888.622.1813 | BULLION@SPROTT.COM

The goal of the **Sprott Physical Gold and Silver Trust** (the "Trust") is to provide a secure, convenient and exchange-traded investment alternative for investors who want to hold physical gold and silver without the inconvenience that is typical of a direct investment in physical bullion. The Trust offers a number of compelling advantages over traditional exchange-traded bullion funds.

NYSE Arca: CEF

TSX: CEF.U ($US) | **CEF** ($CA)

The Trust

The Sprott Physical Gold and Silver Trust (CEF) is a closed-end trust that invests in unencumbered and fully-allocated physical gold and silver bullion in London Good Delivery bar "form".

Reasons to Own

1. **Fully Allocated –** The Trust only holds fully allocated and unencumbered precious metals – no exceptions.
2. **Redeemable for Metals –** Unitholders have the ability to redeem their units for physical gold and silver bullion on a monthly basis, subject to certain minimum requirements.[1]
3. **Trustworthy Storage –** The Trust's metals will be held in custody by the Royal Canadian Mint, a Federal Crown Corporation of the Government of Canada.
4. **Potential Tax Advantage –** The Trust may offer a potential tax advantage for certain non-corporate U.S. investors. Gains realized on the sale of the Trust's units can be taxed at a capital gains rate of 15%/20%[2] versus the 28% collectibles rate applied to most precious metals ETFs, coins and bars.
5. **Easy to Buy, Sell and Own –** Trust units can be purchased on any open trading day for the New York Stock Exchange or Toronto Stock Exchange. No need for investors to handle, secure or protect physical metal.
6. **A Liquid Investment –** With an average daily trading volume of over $10.3 million in December 2023, trust units are liquid and can be bought and sold on any open trading day at the New York Stock Exchange or Toronto Stock Exchange.

Performance: Average Annual Total Returns (%)

As of December 31, 2023 in $US	1 MO*	YTD*	1 YR	3 YR	5 YR	Since Inception (Jan. 16, 2018)
Sprott Physical Gold and Silver Trust: NAV**	-1.15	7.74	7.74	0.15	8.98	6.24
Sprott Physical Gold and Silver Trust: Market Price**	-0.78	6.80	6.80	-0.35	8.84	5.81
Benchmark: Spot Gold†	1.31	13.10	13.10	2.81	9.97	7.52
Benchmark: Spot Silver†	-5.84	-0.66	-0.66	-3.41	8.96	5.45

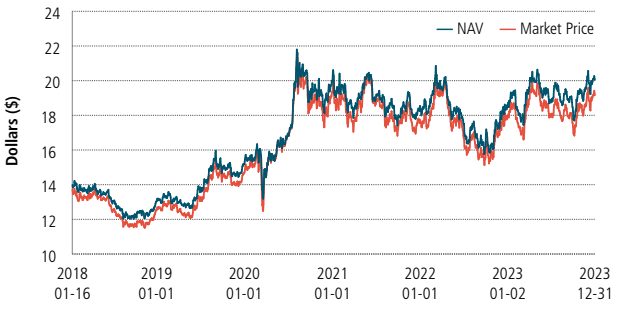

Performance data quoted represents past performance. Past performance does not guarantee future results. Current performance may be higher or lower than actual data quoted.

* Not annualized.

** The NAV performance calculation is based on the USD NAV and the market price performance calculation is based on the USD closing price on the NYSE Arca.

† The gold spot price is measured by the Bloomberg GOLDS Comdty Spot Price; the silver spot price is measured by the Bloomberg SILV Comdty Spot Price. Each price represents the fluctuating market price for one ounce of bullion bought or sold on commodity exchanges contracted for immediate payment and delivery. Each price is determined by the forward month's futures contract with the most volume.

Sprott Physical Gold and Silver Trust

The Case for Gold

Gold has outperformed other asset classes in the new millennium – the dawn of radical monetary practices.

Source: Sprott Asset Management, Bloomberg. As of 12/31/2023. Past performance is no guarantee of future results.

The Gold/Silver Ratio

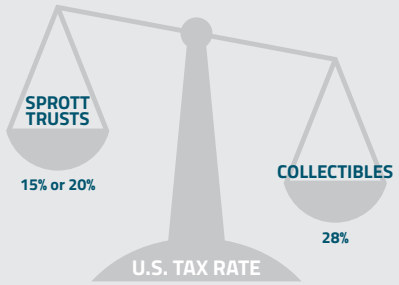

The gold/silver ratio has averaged 69 from 1988-2023.

Source: Sprott Asset Management, Bloomberg. Data as of 12/31/2023. The gold-silver ratio is an expression of the price relationship between gold and silver, and indicates the number of ounces of silver it takes to equal the value of one ounce of gold..

Sprott Physical Gold and Silver Trust

FAVORABLE TAX ADVANTAGES

For U.S. non-corporate investors who hold units for more than one year and make a timely Qualified Election Form (QEF) election, gains realized on the sale of the Trust's units are currently taxed at the long-term capital gains rate of 15% (20% for higher income taxpayers), versus the maximum of 28% applied against most precious metals investments that are classified as collectibles for tax purposes.[2]

Precious metals investments are more volatile on a daily basis and have higher headline risk than other sectors as they tend to be more sensitive to economic data, political and regulatory events as well as underlying commodity prices. Precious metals investments have price fluctuations based on short-term dynamics partly driven by demand/supply and also by investment flows. Precious metals investments tend to react more sensitively to global events and economic data than other sectors.

Past performance is not an indication of future results. The information provided is general in nature and is provided with the understanding that it may not be relied upon as, nor considered to be, tax, legal, accounting or professional advice. Readers should consult with their own accountants and/or lawyers for advice on the specific circumstances before taking any action. Sprott Asset Management LP is the investment manager to the Sprott Physical Gold and Silver Trust (the "Trust"). Important information about the Trust, including the investment objectives and strategies, applicable management fees, and expenses, is contained in the prospectus. Please read the document carefully before investing. The indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or operational charges or income taxes payable by any unitholder that would have reduced returns. You will usually pay brokerage fees to your dealer if you purchase or sell units of the Trusts on the Toronto Stock Exchange ("TSX") or the New York Stock Exchange ("NYSE"). If the units are purchased or sold on the TSX or the NYSE, investors may pay more than the current net asset value when buying units or shares of the Trusts and may receive less than the current net asset value when selling them. Investment funds are not guaranteed, their values change frequently and past performance may not be repeated. The information contained herein does not constitute an offer or solicitation to anyone in the United States or in any other jurisdiction in which such an offer or solicitation is not authorized or to any person to whom it is unlawful to make such an offer or solicitation. Views expressed regarding a particular company, security, industry or market sector should not be considered an indication of trading intent of any investment funds managed by Sprott Asset Management LP. These views are not to be considered as investment advice nor should they be considered a recommendation to buy or sell.
