Investment objective: To provide capital growth over the long-term (5-10 years) by investing at least 80% of the Fund's assets in US Sustainable Companies or US companies that demonstrate improving sustainable characteristics. Sustainable Companies are those that the Investment Manager believes to have effective governance and superior management of environmental and/or social issues (sustainable characteristics).

### Investment approach

- Uses a fundamental, bottom-up stock selection process.
- Investment process built on leveraging the insights of a team of US sector specialist analysts that seeks to identify attractive sustainable long-term investments.
- Integrates ESG aspects to identify companies with strong or improving sustainability characteristics.

### BENCHMARK USES

The Fund is actively managed. The Benchmark is a Performance Comparator and the Fund will bear some resemblance to its Benchmark. The Benchmark has been chosen as it reflects the main investment universe and strategy for the Fund. The Benchmark will not apply values and norms based screening to implement exclusions that the Investment Manager applies to this Fund.
