## **Prime People Plc**

#### **Interim Results**

Prime People Plc ("Prime People" or the "Group"), a global group of specialist recruitment businesses operating in depth, across the Real Estate & Built Environment sectors, announces its unaudited interim results for the six months ended 30 September 2021.

#### **CHAIRMAN'S STATEMENT**

#### Overview

Despite Covid-19 restrictions continuing for part of the period to 30 September 2021, in all of the markets in which the Group operates, I am pleased to report an improvement in trading, which we see as a combination of general market recovery and a backlog of client demand positively impacting performance.

The Group's cash collection has been robust and, consequently, the Board made the decision to accelerate repayment of £1m (50%) of the CBILS loan prior to the period end.

#### **Financial Results**

Group Revenues were £10.58m (H1 2021: £8.66m), up 22.2% compared to the prior year.

The Group's Net Fee Income ("NFI"), which is Management's key focus, increased to £7.36m (H1 2021: £5m), an increase of 47.2% over the prior year; NFI for the UK business was £3.36m (H1 2021: £2.15m). Our overseas performance was comprised of Asia NFI of £2.83m (H1 2021: £2.67m) and the Rest of World NFI £1.17m (H1 2021: £0.17m).

During the period contract NFI represented 4.0% of Group NFI (H1 2021: 7.12%).

Administrative costs for the Group in the period were £6.28m (H1 2021: £4.87m).

Profit before taxation amounted to £1.06m (H1 2021 £0.10m).

The charge for Group taxation of £0.20m (H1 2021: £0.02m) is based on the expected annual effective tax rate of 19% in the UK (H1 2021: 19%), 19% in Hong Kong (H1 2021: 16.50%), and 19% in Singapore (H1 2021: 17%).

Basic earnings per share for the period were 7.39p (H1 2021: 0.95p).

#### **Cash Flow**

At the start of the current financial year the Group had cash of £3.98m. At the period end the Group had available cash of £2.89m and net cash, after the CBILS loan, of £1.94m (H1 2021: £2.15m).

#### Dividend

The Board will not be declaring an interim dividend this year (H1 2021: Nil).

#### Outlook

Although our markets are not fully back to pre-pandemic levels, we are encouraged by the recovery we have experienced in the six month period to 30 September 2021. We believe that the Group is well positioned to respond quickly as markets strengthen, but we remain cautious, as any reimposition of Covid related restrictions are likely to be negative for our business.

Our cash position is sound, all Government taxes deferred due to Covid will be fully paid by January 2022 and we intend to redeem our remaining CBILS loan, which is now bearing interest.

Our management team and staff have adapted positively and quickly to the new operating backdrop necessitated by Covid, and we are looking forward to achieving long term positive returns for all our stakeholders.
