each of the Issuing Lenders and the Borrower hereby approves distribution of the Communications through the Approved Electronic Platform and understands and assumes the risks of such distribution.

(c) THE APPROVED ELECTRONIC PLATFORM AND THE COMMUNICATIONS ARE PROVIDED “AS IS” AND “AS AVAILABLE”. THE APPLICABLE PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS, OR THE ADEQUACY OF THE APPROVED ELECTRONIC PLATFORM AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE APPROVED ELECTRONIC PLATFORM AND THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE APPLICABLE PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE APPROVED ELECTRONIC PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT, ANY ARRANGER, ANY CO-SYNDICATION AGENT, ANY CO-DOCUMENTATION AGENT OR ANY OF THEIR RESPECTIVE RELATED PARTIES (COLLECTIVELY, “APPLICABLE PARTIES”) HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER, ANY ISSUING LENDER OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND ARISING OUT OF ANY LOAN PARTY’S OR THE ADMINISTRATIVE AGENT’S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET OR THE APPROVED ELECTRONIC PLATFORM, EXCEPT TO THE EXTENT THAT SUCH LIABILITIES ARE DETERMINED BY A COURT OF COMPETENT JURISDICTION BY A FINAL AND NON-APPEALABLE JUDGMENT TO HAVE RESULTED FROM THE GROSS NEGLIGENCE, BAD FAITH OR WILLFUL MISCONDUCT OF SUCH APPLICABLE PARTY; PROVIDED THAT IN NO EVENT SHALL ANY APPLICABLE PARTY HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER, ANY ISSUING LENDER OR ANY OTHER PERSON OR ENTITY FOR INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES (AS OPPOSED TO DIRECT OR ACTUAL DAMAGES).

(d) Each Lender and each Issuing Lender agrees that notice to it (as provided in the next sentence) specifying that Communications have been posted to the Approved Electronic Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender and Issuing Lender agrees (i) to notify the Administrative Agent in writing (which could be in the form of electronic communication) from time to time of such Lender’s or Issuing Lender’s (as applicable) email address to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such email address.

(e) Each of the Lenders, each of the Issuing Lenders and the Borrower agrees that the Administrative Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Communications on the Approved Electronic Platform in accordance with the Administrative Agent’s generally applicable document retention procedures and policies.

(f) Nothing herein shall prejudice the right of the Administrative Agent, any Lender or any Issuing Lender to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

9.4 The Administrative Agent Individually. With respect to its Commitments, Loans, Letter of Credit Commitments and Letters of Credit, the Person serving as the Administrative Agent shall have and may exercise the same rights and powers hereunder and is subject to the same obligations and liabilities as and to the extent set forth herein for any other Lender or Issuing Lender, as the case may be. The terms “Issuing Lenders”, “Lenders”, “Required Lenders” and any similar terms shall, unless the context clearly otherwise indicates, include the Administrative Agent in its individual capacity as a Lender, Issuing Lender or as one of the Required Lenders, as applicable. The Person serving as the Administrative Agent and its Affiliates may accept deposits from, lend money

to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of banking, trust or other business with, the Borrower, any Subsidiary or any Affiliate of any of the foregoing as if such Person was not acting as the Administrative Agent and without any duty to account therefor to the Lenders or the Issuing Lenders.

9.5 Successor Administrative Agent. (a) The Administrative Agent may resign at any time by giving 30 days' prior written notice thereof to the Lenders, the Issuing Lenders and the Borrower, whether or not a successor Administrative Agent has been appointed. Upon any such resignation, the Required Lenders shall have the right to appoint a successor Administrative Agent. If no successor Administrative Agent shall have been so appointed by the Required Lenders, and shall have accepted such appointment, within 30 days after the retiring Administrative Agent's giving of notice of resignation, then the retiring Administrative Agent may, on behalf of the Lenders and the Issuing Lenders, appoint a successor Administrative Agent, which shall be a bank with an office in New York, New York or an Affiliate of any such bank. In either case, such appointment shall be subject to the prior written approval of the Borrower (which approval may not be unreasonably withheld and shall not be required while an Event of Default has occurred and is continuing). Upon the acceptance of any appointment as Administrative Agent by a successor Administrative Agent, such successor Administrative Agent shall succeed to, and become vested with, all the rights, powers, privileges and duties of the retiring Administrative Agent. Upon the acceptance of appointment as Administrative Agent by a successor Administrative Agent, the retiring Administrative Agent shall be discharged from its duties and obligations under this Agreement and the other Loan Documents. Prior to any retiring Administrative Agent's resignation hereunder as Administrative Agent, the retiring Administrative Agent shall take such action as may be reasonably necessary to assign to the successor Administrative Agent its rights as Administrative Agent under the Loan Documents.

