The financial statements of the Company are established in accordance with the Luxembourg legal and regulatory requirements concerning Undertakings for Collective Investment and with generally accepted accounting principles in Luxembourg.

The financial statements of the Company have been prepared on a going concern basis.

## Note to the financial statements (continued) as at 31st December 2023

#### b) Valuation

The assets of the Company are valued as follows:

- 1) The value of any cash at hand or on deposit, bills, demand notes and accounts receivable, prepaid expenses, dividends and interests matured but not yet received are valued at the par-value of the assets, except if it appears that such value is unlikely to be received. In such a case, subject to the approval of the Board of Directors, the value is determined by deducting a certain amount to reflect the true value of the assets;
- 2) The value of Transferable Securities, Money Market Instruments and/or financial derivative instruments listed on an official Stock Exchange or dealt in on a regulated market which operates regularly and is recognised and open to the public (a "Regulated Market"), as defined by laws and regulations in force, is based on the latest available price and if such Transferable Securities are dealt in on several markets, on the basis of the latest known price on the stock exchange which is normally the principal market for such securities. If the latest known price is not representative, the value is determined based on a reasonably foreseeable sales price to be determined prudently and in good faith by the Board of Directors:
- 3) In the event that any Transferable Securities or/and Money Market Instruments are not listed or dealt in on any stock exchange or any other Regulated Market operating regularly, recognised and open to the public, as defined by the laws and regulations in force, the value of such assets is assessed on the basis of their foreseeable sales price estimated prudently and in good faith by the Board of Directors;
- 4) The liquidating value of derivative contracts not traded on exchanges or on other Regulated Markets means their net liquidating value determined by the Board of Directors in a fair and reasonable manner, on a basis consistently applied for each different variety of contracts. The liquidating value of futures, forward and options contracts traded on exchanges or on other Regulated Markets is based upon the last available settlement prices of these contracts on exchanges and Regulated Markets on which the particular futures, forward or options contracts are traded by the Company; provided that if a futures, forward and options contract could not be liquidated on the day with respect to which net assets are being determined, the basis for determining the liquidating value of such contract is such value as the Board of Directors may deem fair and reasonable;
- 5) The value of Money Market Instruments not listed or dealt in on any stock exchange or any other Regulated Market and with remaining maturity of less than 12 months and of more than 90 days is deemed to be the nominal value thereof, increased by any interest accrued thereon. Money market instruments with a remaining maturity of 90 days or less are valued by the amortised cost method, which approximates market value;
- 6) The value of the Participatory notes is based on the market value of the underlying and also on the credit risk of the issuer;
- 7) Shares of UCITS and/or other UCI are valued at their last determined and available Net Asset Value or, if such price is not representative of the fair market value of such assets, then the price is determined by the Board of Directors on a fair and equitable basis. Units of a closed-ended UCI are valued at their last available stock market value.
- 8) All other securities and other assets are valued at fair market value, as determined in good faith pursuant to procedures established by the Board of Directors.

#### Note 5 - Performance fee

In addition to the annual investment management fees, the Investment Manager may be entitled to receive out of the assets of the Sub-Funds a performance related fee in certain circumstances. The performance fee due to the Investment Manager will be calculated daily and paid annually based on the performance in the Sub-Fund's accounting period.

Thereafter, each performance period will correspond to: - the financial year of the Company for Alquity SICAV – Alquity Africa Fund:

- 1st April of each year to 31st March of the following year for ALQUITY SICAV ALQUITY GLOBAL IMPACT FUND;
- 1st January to 31st December of the same year for ALQUITY SICAV ALQUITY ASIA FUND;

The performance fee will be calculated based on percentages mentioned below of any outperformance of the increase in the Net Asset Value per share compared to the High Water Mark.

The performance fee operates a high water mark ("High Water Mark") principle along with a hurdle rate which is a mechanism that ensures that the fee can only be charged if the year-end Net Asset Value per share of the relevant performance period is higher than the year-end Net Asset Value per share of the performance period when a performance fee was last paid, increased by the hurdle rate. Performance fees will not be paid when the performance for the year ends below the previous High Water Mark, increased by the hurdle rate.

There is no performance fee calculated for the Share Classes X, Y and D for all Sub-Funds, as well as for the Share Class I, except for the Sub-Fund ALQUITY SICAV - ALQUITY AFRICA FUND.

#### Note 6 - Management Company fees, Depositary fees and Central administration costs

The fees payable to Depositary and Paying Agent, the Central Administration Agent, Registrar and Transfer Agent and the Management Company will be within a range of 0.35-0.50% with a minimum fee of up to EUR 70,000 applicable per Sub-Fund per annum. The fees are payable monthly and accrued on each Valuation Day.

#### Note 7 - Flat TER Process

The Ongoing Charges of all Sub-Funds (except for ALQUITY SICAV - ALQUITY AFRICA FUND) are included in a Flat TER for each Class of Shares of each Sub-Fund. The Flat TER is flat in the sense that:

(i) to the extent that the Ongoing Charges per class exceed the Flat TER, the Investment Manager will pay such excess amount; (ii) to the extent that the Ongoing Charges per class are below the Flat TER, the Investment Manager will be entitled to receive any amount of Flat TER in excess of the Ongoing Charges.

The Ongoing Charges include all the annual charges and other payments taken from the assets of the Sub-Funds which include, but are not limited to, investment management fee, distribution fee, management company fees, sub-administrative agent fees, sub-registrar agent fees, depositary fees, Directors' fees and expenses, registration costs, regulatory fees, audit fees, legal fees, setup costs, translation costs, printing costs and publication costs including value-added tax (VAT) or similar taxes that might apply in any jurisdiction.

