OBJECTIVE AND INVESTMENT POLICY

Objective

To grow capital over a five year period.

Investment policy

What the fund invests in

- 80% to 100% in company shares.
- Up to 20% in bonds, cash and near cash, other transferable securities, other funds (up to 10%) managed by Artemis and third party funds, and money market instruments.

Use of derivatives

The fund may use derivatives for efficient portfolio management purposes to:

- reduce risk
- manage the fund efficiently.

Where the fund invests

- United States of America, including companies in other countries that are headquartered or have a significant part of their activities in the USA.

Industries the fund invests in

- Any

Other limitations specific to this fund

- None

Investment strategy

- The fund is actively managed.
- The manager uses multiple sources of information, both to generate ideas and to assist in validating and testing candidate companies for investment. This is complemented by techniques such as data mining (examining large databases of information) and financial analysis.
- External research is also used in order to tap into knowledge already available and to look for different views.
- The manager carries out a significant amount of analysis of wider economic trends to understand cyclical and long-term trends and the outlook.

Benchmarks

- S&P 500 GBP NR (net of 15% withholding tax)
A widely-used indicator of the performance of 500 large publicly-traded US companies, some of which the fund invests in. It acts as a 'comparator benchmark' against which the fund's performance can be compared. Management of the fund is not restricted by this benchmark.
- IA North America NR
A group of other asset managers' funds that invest in similar asset types as this fund, collated by the Investment Association. It acts as a 'comparator benchmark' against which the fund's performance can be compared. Management of the fund is not restricted by this benchmark.

12 MONTHS TO YEAR END (31 DECEMBER)

Source: Lipper Limited from 6 May 2015 to 31 October 2024. Prior to 31 October 2024, fund performance was measured against the S&P 500 Total Return Index. From 31 October 2024 onwards, it will be measured against the S&P 500 Net Return Index. All figures show total returns with dividends and/or income reinvested, net of all charges. Performance does not take account of any costs incurred when investors buy or sell the fund. Returns may vary as a result of currency fluctuations if the investor's currency is different to that of the class. This class may have charges or a hedging approach different from those in the IA sector benchmark.

RISK CONSIDERATIONS

To ensure you understand whether this fund is suitable for you, please read the Key Investor Information which is available, along with the fund's Prospectus, from www.artemisfunds.com or www.fundinfo.com.

The fund is exposed to the following risks:

Market volatility risk	The value of the fund and any income from it can fall or rise because of movements in stockmarkets, currencies and interest rates, each of which can move irrationally and be affected unpredictably by diverse factors, including political and economic events.
Currency risk	The fund's assets may be priced in currencies other than the fund base currency. Changes in currency exchange rates can therefore affect the fund's value.
Concentration risk	The fund may have investments concentrated in a limited number of holdings. This can be more risky than holding a wider range of investments.

OTHER INFORMATION

This is a marketing communication. Before making any final investment decisions, and to understand the investment risks involved, refer to the fund prospectus, available in English, and KIID/KID, available in English and in your local language depending on local country registration, from www.artemisfunds.com or www.fundinfo.com.

CAPITAL AT RISK. All financial investments involve taking risk and the value of your investment may go down as well as up. This means your investment is not guaranteed and you may not get back as much as you put in. Any income from the investment is also likely to vary and cannot be guaranteed.
