

Portfolio objective

The investment objective is to provide a combination of income and capital growth over any seven year period.

Performance

Investors are invited to compare the fund's performance against the performance of other funds within the Investment Association All UK Companies Sector. Comparison of the fund against this sector will give investors an indication of how the fund is performing compared with funds investing in a similar but not identical investment universe.

The comparison should be performed over at least a seven year period to provide the most useful long-term comparison.

Past performance does not predict future returns.

Disclosures

Past performance is not a guide to future performance. The value of investments and the income from them may go down as well as up and is not guaranteed. Outcomes, including the payment of income, are not guaranteed.

This fund is intended to be long-term investment and your capital is at risk. Any investment objective, performance benchmark and yield information should not be considered as an assurance or guarantee of the performance of the fund or any part of it. An initial charge reduces the amount available for investment. Investors should be aware that funds denominated in a currency other than investors' home state currency are subject to currency fluctuations which may decrease returns. Please be aware that each fund presents its own risk profile. Please read the KIID for an explanation and refer to the prospectus for information about all relevant risks.

Please note that performance for fixed income funds is shown net of charges and tax. Performance for equity and multi asset funds is shown net of charges but gross of tax.

This document is accurate at the time of writing and is subject to change without notification.

Fund charges are deducted from income but will be deducted from capital where income is insufficient to cover charges.

Please read the Key Investor Information, Supplementary Information Document and Application Form carefully. The Key Investor Information, Prospectus and accounts are available on our website www.aegonam.com.