(b) Notwithstanding paragraph (a) of this Section 9.5, in the event no successor Administrative Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its intent to resign, the retiring Administrative Agent may give notice of the effectiveness of its resignation to the Lenders, the Issuing Lenders and the Borrower, whereupon, on the date of effectiveness of such resignation stated in such notice, (i) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents and (ii) the Required Lenders shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent; provided, that (A) all payments required to be made hereunder or under any other Loan Document to the Administrative Agent for the account of any Person other than the Administrative Agent shall be made directly to such Person and (B) all notices and other communications required or contemplated to be given or made to the Administrative Agent shall directly be given or made to each Lender and each Issuing Lender. Following the effectiveness of the Administrative Agent's resignation from its capacity as such, the provisions of this Article and Section 10.5, as well as any exculpatory, reimbursement and indemnification provisions set forth in any other Loan Document, shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

9.6 Acknowledgments of Lenders and Issuing Lenders (a) Each Lender and each Issuing Lender represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility, (ii) it is engaged in making, acquiring or holding commercial loans and in providing other facilities set forth herein as may be applicable to such Lender or Issuing Lender, in each case in the ordinary course of business, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument (and each Lender and each Issuing Lender agrees not to assert a claim in contravention of the foregoing), (iii) it has, independently and without reliance upon the Administrative Agent, any Arranger, any Co-Syndication Agent, any Co-Documentation Agent or any other Lender or Issuing Lender, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement as a Lender, and to make, acquire or hold Loans hereunder and (iv) it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender or such Issuing Lender, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities. Each Lender and each Issuing Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, any Arranger, any Co-Syndication Agent, any Co-Documentation Agent or any other Lender or Issuing Lender, or any of the Related Parties of any of the foregoing, and based on such documents and information (which may

contain material, non-public information within the meaning of the United States securities laws concerning the Borrower and its Affiliates) as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

(b) Each Lender, by delivering its signature page to this Agreement on the Closing Date, or delivering its signature page to an Assignment and Assumption or any other Loan Document pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Closing Date.

(c)

(A) Each Lender hereby agrees that (x) if the Administrative Agent notifies such Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Lender from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously transmitted to such Lender (whether or not known to such Lender), and demands in writing (email being sufficient) the return of such Payment (or a portion thereof), such Lender shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar doctrine. A notice of the Administrative Agent to any Lender under this Section 9.6(c) shall be conclusive, absent manifest error.

(B) Each Lender hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a "Payment Notice") or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(C) The Borrower and each other Loan Party hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Lender that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party.

(D) Each party's obligations under this Section 9.6(c) shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by,

or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

(E) For the purposes of this Section 9.6(c), the term “Lender” includes any Issuing Lender.

9.7 Certain ERISA Matters. (a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and each Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(A) such Lender is not using “plan assets” (within the meaning of the Plan Asset Regulations) of one or more Benefit Plans in connection with the Loans, the Letters of Credit or the Commitments,

(B) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(C) (1) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (2) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (3) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of subsections (b) through (g) of Part I of PTE 84-14 and (4) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(D) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has provided another representation, warranty and covenant as provided in sub-clause (D) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, each Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that none of the Administrative Agent, or any Arranger, any Co-Syndication Agent, any Co-Documentation Agent or any of their respective Affiliates is a fiduciary with respect to the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related to hereto or thereto).

(c) The Administrative Agent, and each Arranger, Co-Syndication Agent and Co-Documentation Agent hereby informs the Lenders that each such Person is not undertaking to provide investment advice or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Commitments, this Agreement and any other Loan Documents (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the

Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

9.8 Secured Parties. By accepting the benefits of any collateral securing the Obligations, each Secured Party, whether or not a party hereto, shall be deemed to have appointed the Administrative Agent to serve as administrative agent and collateral agent under the Loan Documents and agreed to be bound by the Loan Documents as a Secured Party thereunder, subject to the limitations set forth in this paragraph. No document with respect to Cash Management Services or a Specified Swap Agreement will create (or be deemed to create) in favor of any Secured Party that is a party thereto any rights in connection with the management or release of any collateral securing the Obligations or of the obligations of any Loan Party under any Loan Document.

