Mirabaud - Equities Swiss Small and Mid

(the "Sub-Fund") is a sub-fund of Mirabaud SICAV ("the Fund")
Class D Cap GBP (the "Class") - ISIN: LU1084154795

The Fund has appointed FundPartner Solutions (Europe) S.A. as management company.

The Fund is authorised in Luxembourg and regulated by the Commission de Surveillance du Secteur Financier (CSSF).

Objectives and Investment Policy

- The objective of the Sub-Fund is to achieve capital appreciation over the long-term by investing its assets in shares or other securities issued by small and medium-sized companies that have their registered office or are carrying out the majority of their business in Switzerland. The market capitalisation of these companies is less than or equal to 1% of the market capitalisation of the entire Swiss market.
- The Sub-Fund offers daily liquidity, whereby you can subscribe to the Sub-Fund or redeem your assets on any business day in Luxembourg, with the exception of any business day which follows a business day during which the Swiss Stock Exchange is closed.
- The Sub-Fund is actively managed. The Benchmark of the Class is the SPI EXTRA and is shown for comparison purposes only, without implying any particular constraints to the Sub-Fund's investments.
- Extra financial considerations (Environmental, Social and Governance ("ESG")) are fully integrated in the investment process of the Sub-Fund. Therefore, the Sub-Fund will focus on companies whose social and environmental factors and methods of governance have a sustainable impact on financial performance. All of the three ESG criteria are applied according to the following main criteria: Governance: Board structure, independence and diversity; business ethics, bribery and corruption; Social: Human resources management and customer/supplier relations;

Environment: Energy efficiency, waste management, carbon emissions reduction. An Extra-financial analysis process is used to assign an ESG score based on an internal analysis and/or on the data provided by an extra-financial rating agency in order to define the eligible investment universe. Further information regarding the way the fund's sustainable investment objective is achieved is available in the fund's prospectus and accessible via www.mirabaud-am.com. The fund is subject to Mirabaud Sustainable and Responsible investment policy.

Risk and Reward Profile

Risk Disclaimer

- This synthetic risk and reward indicator is a risk indicator based on historical volatility and may not be a reliable indication of the future risk profile of the Class.
- The Risk and Reward Category shown is not a target or a guarantee and may shift over time.
- The lowest category does not mean a risk-free investment.

Why is this Sub-Fund in this category?

The Risk and Reward Category shown indicates that the Sub-Fund invests mainly in securities which may experience sharp rises and falls in value, resulting from the evolution of the issuers' financial situation, but also from political and economic developments in the countries where the issuers are located or have significant activities.

Are there any other particular Risks?

Risks to which the Sub-Fund may be exposed and which may not be reflected in the indicator:

- Third parties risk: The failure of the third parties on which the Sub-Fund's operations depend may cause disruptions and losses.
- Significant holdings risk: The investment manager may hold a significant percentage of the shares of some companies. This may prevent the Sub-Fund from selling the shares promptly, impact the instruments prices and cause delays when facing redemptions in stressed market situations.

For more details about other risk associated with the investments of this Sub-Fund, please refer to the Risk Factors section of the Fund's prospectus.

Charges

The charges you pay are used to pay the cost of running the Sub-Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

These percentages are maximum figures which might be charged by intermediaries, in some cases you might pay less. The actual entry and exit charges can be found out from your adviser or distributor.

The percentage of ongoing charges is based on the last year's expenses, ending 31/12/2025. This figure may vary from year to year. It excludes:

- Performance fees (if applicable)
- Portfolio transaction costs, except in the case of an entry/exit charge paid by the Sub-Fund when buying or selling units in another collective investment undertaking.
