**Ongoing charge represents the direct costs of running a fund, which are deducted from the assets of the fund and provide a comparable number for the cost of investing. The annual management charge is included in the ongoing charge. Previously, the OCF included expenses incurred by underlying holdings of collective investment schemes in relation to the Fund (the synthetic 'OCF'). Following guidance issued by the Investment Association on 2 July 2020, the synthetic OCF calculation has been expanded to include closed-ended vehicles such as investment trusts.