## SECTION 10. MISCELLANEOUS

10.1 Amendments and Waivers. Neither this Agreement, any other Loan Document, nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section 10.1. The Required Lenders and each Loan Party to the relevant Loan Document may, or, with the written consent of the Required Lenders, the Administrative Agent and each Loan Party to the relevant Loan Document may, from time to time, (a) enter into written amendments, supplements or modifications hereto and to the other Loan Documents for the purpose of adding any provisions to this Agreement or the other Loan Documents or changing in any manner the rights of the Lenders or of the Loan Parties hereunder or thereunder or (b) waive, on such terms and conditions as the Required Lenders or the Administrative Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Loan Documents or any Default or Event of Default and its consequences; provided, however, that no such waiver and no such amendment, supplement or modification shall: (i) forgive or reduce the principal amount or extend the final scheduled date of maturity of any Loan (except as provided in Sections 2.23 and 2.24), reduce the stated rate of any interest or fee payable hereunder (except (x) in connection with the waiver of applicability of any post-default increase in interest rates (which waiver shall be effective with the consent of the Required Lenders and (y) that any amendment or modification of defined terms used in the financial covenants or the computation thereof in this Agreement shall not constitute a reduction in the rate of interest or fees for purposes of this clause (i))), extend the scheduled date of any payment thereof (excluding mandatory payments), or increase the amount or extend the expiration date of any Lender's Commitment, in each case without the written consent of each Lender directly affected thereby; (ii) change any provision of this Section 10.1, the definition of "Required Lenders", the definition of "Majority Facility Lenders" or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender directly affected thereby; provided that the provisions of this paragraph, the definition of the term "Required Lenders" and "Majority Facility Lenders" may be amended to include references to any new class of loans created under this Agreement in accordance with Sections 2.21, 2.23 or 2.24 (or to lenders extending such loans); (iii) consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement and the other Loan Documents, release all or substantially all of the Subsidiary Guarantors from the Guarantee Agreement (except as provided in Section 10.15) or release all or substantially all of the collateral required pursuant to Section 6.16 (except as otherwise provided in Section 6.16 or as provided in Section 10.15), in each case, without the written consent of all Lenders (provided, that, for the avoidance of doubt, release of the Limited Equity Pledge shall only require the consent of the Required Lenders); (iv) amend, modify or waive any provision of Section 9 without the written consent of the Administrative Agent; (v) amend, modify or waive any provision of Section 2.22 or Section 3 without the written consent of each Issuing Lender; (vi) change Section 2.15(a), (b) or (c) or Section 10.7(a) in a manner that would alter the pro rata sharing of payments required thereby, without the written consent of each Lender affected thereby; (vii) amend, modify or waive Section 5.2 without the consent of the applicable Majority Facility Lenders of the affected Facility (provided that the foregoing shall not limit the ability of the Required Lenders to waive any Default or Event of Default or representation or warranty under the Loan Documents); (viii) subordinate the liens on all or substantially all of the collateral that secures the Obligations pursuant to Section 6.16 to any other Indebtedness for borrowed money (other than the Bridge Facilities) without the written consent of each Lender directly and adversely affected thereby or (ix) amend or

modify the definitions of “Alternative Currency” or “Agreed Currency” without the written consent of each Multicurrency Revolving Lender and (to the extent an Issuing Lender is obligated to issue Letters of Credit in an Alternative Currency) each such Issuing Lender. Any such waiver and any such amendment, supplement or modification shall apply equally to each of the Lenders and shall be binding upon the Loan Parties, the Lenders, the Administrative Agent and all future holders of the Loans. In the case of any waiver, the Loan Parties, the Lenders and the Administrative Agent shall be restored to their former position and rights hereunder and under the other Loan Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default, or impair any right consequent thereon;

and provided, further, that (i) any fee letter may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto, (ii) the Administrative Agent may, with the consent of the Borrower only, amend, modify or supplement this Agreement or any other Loan Document to cure any ambiguity, omission, defect or inconsistency (as reasonably determined by the Administrative Agent) so long as the Lenders shall have received at least five Business Days’ prior written notice thereof and Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from the Majority Facility Lenders stating that the Majority Facility Lenders object to such amendment and (iii) the Administrative Agent and the Borrower shall be permitted to amend any provision of any collateral documents to better implement the intentions of this Agreement and the other Loan Documents and to add collateral.

The Administrative Agent and the Borrower may (without the consent of any of the Lenders) amend any Loan Document to the extent (but only to the extent) necessary to reflect the existence and terms of any Incremental Commitments as contemplated by Section 2.21 and to reflect the extension of the Delayed Draw Term Loans, Revolving Commitments and Revolving Loans pursuant to Sections 2.23 or 2.24, as applicable (in each case, including as may be necessary in order to establish new tranches or sub-tranches in respect of the Loans and/or Commitments and to make such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection therewith). Notwithstanding anything to the contrary contained herein, any such amendment shall become effective without any further consent of any other party to such Loan Document.

provided, that (i) any notice, request or demand to or upon the Administrative Agent or the Lenders shall not be effective until received and (ii) notices delivered through Approved Electronic Platforms, to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Notices and other communications to the Borrower, any Loan Party, the Lenders and the Issuing Lenders hereunder may be delivered or furnished by using Approved Electronic Platforms pursuant to procedures approved by the Administrative Agent; provided, that the foregoing shall not apply to notices pursuant to Section 2 unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided, that approval of such procedures may be limited to particular notices or communications.

