

U.S. Small-Cap Blend Fund

Marketing Communication

Fund Objective and Proposition

The Brown Advisory U.S. Small-Cap Blend Fund aims to achieve capital growth through a combination of the Brown Advisory U.S. Small-Cap Growth and U.S. Small-Cap Fundamental Value strategies. The allocation is 50%-50%. This is not a fund of funds. The Fund is diversified and style-agnostic making it more reflective of the broad U.S. small-cap universe.

The Fund consists of (1) growth stocks; companies possessing above-average growth potential and operating in markets with a dominant and/or increasing market share, and (2) value stocks; companies that demonstrate sustainable free cash flow and valuation disparities overlooked by the market. Through our disciplined, bottom-up investment process, we strive to exploit market inefficiencies in the small-cap universe. We believe that investors who are willing to think and act differently can achieve alpha.
