PERFORMANCE DISCLOSURE

Past performance is not a guide to future performance. The value of investments can fall. Investors may not get back the amount invested. Income from investments may vary and is not guaranteed.

PERFORMANCE BENCHMARK

The Fund will measure its performance against the FTSE World Europe ex UK TR Index as a comparator benchmark (the "Benchmark"). The Fund will use the Benchmark as an appropriate comparator because it includes a broad representation of the asset class, sectors and geographical areas in which the Fund predominantly invests.

The Fund is actively managed, which means the Investment Manager has discretion over the selection of investments subject to the investment objective and policies disclosed in the Prospectus. While the Fund's holdings may include constituents of the Benchmark, the selection of investments and their weightings in the portfolio are not influenced by the Benchmark. The investment strategy does not restrict the extent to which the Investment Manager may deviate from the Benchmark.
