## AWARDS AND RATINGS

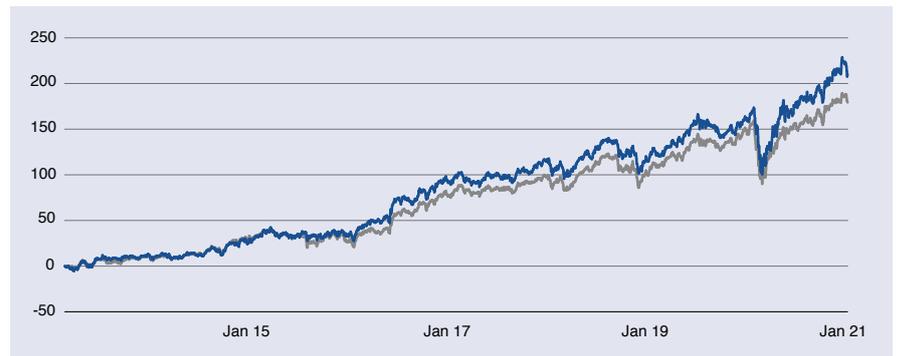

Ratings are not a recommendation.

## OBJECTIVE

The objective of the Fund is to provide capital growth over the long-term, being five years or more. Five years is also the minimum recommended period for holding shares in this Fund. This does not mean that the Fund will achieve the objective over this, or any other, specific time period and there is a risk of loss to the original capital invested.

## GLOSSARY

### Capital growth

Increase in the value of a fund. If a fund states that its objective is 'to seek capital growth', the underlying asset or investment will be those the investment manager believes have the potential to grow in value over time.

### Total return

The total return on an investment is made up of capital appreciation or depreciation and any income paid out by the investment. Measured over a set period, it is expressed as a percentage of the value of the investment at the start of that period.
