

This document provides you with key investor information about this fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this fund. You are advised to read it so you can make an informed decision about whether to invest.

The Fund is a sub-fund of Smith & Williamson Investment Funds PLC.  
The Fund is managed by Smith & Williamson Investment Management (Ireland) Limited, part of the Smith & Williamson group.

The Fund aims to achieve income returns and access to capital.

- Sterling, US dollar or Euro-denominated investment grade corporate bonds, of no more than six years' maturity.

- bonds issued by governments and other organisations
- cash, deposits and money market instruments.

The Fund may use derivatives for Efficient Portfolio Management (EPM), i.e. to protect against market or currency movements, to reduce costs, or to earn income or capital.

**Income shares:** Any income the Fund generates will be paid out to you gross of tax.

Accumulation shares: Any income the Fund generates will be reinvested.

You can buy and sell shares on any working day in Dublin.

The Fund is actively managed, which means that the manager has discretion over the composition of its portfolio, and the Fund is not tracking a benchmark nor is the Fund constrained by the value, price or components of a benchmark or any other aspect. The Fund is also not aiming to match or exceed the return of any benchmark.

For full investment objectives and policy details please refer to the prospectus.

The Risk and Reward Indicator table demonstrates where the Fund ranks in terms of its potential risk and reward. The higher the rank the greater the potential reward but the greater the risk of losing money. It is based on past data, may change over time and may not be a reliable indication of the future risk profile of the Fund. The shaded area in the table below shows the Fund's ranking on the Risk and Reward Indicator.

## Charges

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

### One-off charges taken before or after you invest

|              |       |
|--------------|-------|
| Entry charge | 5.00% |
| Exit charge  | 0.00% |

These are the maximum charges that we might take out of your money before it is invested and before we pay out the sale proceeds of your investment. In some cases, you might pay less and you should speak to your financial adviser about this.

### Charges taken from the Fund over a year

|                 |       |
|-----------------|-------|
| Ongoing charges | 0.50% |
|-----------------|-------|

### Charges taken from the Fund under specific conditions

|                 |      |
|-----------------|------|
| Performance fee | NONE |
|-----------------|------|

- The ongoing charges figure is based on the last year's expenses and may vary from year to year. It excludes the costs of buying or selling assets for the Fund (unless these assets are shares of another fund).
- A dilution levy may be charged on a purchase or sale of shares in the Fund in some cases. It may be necessary to reduce the difference between the cost of buying or selling the Fund's investments and the Fund's mid-market share price. Any dilution levy charged will be paid into the Fund.
- For further information about charges, please refer to relevant sections in the Fund's prospectus.
- The ongoing charges figure is for the year ending 31/12/2021.
- The Fund's annual report for each financial year will include detail on exact charges made.