It had been expected that the Flat TER in the current year (2022-23) would run positive, creating a surplus. However due to events, such as the geopolitical tensions, China underperformance and rising global yields, the AUM progression in emerging markets was very different than expectations. The Board and Alquity have engaged to create a solution and agreement has been reached the Fund to withhold the fees owed to Alquity until the outstanding amount has been fully paid.

For all Sub-Funds (except for ALQUITY SICAV - ALQUITY AFRICA FUND for which the actual charges are levied), each Class of Shares incurs a distinct Flat TER expressed in a percentage of the average net asset value of the relevant Class of Shares as follows:

	ALQUITY SICAV - ALQUITY GLOBAL IMPACT FUND	ALQUITY SICAV - ALQUITY ASIA FUND	ALQUITY SICAV - ALQUITY INDIAN SUBCONTINENT	ALQUITY SICAV - ALQUITY FUTURE WORLD FUND

Class W	2.10%	0.65%	2.10%***	2.10%
Class X	1.30%	1.30%	1.30%	N.A.

The Flat TER of each Class of Shares may be amended by the Board of Directors upon notice to the relevant shareholders.

<sup>\*</sup>From 15th August 2022 until further notice, TER was reduced to 0.49% of the total net assets per annum payable monthly and calculated on the average total net assets for the class Y GBP shares of ALQUITY SICAV - ALQUITY FUTURE WORLD FUND.

<sup>\*\*</sup>From 1st November 2023, TER was reduced to 2.45% of the total net assets per annum payable monthly and calculated on the average total net assets for the class R shares of all Sub-Funds.

## Note to the financial statements (continued) as at 31st December 2023

#### Note 8 - Subscription duty ("Taxe d'abonnement")

The Company is governed by Luxembourg law.

Pursuant to the legislation and regulations in force, the Company is subject to an annual subscription duty ("taxe d'abonnement") of 0.05% which is payable quarterly and calculated on the basis of the net assets of each Sub-Fund on the last day of each quarter.

The rate of this tax is reduced to 0.01% of the value of the net assets for Sub-Funds or Classes of Shares reserved for institutional investors.

According to Article 175 (a) of the amended Law of 17th December 2010, the net assets invested in Undertakings for Collective Investments already subject to the "taxe d'abonnement" are exempt from this tax.

#### Note 9 - Transactions with connected persons

Certain Directors of the SICAV are or may also be officers and/or directors of the Investment Manager. The fees that are paid by the SICAV to the Management Company (which is not affiliated with the Investment Manager or the principal distributor) and the Investment Manager are detailed in notes 3, 4, 5 and 7 respectively, to the financial statements. The fees of the principal distributor is borne by the Investment Manager. No transactions of the SICAV were made through a broker who is a connected person of the SICAV, the Investment Manager, the principal distributor or the Directors of the SICAV.

#### Note 10 - Soft commission arrangements

Although the Prospectus of the SICAV does specify that soft commission arrangements may be paid to brokers in respect of the sub-fund, no soft commission arrangements are currently in place between the SICAV and the investment manager or any other parties.

#### Note 11 - Income receivable on portfolio in the Sub-Fund ALQUITY SICAV - ALQUITY AFRICA FUND

The item "Income receivable on portfolio" disclosed in the statement of net assets in the Sub-Fund ALQUITY SICAV - ALQUITY AFRICA FUND is composed of one outstanding dividend to be received on Egyptian shares and not still paid to the Sub-Fund at the date of the financial statement. The total amount to be received is EGP 922,811.91.

#### Note 12 - Changes in investments

The statement of changes in investments for the period in reference to the report is available free of charge upon request at the registered office of the Company.

#### Note 13 - Valuation of Russian securities

In 2022, Alquity had decided to value its Russian holdings (Fix Price Group Ltd DR and HeadHunter Group PLC ADS repr spons ADR DR) to zero due to the invasion of Ukraine by Russia. The valuation of the Russian securities has remained unchanged since then.

#### Note 14 - Events

During the year, a 10% haircut was applied on the valuation of Singer Bangladesh (ISIN: BD0211SINGR7). This is a holding in both the Alquity Asia and Alquity Future World funds. The reason for this is that the Bangladesh applies a floor on valuations, under which value stock cannot be traded on its stock exchange. Nevertheless, it is still possible to sell the stock outside the stock exchange. The 10% haircut is the price at which shares were being sold outside the stock exchange.

The Board of Director of the Fund approve the closure of the ALQUITY AFRICA FUND Sub-Fund for subscriptions with effect from 7th September 2023.

For a period of one year as from 1st July 2023 it has been agreed by Circular resolutions to waive minimum subscription amounts and minimum holding amounts for all share classes of the ALQUITY SICAV Sub-Funds, namely ALQUITY AFRICA FUND, ALQUITY ASIA FUND, ALQUITY GLOBAL IMPACT FUND, ALQUITY INDIAN SUBCONTINENT FUND, and ALQUITY FUTURE WORLD FUND.

## Note to the financial statements (continued) as at 31st December 2023

- As a matter of economic rationalization and with the aim to create better conditions in terms of efficiencies and lower
  overall costs, with the ultimate aim to protect investors' interests the Fund has approved the merger of the Africa SubFund into the Future World Sub-Fund.
- This is to be achieved through the initial liquidation of all holdings of the Africa Sub-Fund into cash and subsequent merger in cash into the Future World Sub-Fund.
- The merger was approved by the CSSF at the beginning of October 2023.

#### **EGP holdings**

- This will need to be constantly reviewed and adjusted as macro, market and political events unfold.
