Recommended cash offer

Recommended cash offer to acquire the issued and to be issued share capital not already owned or controlled by Sampo and RMI at a cash value of 254.5 pence for each Hastings share

Offer

- The Independent Directors are pleased to announce that they have reached an agreement on the terms of a recommended cash offer
- Sampo and RMI to acquire the issued and to be issued share capital of Hastings not already owned or controlled by the Consortium

Terms

- Cash value of 254.5 pence for each Hastings share, comprising an offer price of 250.0 pence and the right for shareholders to retain an interim dividend of up to 4.5 pence per share
- Equates to a 47 per cent. premium to the closing price per Hasting share of 170 pence on 28 July 2020 (excluding the interim dividend)

Timetable

- Shareholder documentation is expected to follow within 28 days post the offer announcement
- The offer will be subject to regulatory and anti-trust conditions and therefore closing should be towards the end of 2020

① Doing the right thing for our colleagues, customers and community

- Support measures and actions taken amounting to tens of millions of pounds
- Colleagues supported throughout the pandemic
- Significant customer actions, including fee waivers and premium reductions
- Community fund established and no Government support utilised

② Resilient underlying business performance

- Live policies of 2.96m, up 5%, supported by higher retention rates and some improvement in new business competitiveness
- Reduced claims frequencies in Q2 due to COVID-19
- Adjusted operating profit of £78.3m
- Loss ratio of 75.6% with a reserving position that reflects increased uncertainty
- Stable net debt and pre-dividend Solvency II coverage ratio of 169%
- Strong group cash generation supporting a 4.5p interim dividend

③ Continued good progress on strategic initiatives

- Enhanced capability in pricing and anti-fraud
- Claims initiatives continue to be delivered
- Record level of digital adoption
- High colleague engagement, progress on diversity and environmental actions

Proactive steps being taken to support our 4Cs

Colleagues

- Colleagues working from home within weeks
- All colleagues retained and on 100% salaries, with no utilisation of job retention scheme
- Colleague hardship fund and wellbeing support

Community and wider economy

- Community fund supported 150 charities
- No Government support utilised

Customers

- Flexibility on payments to support customers in financial difficulty
- Additional support for NHS staff and care-workers
- Refunds offered to customers with lower mileage
- Some targeted and temporary price reductions
- Waiving of fees and charges

Company

- Strong IT and operational resilience
- Continued investment in strategic initiatives

Vehicle usage (Department For Transport)

Market severities (ABI)

Claims trends influenced by COVID-19

- Reductions in miles driven leading to lower claims frequencies
- Frequencies increasing as lockdown eases
- Claims severities expected to continue to increase, driven in particular by:
 - Increased third party repair costs
 - Higher accidental damage repair costs including continued inflation of paint, parts and labour
 - Some disruption in repair networks
- Trends continue to be monitored closely

Market average written premium inflation (ABI)

Retention rate

Pricing discipline remains a priority

- Market price increases observed in Q1 2020
- Some reductions in Q2, in light of reduced claims frequencies
- Reported average premiums also impacted by a change in mix
- Reduced PCW quote volumes, but now returning to normal levels
- Policy growth driven by:
 - Higher customer retention from operational improvements and targeted temporary price reductions
 - Some improvement in new business competitiveness
