FUND RATINGS

INVESTMENT OBJECTIVE

The Fund aims to achieve capital growth over the long term (5 years or more).

PERFORMANCE DISCLOSURE

Past performance is not a guide to future performance. The value of investments can fall. Investors may not get back the amount invested. Income from investments may vary and is not guaranteed.

PERFORMANCE BENCHMARK

The Fund will measure its performance against the MSCI AC World NR Index as a comparator benchmark (the "Benchmark"). The Fund will use the Benchmark as an appropriate comparator because it includes a broad representation of the asset class, sectors and geographical areas in which the Fund predominantly invests. The Fund is actively managed, which means the Investment Manager has absolute discretion to invest outside the Benchmark subject to the investment objective and policies disclosed in the Prospectus. While the Fund's holdings may include constituents of the Benchmark, the investment weightings in the portfolio are not influenced by the Benchmark. The investment strategy does not restrict the extent to which the Investment Manager may deviated from the Benchmark.
