Other investors can buy or sell shares daily through an intermediary directly or on Stock Exchange(s) on which the shares are traded. Performance fee	None

- \*Authorised Participants dealing directly with the Fund may pay an entry charge up to a maximum of 5% and an exit charge up to a maximum of 3%. Although not charged directly to investors who are not Authorised Participants, these charges may have an impact on brokerage fees, transaction fees and / or the bid-ask spread. Investors may also bear the costs of "bid-ask" spreads; meaning the difference between the prices at which shares can be bought and sold. You should discuss these fees and costs with your broker before you invest, as they may reduce the amount of your initial investment and the amount you receive on disposal.
- For more information on charges, please see the relevant charges section in the Fund supplement under "General Information Relating to the Fund", which is available at [etf.invesco.com](http://etf.invesco.com) (select your country and navigate to Library/Supplement).