(c) Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided, that for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(d) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto.

10.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Administrative Agent, any Lender or any Issuing Lender, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law or otherwise available. No waiver of any provision of this Agreement or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by Section 10.1, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any Issuing Lender may have had notice or knowledge of such Default at the time.

10.4 Survival. All covenants, representations and warranties made by the Borrower hereunder, in the other Loan Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of the Loans and other extensions of credit hereunder, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any Issuing Lender or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 2.16, 2.17, 2.18 and 10.5 and Section 9 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof.

10.5 Expenses; Limitation of Liability; Indemnity, Etc.

(a) The Borrower shall pay (i) all reasonable out-of-pocket documented expenses incurred by the Administrative Agent, the Arrangers and their Affiliates (including the reasonable out-of-pocket documented fees, charges and disbursements of one primary counsel and, to the extent reasonably necessary, one local counsel in each applicable jurisdiction (which may be a single counsel acting in multiple jurisdictions) for the Administrative Agent and the Arrangers), in connection with the syndication of the credit facilities provided for herein, the preparation and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable out-of-pocket documented expenses incurred by any Issuing Lender in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all out-of-pocket documented expenses incurred by the Administrative Agent, any Issuing Lender or any Lender (including the reasonable out-of-pocket documented fees, charges and disbursements of one primary counsel and, to the extent reasonably necessary, one local counsel in each applicable jurisdiction (which may be a single counsel acting in multiple jurisdictions) and, in the case of any actual or perceived conflict of interest, one additional counsel in each applicable jurisdiction for each such affected Person) for the Administrative Agent, any Issuing Lender or any Lender, in connection with the enforcement or protection of its rights in connection with this Agreement and the other Loan Documents, including its rights under this Section 10.5, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) To the extent permitted by applicable law (i) the Borrower and any Loan Party shall not assert, and the Borrower and each Loan Party hereby waives, any claim against the Administrative Agent, any Arranger, any Co-Syndication Agent, any Co-Documentation Agent, any Issuing Lender and any Lender, and any Related Party of any of the foregoing Persons (each such Person being called a "Lender-Related Person") for any Liabilities arising from the use by others of information or other materials (including, without limitation, any personal data) obtained through telecommunications, electronic or other information transmission systems (including the Internet) other than Liabilities resulting from the gross negligence, bad faith or willful misconduct of such Lender-Related Person as determined in a final and non-appealable judgment by a court of competent jurisdiction, and (ii) no party hereto shall assert, and each such party hereby waives, any Liabilities against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof; provided, that nothing in this Section 10.5(b) shall relieve the Borrower and each Loan Party of any obligation it may have to indemnify an Indemnitee, as provided in Section 10.5(c), against any special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(c) The Borrower shall indemnify the Administrative Agent, each Arranger, each Co-Syndication Agent, each Co-Documentation Agent, each Issuing Lender and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all Liabilities and expenses (including the reasonable out-of-pocket documented fees, charges and disbursements of one primary counsel and, to the extent reasonably necessary, one local counsel in each applicable jurisdiction (which may be a single counsel acting in multiple jurisdictions) and, in the case of any actual or

perceived conflict of interest, one additional counsel in each applicable jurisdiction for each such affected Person) for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, (ii) the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby, including the funding of the Facilities, the issuance of any Letter of Credit, and any other extension of credit hereunder, (iii) any action taken in connection with this Agreement, including but not limited to, the payment of principal, interest and fees, (iv) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by an Issuing Lender to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (v) any actual or alleged presence or release of Materials of Environmental Concern on or from any property owned or operated by the Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to the Borrower or any of its Subsidiaries, (vi) any act or omission of the Administrative Agent in connection with the administration of this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby or (vii) any actual or prospective Proceeding relating to any of the foregoing (including in relation to enforcing the terms of the limitation of liability and indemnification referred to herein), whether or not such Proceeding is brought by the Borrower or any other Loan Party or its or their respective equity holders, Affiliates, creditors or any other third Person, whether or not any Indemnitee is a party thereto and whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto; provided, that such indemnity shall not, as to any Indemnitee, be available (i) to the extent that such Liabilities or expenses are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted primarily from the willful misconduct, bad faith or gross negligence of such Indemnitee or the material breach of any Loan Documents by such Indemnitee or (ii) in the case of a Proceeding solely among Indemnities to the extent such Proceeding does not arise from any act or omission of the Borrower or any of its Subsidiaries (in each case other than any Proceeding against the Administrative Agent, any Arranger or any other Indemnitee in its similar capacity or role under any Facility), in each case, acting in such capacities or fulfilling such roles. This Section 10.5(c) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim and shall be without duplication of any matters addressed under Sections 2.16 and 2.17. Without limiting the foregoing, and to the extent permitted by applicable law, the Borrower agrees not to assert and to cause its Subsidiaries not to assert, and hereby waives and agrees to cause its Subsidiaries to waive, all rights for contribution or any other rights of recovery with respect to all claims, demands, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature, under or related to Environmental Laws, that any of them might have by statute or otherwise against any Indemnitee.

