

INVESTMENT OBJECTIVE

The fund aims to provide a combination of income and growth through investing principally in a broad range of debt securities with fixed or variable rates of income. A discretionary (unconstrained) approach combining a thematic top-down macro view with fundamental bottom-up selections. The portfolio will use both cash bonds and fixed income-related derivatives to dynamically adjust strategic positions of shorter-term market movements.

■ IMPORTANT INFORMATION

This document was prepared by Nomura Asset Management U.K. Ltd, from sources it reasonably believes to be accurate. This document is not intended in any way to indicate or guarantee future investment results as the value of investments may go down as well as up. Values may also be affected by exchange rate movements and investors may not get back the full amount originally invested. Before purchasing any investment fund or product, you should read the related prospectus and fund documentation, including full details of all the risks associated with it, to form your own assessment and judgement on whether this investment is suitable in light of your financial knowledge and experience, investment objectives and financial or tax situation and whether to obtain specific advice from an investment professional. This document may not be reproduced or redistributed, in whole or in part, for any purpose without the written permission of Nomura Asset Management U.K. Ltd. This is a marketing communication. Please refer to the prospectus and to the PRIIPs KID or UCITS KIID as appropriate for your relevant jurisdiction before making any final investment decisions. The fund may invest in Emerging Markets and High Yield debt securities which tend to be more volatile than those of more developed capital markets or investment grade securities so any investment is at greater risk. The strategy may invest in derivatives including (but not limited to) futures, forwards, options, swaps and swaptions. Some of these securities are exchange traded, others are not. Derivatives traded on an exchange are guaranteed by the exchange. Derivatives that are not exchange traded carry risk of default by the counterparty. In almost all cases (other than long positions in options), the derivatives used may result in losses greater than the amount of the original investment. Investors in the Nomura Funds Ireland umbrella cannot experience losses greater than the amount invested. At times the fund may invest in cash, near cash and / or deposits up to 100% and have derivatives exposures of up to 100% of the fund's assets. More details of the use of financial derivative techniques are available from the Statement of Risk Management Process of Nomura Funds Ireland plc. The fund is a sub-fund of Nomura Funds Ireland plc, which is authorised by the Central Bank of Ireland as an open-ended umbrella investment company with variable capital and segregated liability between its sub-funds, established as an undertaking for Collective Investment in Transferable Securities under the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011. The UCITS fund is not intended for distribution to or use by any person or entity in any jurisdiction or country where such distribution or use would be contrary to law or regulation. The prospectus, key information document (PRIIPs KID), key investor information document (UCITS KIID) - as appropriate for your relevant jurisdiction - and other fund related materials are available in English and, for the PRIIPs KID, in the official language of the countries in which the fund is available for distribution on the Nomura Asset Management U.K. Ltd. website at <https://www.nomura-asset.co.uk/fund-documents/>. A summary of investor rights in English and information on collective redress mechanisms are available at https://www.nomura-asset.co.uk/download/funds/how-to-invest/Summary_of_investor_rights.pdf. Nomura Asset Management U.K. Limited may at any time decide to terminate arrangements it may have made for the marketing of units of a fund in a member state other than its home member state. The EU Sustainable Finance Disclosure Regulation ("SFDR") requires investment firms to formalise how sustainability is integrated into their business and processes, and to make new public and client-facing disclosures on sustainability matters. The aforementioned disclosures relating to Nomura Asset Management U.K. Limited are published on the website. Product related disclosures regarding Nomura Funds Ireland PLC, its sub-funds can be found in the prospectus. This fund is an Article 6 fund according to SFDR. Nomura Asset Management U.K. Ltd. is authorised and regulated by the Financial Conduct Authority. Portfolio data source: Nomura Asset Management U.K. Ltd.
