## OBJECTIVE AND INVESTMENT POLICY

### Objective

To grow capital over a five year period.

### Investment policy

**What the fund invests in**

- 80% to 100% in company shares.
- Up to 20% in in bonds, cash and near cash, other transferable securities, other funds (up to 10%) managed by Artemis and third party funds, money market instruments, and derivatives.

**Use of derivatives**

The fund may use derivatives for efficient portfolio management purposes to:

- reduce risk
- manage the fund efficiently.

**Where the fund invests**

- United Kingdom, including companies in other countries that are headquartered or have a significant part of their activities in the United Kingdom.

**Industries the fund invests in**

- Any

**Other limitations specific to this fund**

- None

### Investment strategy

- The fund is actively managed.
- A research-driven, bottom-up stock selection process is used to identify unrecognised growth potential in companies that are often out-of-favour.
- The manager seeks companies that are in recovery, need re-financing or are suffering from investor indifference ('special situations'). These companies often have the potential to deliver significant capital growth.
- Companies are assessed on the basis of absolute and relative valuation with consideration to potential upside.

### Benchmarks

- FTSE All-Share Index TR
  A widely-used indicator of the performance of the UK stockmarket, in which the fund invests. It acts as a 'comparator benchmark' against which the fund's performance can be compared. Management of the fund is not restricted by this benchmark.
- IA UK All Companies NR
  A group of other asset managers' funds that invest in similar asset types as this fund, collated by the Investment Association. It acts as a 'comparator benchmark' against which the fund's performance can be compared. Management of the fund is not restricted by this benchmark.

# RISK CONSIDERATIONS

To ensure you understand whether this fund is suitable for you, please read the Key Investor Information which is available, along with the fund's Prospectus, from www.artemisfunds.com or www.fundinfo.com.

The fund is exposed to the following risks:

| | |
|---|---|
| Market volatility risk | The value of the fund and any income from it can fall or rise because of movements in stockmarkets, currencies and interest rates, each of which can move irrationally and be affected unpredictably by diverse factors, including political and economic events. |
| Currency risk | The fund's assets may be priced in currencies other than the fund base currency. Changes in currency exchange rates can therefore affect the fund's value. |
| Concentration risk | The fund may have investments concentrated in a limited number of holdings. This can be more risky than holding a wider range of investments. |
| Special situations risk | The fund invests in companies that are in recovery, need re-financing or are suffering from lack of market attention (special situations). These companies are subject to higher-than-average risk of capital loss. |