(d) Each Lender severally agrees to pay any amount required to be paid by the Borrower under paragraphs (a), (b) or (c) of this Section 10.5 to the Administrative Agent, each Issuing Lender and each Related Party of any of the foregoing Persons (each, an “Agent-Related Person”) (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to their respective Aggregate Exposure in effect on the date on which such payment is sought under this Section 10.5 (or, if such payment is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such Aggregate Exposure immediately prior to such date), and agrees to indemnify and hold each Agent-Related Person harmless from and against any and all Liabilities and related expenses, including the fees, charges and disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent-Related Person in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent-Related Person under or in connection with any of the foregoing; provided, that the unreimbursed expense or Liability or related expense, as the case may be, was incurred by or asserted against such Agent-Related Person in its capacity as such; provided, further, that no Lender shall be liable for the payment of any portion of such Liabilities, costs, expenses or disbursements that are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted primarily from such Agent-Related Person’s gross negligence or willful misconduct. The agreements in this Section 10.5 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(e) All amounts due under this Section 10.5 shall be payable within ten (10) Business Days after written demand therefor and receipt of a reasonably detailed invoice.

#### 10.6 Successors and Assigns; Participations and Assignments.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of an Issuing Lender that issues any Letter of Credit), except that (1) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (2) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 10.6. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of an Issuing Lender that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section 10.6) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing Lenders and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Persons that are Eligible Assignees (each, an “Assignee”) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment, participations in Letters of Credit and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, conditioned or delayed) of:

(A) the Borrower; provided, that no consent of the Borrower shall be required for an assignment to a Lender, an affiliate of a Lender, an Approved Fund (as defined below) or, if an Event of Default has occurred and is continuing, any other Person that is an Eligible Assignee; provided, further, that the Borrower shall be deemed to have consented to an assignment unless it shall have objected thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof;

(B) the Administrative Agent; provided, that no consent of the Administrative Agent shall be required for an assignment of (i) all or any portion of a Delayed Draw Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund or (ii) any Revolving Commitment to an assignee that is a Lender with a Revolving Commitment immediately prior to giving effect to such assignment; and

(C) solely in the case of a Revolving Facility, each Issuing Lender.

(ii) Assignments shall be subject to the following additional conditions:

(D) except in the case of an assignment to a Lender or an Affiliate of a Lender, an Approved Fund or an assignment of the entire remaining amount of the assigning Lender’s Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than, in the case of Revolving Loans and Revolving Commitments, \$5,000,000 or, in the case of Delayed Draw Term Loans and Delayed Draw Term Commitments, \$1,000,000 unless each of the Borrower and the Administrative Agent otherwise consent; provided, that no such consent of the Borrower shall be required if an Event of Default has occurred and is continuing;

(E) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender’s rights and obligations under this Agreement; provided, that this clause (E) shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender’s rights and obligations in respect of one Class of Commitments or Loans;

(F) the parties to each assignment shall execute and deliver to the Administrative Agent (x) an Assignment and Assumption or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, together with a processing and recordation fee of \$3,500; and

(G) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

For the purposes of this Section 10.6(b), the term “Approved Fund” has the following meaning:

“Approved Fund” means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course of its business and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section 10.6, from and after the effective date specified in each Assignment and Assumption the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender’s rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.16, 2.17, 2.18 and 10.5). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 10.6 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 10.6.

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans and L/C Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent, the Issuing Lenders and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Issuing Lender and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of (x) a duly completed Assignment and Assumption executed by an assigning Lender and an Assignee or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, the Assignee’s completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 10.6 and any written consent to such assignment required by paragraph (b) of this Section 10.6, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this Section 10.6.

(c) (i) Any Lender may, without the consent of, or notice to, the Borrower, the Administrative Agent or the Issuing Lenders, sell participations to one or more banks or other entities (other than the Borrower or its Subsidiaries or Affiliates or a natural person) (a “Participant”) in all or a portion of such Lender’s rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided, that (x) such Lender’s obligations under this Agreement shall remain unchanged; (y) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and (z) the Borrower, the Administrative Agent, the Issuing Lenders and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided, that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 10.1 that affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Section 2.16.

