### INVESTMENT OBJECTIVE

The Fund aims to achieve income and capital growth over the long term (5 years or more).

PERFORMANCE DISCLOSURE

Past performance is not a guide to future performance. The value of investments can fall. Investors may not get back the amount invested. Income from investments may vary and is not guaranteed.

## PERFORMANCE BENCHMARK

The Fund will measure its performance against the S&P 500 NR Index as a comparator benchmark (the "Benchmark"). The Fund will use the Benchmark as an appropriate comparator because it includes a broad representation of the asset classes, sectors and geographical area in which the Fund predominantly invests. The Fund is actively managed, which means the Investment Manager has absolute discretion to invest outside the Benchmark subject to the investment objective and policies disclosed in the Prospectus. While the Fund expects to reflect many of the attributes of the Benchmark, the portfolio holdings of the Fund may deviate from the Benchmark where the Investment Manager considers it appropriate in pursuit of the Fund's investment objective.

Source for all performance: Lipper as at 29 February 2024. Fund Performance for the Institutional Shares W (Acc.) calculated as total return, including reinvested income net of UK tax and charges, based on net asset value. All figures are in GBP terms. The impact of an initial charge (currently not applied) can be material on the performance of your investment. Further information is available upon request.
