

Close Sustainable Select Fixed Income Fund

Fund Factsheet as at 30 April 2023

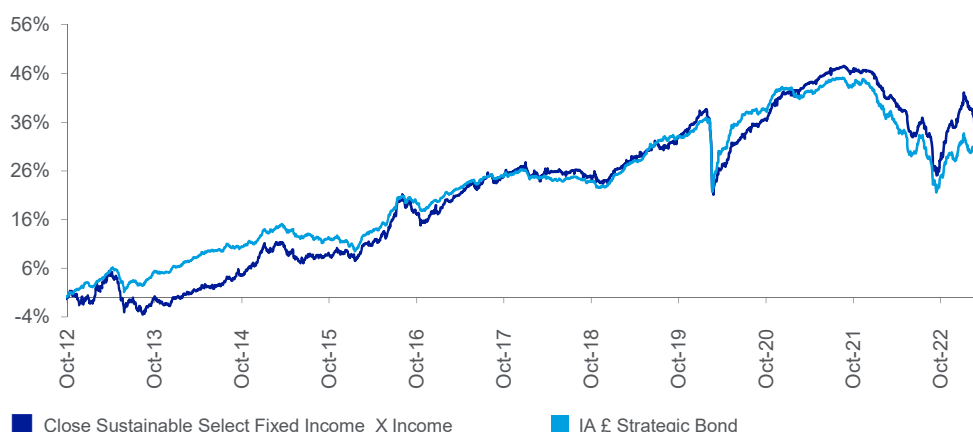

Fund objective

The investment objective of the Fund is to provide income while maintaining its capital value over the medium term. The Fund will invest mainly in sterling denominated bonds (both government and corporate). It may also hold international fixed income securities, the currency on which may be hedged.

Typical investor

Typical investors in the Fund are looking to generate income without a requirement for capital growth.

Cumulative performance (%)

Cumulative performance (%)

Risks

Past performance is not a reliable indicator of future results.

The value of investments and the income from them can go down as well as up. Investors may get back less than the full amount originally invested. If you are unsure about any information contained within this document, or the suitability of this investment to meet your needs, you should take professional financial advice.

This document should be read in conjunction with the Fund's Key Investor Information Document and Prospectus which will exclusively form the basis of any application and will contain further information on specific risks that apply to your investment.