2.17 and 2.18 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 10.6. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.7 as though it were a Lender; provided, that such Participant agrees to be subject to Section 10.7 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided, that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(ii) Each Participant shall agree to be subject to the provisions of Section 2.20 as though it were a Lender. A Participant shall not be entitled to receive any greater payment under Section 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation or the sale of the participation to such Participant is made with the Borrower's prior written consent, which consent specifically refers to this Section 10.6(c)(ii).

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 10.6 shall not apply to any such pledge or assignment of a security interest; provided, that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(e) If requested by any Lender, the Borrower shall execute and deliver a Note to such Lender, and, if requested, replacement Notes executed by the Borrower.

(f) Disqualified Institutions. (i) No assignment or participation shall be made to any Person that was a Disqualified Institution as of the date (the "Trade Date") on which the assigning Lender entered into a binding agreement to sell and assign or grant a participation in all or a portion of its rights and obligations under this Agreement to such Person (unless the Borrower has consented to such assignment or participation in writing in its sole and absolute discretion, in which case such Person will not be considered a Disqualified Institution for the purpose of such assignment or participation). For the avoidance of doubt, with respect to any assignee or Participant that becomes a Disqualified Institution after the applicable Trade Date (including as a result of the delivery of a notice pursuant to, and/or the expiration of the notice period referred to in, the definition of "Disqualified Institution"), (x) such assignee or Participant shall not retroactively be disqualified from becoming a Lender or Participant and (y) the execution by the Borrower of an Assignment and Assumption with respect to such assignee will not by itself result in such assignee no longer being considered a Disqualified Institution. Any assignment or participation in violation of this clause (f)(i) shall not be void, but the other provisions of this clause (f) shall apply.

(ii) If any assignment or participation is made to any Disqualified Institution without the Borrower's prior written consent in violation of clause (i) above or if any Person becomes a Disqualified Institution after the applicable Trade Date, the Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, (A) terminate any Revolving Commitment of such Disqualified Institution and repay all obligations of the Borrower owing to such Disqualified Institution in connection with such Revolving Commitment, plus accrued interest, accrued fees and all other amounts payable to it hereunder, (B) terminate any Delayed Draw Term Commitment of such Disqualified Institution and repay all obligations of the Borrower owing to such Disqualified Institution in connection with such Delayed Draw Term Commitment, plus accrued interest, accrued fees and all other amounts payable to it hereunder, (C) in the case of outstanding Delayed Draw Term Loans held by Disqualified Institutions, purchase or prepay such Delayed Draw Term Loans by

paying the principal amount thereof plus accrued interest fees and other amounts payable to it hereunder and/or (D) require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 10.6), all of its interest, rights and obligations under this Agreement to one or more Eligible Assignees at the principal amount thereof plus accrued interest, accrued fees and all other amounts payable to it hereunder.

(iii) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Institutions to whom an assignment or participation is made in violation of clause (i) above (A) will not (x) have the right to receive information, reports or other materials provided to Lenders by the Borrower, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Loan Document, each Disqualified Institution will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Institutions consented to such matter.

(iv) The Administrative Agent shall have the right, and the Borrower hereby expressly authorizes the Administrative Agent, to (A) post the list of Disqualified Institutions provided by the Borrower and any updates thereto from time to time (collectively, the “Disqualified Institution List”) on an Approved Electronic Platform, including that portion of such Approved Electronic Platform that is designated for “public side” Lenders and/or (B) provide the Disqualified Institution List to each Lender requesting the same.

#### 10.7 Adjustments; Setoff.

(a) Except to the extent that this Agreement expressly provides for payments to be allocated to a particular Lender or to the Lenders under a particular Facility, if any Lender (a “Benefitted Lender”) shall receive any payment of all or part of the Obligations owing to it, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 8(f), or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of the Obligations owing to such other Lender, such Benefitted Lender shall purchase for cash from the other Lenders a participating interest in such portion of the Obligations owing to each such other Lender, or shall provide such other Lenders with the benefits of any such collateral, as shall be necessary to cause such Benefitted Lender to share the excess payment or benefits of such collateral ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefitted Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest.

(b) In addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by applicable law, upon any amount becoming due and payable by the Borrower hereunder (whether at the stated maturity, by acceleration or otherwise), to set off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of the Borrower. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such setoff and application made by such Lender; provided, that the failure to give such notice shall not affect the validity of such setoff and application.

