Past performance is no guarantee of future performance.

The value of an investment and the income from it can fall as well as rise as a result of market and currency fluctuations and you may not get back the amount originally invested. For further information on risks please refer to the Fund's KIID/KID and/or the Prospectus. Investing in companies in emerging markets involves higher risk than investing in established economies or securities markets. Emerging Markets may have less stable legal and political systems, which could affect the safe-keeping or value of assets. The Fund's investment include shares in small-cap companies and these tend to be traded less frequently and in lower volumes than larger companies making them potentially less liquid and more volatile.
