

# Close Tactical Select Passive Growth Fund

Fund Factsheet as at 30 April 2023

## Fund objective

The investment objective of the fund is to generate capital growth. The Fund will invest primarily in passively managed collective investment schemes and exchange traded funds in order to gain exposure to equities and fixed interest securities.

## Typical investor

Typical investors in the Fund are looking for an investment that provides capital growth with some income.

## Cumulative performance (%)

The Investment Association sector return shown consists of funds who are expected to hold a range of different investments, typically shares, bonds and cash, but can do so in any proportions, for example, up to 100% in shares. It is shown for reference purposes only, as the Fund does not have a formal benchmark, which it is required to be measured against.