#### 10.8 Counterparts; Integration; Effectiveness; Electronic Execution.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to (i) fees payable to the Administrative Agent and (ii) the reductions of the Letter of Credit Commitment of any Issuing

Lender constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 5.1, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

(b) Delivery of an executed counterpart of a signature page of (x) this Agreement, (y) any other Loan Document and/or (z) any document, amendment, approval, consent, information, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 10.2), certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each, an “Ancillary Document”) that is an Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Loan Document or such Ancillary Document, as applicable. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Agreement, any other Loan Document and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; provided, that nothing herein shall require the Administrative Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept any Electronic Signature, the Administrative Agent and each of the Lenders shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the Borrower or any other Loan Party without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (ii) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, the Borrower and each Loan Party hereby (A) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders, the Borrower and the Loan Parties, Electronic Signatures transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Loan Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (B) the Administrative Agent and each of the Lenders may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person’s business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (C) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (D) waives any claim against any Lender-Related Person for any Liabilities arising solely from the Administrative Agent’s and/or any Lender’s reliance on or use of Electronic Signatures and/or transmissions by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page, including any Liabilities arising as a result of the failure of the Borrower and/or any Loan Party to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

10.9 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

10.10 No Fiduciary Duty, Etc. (a) The Borrower acknowledges and agrees, and acknowledges its Subsidiaries’ understanding, that no Credit Party will have any obligations except those obligations expressly set forth herein and in the other Loan Documents and each Credit Party is acting solely in the capacity of an arm’s length contractual counterparty to the Borrower with respect to the Loan Documents and the transactions contemplated herein and therein and not as a financial advisor or a fiduciary to, or an agent of, the Borrower or any

other person. The Borrower agrees that it will not assert any claim against any Credit Party based on an alleged breach of fiduciary duty by such Credit Party in connection with this Agreement and the transactions contemplated hereby. Additionally, the Borrower acknowledges and agrees that no Credit Party is advising the Borrower as to any legal, tax, investment, accounting, regulatory or any other matters in any jurisdiction. The Borrower shall consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and appraisal of the transactions contemplated herein or in the other Loan Documents, and the Credit Parties shall have no responsibility or liability to the Borrower with respect thereto.

(b) The Borrower further acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each Credit Party, together with its Affiliates, is a full service securities or banking firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. In the ordinary course of business, any Credit Party may provide investment banking and other financial services to, and/or acquire, hold or sell, for its own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of, the Borrower and other companies with which the Borrower may have commercial or other relationships. With respect to any securities and/or financial instruments so held by any Credit Party or any of its customers, all rights in respect of such securities and financial instruments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion.

(c) In addition, the Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each Credit Party and its affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which the Borrower may have conflicting interests regarding the transactions described herein and otherwise. No Credit Party will use confidential information obtained from the Borrower by virtue of the transactions contemplated by the Loan Documents or its other relationships with the Borrower in connection with the performance by such Credit Party of services for other companies, and no Credit Party will furnish any such information to other companies. The Borrower also acknowledges that no Credit Party has any obligation to use in connection with the transactions contemplated by the Loan Documents, or to furnish to the Borrower, confidential information obtained from other companies.

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the Borrower, as the case may be at its address set forth in Section 10.2 or at such other address of which the Administrative Agent shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction;

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 10.13 any special, exemplary, punitive or consequential damages; and

Any such release of Guarantee Obligations shall be deemed subject to the provision that such Guarantee Obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Subsidiary Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Subsidiary Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.

required to disclose such information shall take reasonable efforts (at the Borrower's expense) to ensure that any Information so disclosed shall be afforded confidential treatment and, to the extent permitted by applicable law, rule or legal process, notify the Borrower promptly in advance thereof, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder or under any other Loan Document, (f) subject to an agreement containing provisions substantially the same as those of this Section 10.16, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, (g) on a confidential basis to (i) any rating agency in connection with rating the Borrower or its Subsidiaries or the credit facilities provided for herein or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of identification numbers with respect to the credit facilities provided for herein, (h) with the consent of the Borrower, (i) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 10.16 or (ii) becomes available to the Administrative Agent, any Issuing Lender or any Lender on a non-confidential basis from a source other than the Borrower who is not, to the knowledge of the Administrative Agent, such Issuing Lender or such Lender, under an obligation of confidentiality to the Borrower with respect to such Information and (j) to market data collectors, similar service providers to the lending industry and service providers to the Administrative Agent or any Lender only to the extent necessary in connection with the administration, settlement and management of this Agreement, the other Loan Documents, the Commitments, and the Loans and Letters of Credit incurred hereunder or to any credit insurance provider relating to the Borrower and its Obligations. For the purposes of this Section 10.16, "Information" means all information received from the Borrower relating to the Borrower or its business, other than any such information that is available to the Administrative Agent, any Issuing Lender or any Lender on a non-confidential basis prior to disclosure by the Borrower and other than information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry.

10.17 WAIVERS OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.17.

10.18 USA PATRIOT Act. Each Lender that is subject to the requirements of the USA PATRIOT Act of 2001 (the "Patriot Act") hereby notifies the Borrower that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender to identify the Borrower in accordance with the Patriot Act.

10.19 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or any Lender hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent or such Lender, as the case may be, of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent or such Lender, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent or any Lender from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or such Lender, as the case may be, against such loss. If

the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent or any Lender in such currency, the Administrative Agent or such Lender, as the case may be, agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable law).

