Fund objectives and investment policy

The fund aims to provide income and capital growth of between 4.5% and 6.5% per annum (after fees have been deducted) over a 3 to 5 year period by investing in bonds worldwide. This cannot be guaranteed and your capital is at risk.

For details of the fund's investment policy please refer to the fund's Key Investor Information Document (KIID).

Relevant risks associated with an investment in this fund are shown overleaf and should be carefully considered before making any investment.

Past Performance is not a guide to future performance and may not be repeated. The value of investments and the income from them may go down as well as up and investors may not get back the amounts originally invested. Exchange rate changes may cause the value of any overseas investments to rise or fall.

Returns are calculated bid to bid (which means performance does not include the effect of any initial charges), net income reinvested, net of fees.

Risk considerations

High yield bond risk: High yield bonds (normally lower rated or unrated) generally carry greater market, credit and liquidity risk.

Liquidity risk: In difficult market conditions, the fund may not be able to sell a security for full value or at all. This could affect performance and could cause the fund to defer or suspend redemptions of its shares.

Please see the KIID and Prospectus for a full list of risk considerations applicable to this fund.

Asset allocation

Information relating to changes in fund manager, investment objective, benchmark and corporate action information

Some performance differences between the fund and the benchmark may arise because the fund performance is calculated at a different valuation point from the benchmark. The fund's performance should be assessed against the income and capital growth target of between 4.5% and 6.5% per year, and compared against the Investment Association High Yield Investment sector average return.

Benchmarks:

Daniel Pearson and Team replaced Michael Scott and Credit Team as Fund Manager for this fund on 17.09.2018.

The investment manager invests on a discretionary basis and there are no restrictions on the extent to which the fund's portfolio and performance may deviate from the benchmark. The investment manager will invest in companies or sectors not included in the benchmark in order to take advantage of specific investment opportunities.

On 17.02.2017 Schroder Monthly High Income Fund changed its name to Schroder High Yield Opportunities Fund.
