OBJECTIVE AND INVESTMENT POLICY

Objective

To grow capital over a five year period.

Investment policy

What the fund invests in

- 80% to 100% in company shares.
- Up to 20% in bonds, cash and near cash, other transferable securities, other funds (up to 10%) managed by Artemis and third party funds, and money market instruments.

Use of derivatives

The fund may use derivatives for efficient portfolio management purposes to:

- reduce risk
- manage the fund efficiently.

Where the fund invests

- United States of America, including companies in other countries that are headquartered or have a significant part of their activities in the USA.

Industries the fund invests in

- Any

Other limitations specific to this fund

- None

Investment strategy

- The fund is actively managed.
- The manager uses multiple sources of information, both to generate ideas and to assist in validating and testing candidate companies for investment. This is complemented by techniques such as data mining (examining large databases of information) and financial analysis.
- External research is also used in order to tap into knowledge already available and to look for different views.
- The manager carries out a significant amount of analysis of wider economic trends to understand cyclical and long-term trends and the outlook.

Benchmarks

- S&P 500 TR
  A widely-used indicator of the performance of 500 large publicly-traded US companies, some of which the fund invests in. It acts as a 'comparator benchmark' against which the fund's performance can be compared. Management of the fund is not restricted by this benchmark.
- IA North America NR
  A group of other asset managers' funds that invest in similar asset types as this fund, collated by the Investment Association. It acts as a 'comparator benchmark' against which the fund's performance can be compared. Management of the fund is not restricted by this benchmark.

RISK CONSIDERATIONS

To ensure you understand whether this fund is suitable for you, please read the Key Investor Information which is available, along with the fund's Prospectus, from www.artemisfunds.com or www.fundinfo.com.

The fund is exposed to the following risks:

Market volatility risk	The value of the fund and any income from it can fall or rise because of movements in stockmarkets, currencies and interest rates, each of which can move irrationally and be affected unpredictably by diverse factors, including political and economic events.
Currency risk	The fund's assets may be priced in currencies other than the fund base currency. Changes in currency exchange rates can therefore affect the fund's value.
Concentration risk	The fund may have investments concentrated in a limited number of holdings. This can be more risky than holding a wider range of investments.