10.20 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

10.21 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively, the “Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section 10.21 shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the NYFRB Rate to the date of repayment, shall have been received by such Lender.

10.22 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document (provided, however, that the Borrower shall be entitled to transfer, assign or waive its right to receive any such shares or other instruments to the extent necessary or prudent to preserve its status as a REIT, to the extent permitted by applicable law); or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

10.23 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Agreements or any other agreement or instrument that is a QFC (such support “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States).

(a) In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit

Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

10.24 Non-Recourse. Notwithstanding anything to the contrary contained in this Agreement, in any of the other Loan Documents, or in any other instruments, certificates, documents or agreements executed in connection with this Agreement (all of the foregoing, for purposes of this Section 10.24, hereinafter referred to, individually and collectively, as the “Relevant Documents”), no recourse under or upon any Obligation, representation, warranty, promise or other matter whatsoever shall be had against any of the constituent general or limited partners of the Borrower or their successors and assigns (said constituent partners and their successors and assigns, for purposes of this Section 10.24, hereinafter referred to, individually and collectively, as the “VICI OP Partners”), and each Lender expressly waives and releases, on behalf of itself and its successors and assigns, all right to assert any liability whatsoever under or with respect to the Relevant Documents against, or to satisfy any claim or obligation arising thereunder against, any of the VICI OP Partners or out of any assets of the VICI OP Partners, provided, however, that nothing in this Section 10.24 shall be deemed to (1) release the Borrower or the other Loan Parties from any personal liability pursuant to, or from any of its respective obligations under, the Relevant Documents, or from personal liability for its fraudulent actions or fraudulent omissions, (2) release any VICI OP Partner from personal liability for its own fraudulent actions or fraudulent omissions in relation to which liability would otherwise exist under applicable law, (3) constitute a waiver of any obligation evidenced by, or contained in, the Relevant Documents or affect in any way the validity or enforceability of the Relevant Documents or (4) limit the right of Administrative Agent and/or the Lenders to proceed against or realize upon any and all of the assets of the Borrower or the other Loan Parties (notwithstanding the fact that the VICI OP Partners have an ownership interest in and, thereby, an interest in the assets of the Borrower or the other Loan Parties) or to name the Borrower or the other Loan Parties (or, to the extent that the same are required by applicable law or are determined by a court to be necessary parties in connection with an action or suit against the Borrower or the other Loan Parties, any of the VICI OP Partners) as a party defendant in, and to enforce against all or any part of the assets of the Borrower or the other Loan Parties any judgment obtained by Administrative Agent and/or the Lenders with respect to, any action or suit under the Relevant Documents so long as no judgment shall be taken or shall be enforced against the VICI OP Partners, their successors and assigns, or their assets (except (i) to the extent taking a judgment is required by applicable law or determined by a court to be necessary to preserve Administrative Agent’s and/or Lender’s rights against the Borrower or the other Loan Parties, but not otherwise and (ii) any judgment or enforcement in respect of personal liability of a VICI OP Partner described in clause (2) above).

10.25 Limited Equity Pledge. No later than the closing of the MGP Transactions, Borrower shall cause its direct parent entity at such time (the “Borrower Parent”) to deliver a pledge of the limited partnership interests of the Borrower owned by such Borrower Parent as collateral to secure the Obligations pursuant to a pledge agreement (the “Limited Equity Pledge Agreement”, and such pledge under the Limited Equity Pledge Agreement, the “Limited Equity Pledge”) in form and substance reasonably agreed by the Borrower and the Administrative Agent (provided, that (x) it being agreed and understood the execution of, and being obligated under, such Limited Equity Pledge Agreement shall not cause the Borrower Parent to have a Guarantee Obligation in respect of the Obligations and there shall not be any recourse against the Borrower Parent in connection therewith and (y) notwithstanding anything to the contrary herein, the existence of the Limited Equity Pledge Agreement shall not, in and of itself, cause the Indebtedness under the Loan Documents (or any other Indebtedness that may from time to time benefit from such Limited Equity Pledge Agreement or any similar other agreement granting a substantially identical lien as the Limited Equity Pledge Agreement) to be Secured Indebtedness. The Limited Equity Pledge Agreement (and the security interests thereunder) shall remain in effect until released or terminated in accordance with its terms or with the consent of the Required Lenders, and upon such release or termination, the Administrative Agent is authorized

by the Lenders to execute and deliver any release or assignment documents reasonably requested by, and at the expense of, the Borrower.

10.26 Payments Set Aside. To the extent that any payment by or on behalf of the Borrower is made to the Administrative Agent or any Lender, or the Administrative Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the greater of the NYFRB Rate from time to time in effect and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.
